THE POWER COMMISSION ACT

O. Reg. 238/55.

Fees.

New and Revoking Regulations 322 of Consolidated Regulations of Ontario 1950 and Ontario Regulations 320/51.

Made—21st December, 1955.

Filed—23rd December, 1955.

REGULATIONS MADE BY THE COMMISSION UNDER THE POWER COMMISSION ACT

FEES

1. In these regulations

- (a) "contractor" means any person who as principal, servant or agent, by himself or his associates, employees, servants or agents performs or engages to perform either for his own use and benefit or for that of another and for or without remuneration or gain any work with respect to an electrical installation or any other work to which these regulations apply;
- (b) "high-potential" means any potential in excess of 750 volts;
- (c) "low-potential" means any potential not in excess of 750 volts; and
- (d) "sign" means an electric sign bearing an approval label of the Commission or Canadian Standards Association.

2. The fees set out in schedule 1 shall be paid for permits and for inspection of all such works and matters mentioned in subsection 1 of section 102 of the Act and of plans and specifications relating thereto.

3. Items 1 to 45, both inclusive, of schedule 1 apply only to the inspection of installations of electrical equipment that

- (a) bears an approval label of the Canadian Standards Association, or
- (b) has been inspected and approved by the Commission under item 46 of schedule 1.

4.(1) The fees shall be paid to the Commission when the application for inspection is made.

(2) Where during the inspection it appears that the fee paid is insufficient, the balance of the fee shall be paid to the Commission before the inspection is completed.

5. The payment of an inspection fee shall entitle the contractor to one inspection.

6. Where

- (a) by inadvertence more than one application has been filed in respect of an installation and fees paid thereon, or
- (b) inspection fees have been overpaid,

the amount of the over-payment shall be refunded to the contractor upon presentation to the office of the Commission where the payments were made by him of the receipts for the payments.

REVOCATION

7. Regulations 322 of Consolidated Regulations of Ontario 1950 and Ontario Regulations 320/51 are revoked.

COMMENCEMENT

8. These regulations come into force the 1st of March 1956.

THE HYDRO-ELECTRIC POWER COMMISSION OF ONTARIO.

R. L. HEARN,
Chairman.

(Seal)

E. B. EASSON,
Secretary.

Dated the 21st day of December, 1955.

SCHEDULE 1

ARC-LAMPS

1. For the inspection of each installation of an arc-lamp..... \$.70

BATTERY CHARGER OF THE TRANSFORMER TYPE

2.(1) For the inspection of each installation of a battery charger of the transformer type having a capacity of not more than 1 kilowatt . \$.70

(2) For the inspection of each installation of a battery charger of the transformer type rated at more than 1 kilowatt, a fee calculated on the basis of the fees payable for the inspection of the transformers forming part thereof in accordance with item 40.

BILL-BOARDS AND SIMILAR INSTALLATIONS

3.(1) For the inspection of each installation of a bill-board or similar installation, a fee calculated on the basis of the fees payable for the inspection of the outlets forming part of the bill-board or similar installation in accordance with item 22 and the fee payable for the inspection of a service, if any.

CARNIVALS

4.(1) For inspection of the installation of electrical equipment of a carnival set up for a period not exceeding 6 days including a current-permit valid for not more than 6 days..... \$13.50

(2) For each extension of a current-permit for a period of not more than 6 days and re-inspection of the installation..... \$ 6.75

COAL LOADERS

5.(1) For the inspection of the installation of an outlet for a coal loader..... \$ 1.35

(2) For the inspection of the installation of each additional outlet for a coal loader installed by the same contractor if inspected at the same time..... \$.70

AUTOMATIC DAMPER-CONTROL EQUIPMENT

6. For the inspection of each installation of an automatic damper-control in a residence . . . \$.70

ELEVATORS AND DUMB-WAITERS

7. For the inspection of each installation of an elevator or dumb-waiter a fee calculated on the basis of the fees payable for the inspection of the electrical installation of generators and motors forming part thereof in accordance with items 13 and 20, and the fee payable for inspection of the outlets forming part thereof in accordance with item 22.

EXHAUST FANS—DOMESTIC

8. For the inspection of each installation of an exhaust fan in a residence \$.70

FIXTURES

Cold-Cathode Fixtures

9.(1) Subject to sub-item 2 for the inspection of the installation of

- (a) each single-unit cold-cathode fixture having a nominal length of not more than 15 feet \$.70
- (b) each single-unit cold-cathode fixture having a nominal length of more than 15 feet \$ 1.35
- (c) single-unit cold-cathode fixtures mounted end to end, the total of the inspection fees applicable to each unit,
- (d) a single-unit cold-cathode fixture having a nominal length of not more than 15 feet where a transformer is not installed as part of the fixture assembly . \$ 1.00
- (e) a single-unit cold-cathode fixture having a nominal length of more than 15 feet where no transformer is installed as part of the fixture assembly \$ 2.00

(2) For the inspection of the installation of a cold-cathode fixture where each unit is

- (a) not more than 8 feet in length,
- (b) self-contained,
- (c) of the indoor type, and
- (d) constructed for operating lamp voltages not exceeding 1000 volts

a fee calculated on the basis of the fee payable for the inspection of the installation of a fixture in accordance with sub-item 3 but each fixture to be counted as 2 fixtures,

Hot-Cathode Fixtures

(3) For the inspection of the installation of

(b) where the number of fixtures exceeds 200, a fee of \$12.80 and 3.5 cents for each fixture in excess of 200.

FLOOD LIGHTING

10.(1) For the inspection of the installation of each outlet of 500-watts capacity or more in an installation of flood-lights. \$.70

(2) For the inspection of the installation of outlets of less than 500-watts capacity in an installation of flood-lights, a fee calculated on the basis of the fees payable for outlets in accordance with item 22.

GAS-BURNER AUTOMATIC CONTROL-EQUIPMENT

11. For the inspection of each installation of gas-burner automatic control-equipment in a residence. \$.70

GASOLINE-DISPENSING DEVICES

Motorless Type

12.(1) For the inspection of the installation of

(a) a motorless gasoline-pump where no other installation made. \$ 1.35

(b) each additional motorless gasoline-pump installed by the same contractor if inspected at the same time as the first pump. \$.70

(c) each motorless gasoline-pump installed concurrently with other electric wiring by a contractor where the entire installation can be inspected at one time . . . \$.70

Self-Contained Motor-Driven Type

- (2) For the inspection of the wiring and connections of
- (a) one double-unit self-contained motor-driven gasoline-pump..... \$ 2.70
 - (b) each additional double-unit pump installed by the same contractor if inspected at the same time as the first pump..... \$ 2.05
 - (c) one single-unit self-contained motor-driven gasoline-pump..... \$ 2.05
 - (d) each additional single-unit pump installed by the same contractor if inspected at the same time as the first pump..... \$ 1.35
 - (e) one double-unit self-contained motor-driven gasoline-pump where inspected at the same time as other wiring installed by the contractor..... \$ 2.05
 - (f) one single-unit self-contained motor-driven gasoline-pump where inspected at the same time as other wiring installed by the contractor..... \$ 1.35
- (3) For the inspection of the connections only of
- (a) one double-unit self-contained motor-driven gasoline-pump..... \$ 2.05
 - (b) each additional double-unit pump installed by the contractor where inspected at the same time as the first pump..... \$ 1.35
 - (c) one single-unit self-contained motor-driven gasoline-pump..... \$ 1.35
 - (d) each additional single-unit pump installed by the same contractor where inspected at the same time as the first pump..... \$ 1.00
 - (e) one double-unit pump where inspected at the same time as other wiring installed by the contractor on the same premises..... \$ 1.35
 - (f) one single-unit pump where inspected at the same time as other wiring installed by the contractor on the same premises..... \$ 1.00

GENERATORS

13.(1) For the inspection of the installation of an electric generator the fee prescribed by item 20 for a motor of like capacity.

(2) For the inspection of the installation of an exciter which forms part of an alternator or of a direct-current generator, no fee.

HEATING AND COOKING APPARATUS

Domestic

14.(1) For the inspection of the wiring for one non-portable electric range, electric heater or other domestic heating- or cooking-apparatus \$ 1.35

(2) For the inspection of the wiring for each additional non-portable electric range, electric heater or other domestic heating- or cooking-apparatus where installed by the same contractor and inspected at the same time..... \$.70

(3) For the inspection of the connection of a non-portable electric range, electric heating or other domestic heating- or cooking-apparatus to an existing range- or heater-circuit..... \$.70

Industrial

15. For the inspection of the installation of each complete heating unit of an electric furnace, enamelling oven, commercial cooking-oven, electric steam-generator and other industrial heating-apparatus, a fee based on capacity as follows:

Capacity

Fee

- (a) 10 kilowatts or less..... \$ 1.35
- (b) exceeding 10 kilowatts but not 20 kilowatts..... \$ 2.05
- (c) exceeding 20 kilowatts but not 40 kilowatts..... \$ 2.70
- (d) exceeding 40 kilowatts but not 100 kilowatts..... \$ 4.05
- (e) exceeding 100 kilowatts but not 200 kilowatts..... \$ 6.75
- (f) exceeding 200 kilowatts but not 500 kilowatts..... \$ 9.45
- (g) exceeding 500 kilowatts but not 1000 kilowatts..... \$13.50
- (h) exceeding 1000 kilowatts..... \$20.30

Projection Heaters

16. For the inspection of the installation of each projection heater the fee prescribed for the inspection of the installation of a motor of like capacity in item 20.

Unit-Heaters

17.(1) For the inspection of the installation of each unit-heater not exceeding 4..... \$.70

(2) For the inspection of the installation of more than 4 unit-heaters, where all unit-heaters inspected are installed by the same contractor on the same premises and can be inspected at the same time, \$2.80 for the first 4 unit-heaters and 35 cents for each additional unit-heater.

ISOLATED POWER-PLANTS

18. For inspecting the connection of the generators of isolated power-plants at farms, summer cottages and similar places to the wiring installations supplied by the generator, a fee equal to the total of the applicable fees described by sub-item 4 of item 9, items 13, 22 and 31 and the necessary travelling expenses of the inspector.

MISCELLANEOUS INSPECTIONS

MOTORS

Voltage up to 750

20.(1) For the inspection of the installation of each motor of less than 750 volts, a fee based on horse-power as follows:

Horse-power

Fee

- (a) fractional horse-power up to and including 1/3 horse-power
 - (i) where one motor only is inspected \$ 1.35
 - (ii) where more than one motor is installed by one contractor on the same premises and can be inspected at the same time, for each additional motor..... \$.70
- (b) exceeding 1/3 horse-power but not exceeding 5 horse-power..... \$ 1.35
- (c) exceeding 5 horse-power but not exceeding 10 horse-power..... \$ 2.05
- (d) exceeding 10 horse-power but not exceeding 50 horse-power..... \$ 2.70
- (e) exceeding 50 horse-power but not exceeding 100 horse-power..... \$ 4.05
- (f) exceeding 100 horse-power..... \$ 6.75

Voltage over 750

(2) For the inspection of the installation of each electric motor of more than 750 volts, a fee based on horse-power as follows:

Horse-power	Fee
(a) 50 horse-power or less.....	\$13.50
(b) exceeding 50 horse-power but not 100 horse-power.....	\$16.20
(c) exceeding 100 horse-power.....	\$20.30

(3) Where the wiring for a motor of any voltage has been installed by one contractor and the motor has been installed by another contractor, one-half of the indicated inspection fee, payable by each contractor, with a minimum fee to each contractor of \$1.30.

OIL-BURNERS, MECHANICAL-DRAUGHT COAL-BURNERS, ETC.—DOMESTIC

21.(1) For the inspection of each installation of a domestic oil-burner, mechanical-draught coal-burner or similar heating-apparatus..... \$ 1.35

(2) For the inspection of each installation of a domestic oil-burner, mechanical-draught coal-burner or similar heating-apparatus when combined with an air-conditioner or a circulating pump in one unit..... \$ 1.35

(3) For the inspection of each installation of a domestic oil-burner, mechanical-draught coal-burner or similar heating-apparatus when combined with an air-conditioner or a circulating pump in two separate units..... \$ 1.70

OUTLETS

22.(1) For the inspection of the wiring of electrical outlets, including permit fee,

Medical Examinations of Expectant Mothers.
New and Revoking Regulations 333 of Consolidated Regulations of Ontario 1950, and O. Reg. 291/51.
Approved—22nd December, 1955.
Filed—30th December, 1955.

REGULATIONS MADE BY THE MINISTER UNDER THE PUBLIC HEALTH ACT

MEDICAL EXAMINATION OF EXPECTANT MOTHERS

1. Every expectant mother may obtain a free examination upon making application in form 1 to a medical practitioner or to a hospital under regulation 3.

2.(1) Where a medical practitioner makes an examination under regulation 1, he shall make a complete physical examination of the expectant mother and perform the tests prescribed by sub-regulation 2.

(2) The tests to be performed shall be

- (a) haemoglobin estimation,
- (b) urinalysis, and
- (c) blood serological examination.

(3) The medical practitioner shall, within 14 days of the examination, forward to the Minister a report in form 2.

3. Where an expectant mother makes an application in form 1 to a hospital classified as a Group A, B, C or D hospital under The Public Hospitals Act and the regulations for an examination, and that hospital causes the medical staff of the hospital to comply with regulation 2, the hospital may make application for payment, in form 3, under subregulation 2 of regulation 4.

4.(1) Subject to subregulation 2, the Minister shall pay to a medical practitioner who has made the examination and forwarded his report in form 2 to the Minister, a fee of \$5.

(2) Where a hospital makes application under regulation 3, the Minister shall pay the hospital a fee of \$5.

(3) No fee shall be paid under these regulations for a further examination in respect of the same pregnancy.

REVOCATION

5. Regulations 333 of Consolidated Regulations of Ontario 1950, and Ontario Regulations 291/51, are revoked.

COMMENCEMENT

6. These regulations come into force on the 1st of January, 1956.

THE PUBLIC HEALTH ACT

O. Reg. 243/55.

Grants for New-born Infant accommodation and Nursing Service.

New.

Approved—22nd December, 1955.

Filed—30th December, 1955.

REGULATIONS MADE BY THE MINISTER UNDER THE PUBLIC HEALTH ACT

1. In these regulations

(a) "hospital" means a hospital approved under The Public Hospitals Act;

(b) "new-born infant" means an infant born in a hospital

(i) who has not been removed therefrom, or

(ii) who has been transferred therefrom to the nursery of another hospital;

(c) "new-born infant accommodation grant" means a grant to a hospital toward the cost of a project;

(d) "nursery" means accommodation in a hospital for new-born infants;

(e) "nursing service" means nursing service in the nursery;

(f) "nursing service grant" means a grant to a hospital toward the cost of improvement of nursing service;

(g) "project" means a project undertaken by a hospital for the improvement of

(i) the nursery, or

(ii) accommodation for use in the preparation of food for new-born infants;

by alteration or renovation, or both;

(h) "standard nursing service" means one unit of nursing service for each 100 new-born infants; and

(i) "unit of nursing service" means nursing service for 2,600 hours.

2. The Minister may pay

(a) a new-born infant accommodation grant, or

(b) a nursing service grant,

or both, to a hospital in accordance with these regulations.

3. The application for a new-born infant accommodation grant shall be in Form 1 and shall be accompanied by a sketch plan of the project.

4. A new-born infant accommodation grant shall not exceed

(a) \$3,000, or

(b) 50 per cent of the actual cost of the project,

whichever amount is the lesser.

5. No new-born infant accommodation grant shall be paid to any hospital until that hospital has submitted a certificate of the completion of the project in Form 2.

6. The application for a nursing service grant shall be made each year in Form 3.

7. The amount of the nursing service grant shall be

(a) in the case of a hospital where the nursing service is less than the standard nursing service, \$500 a year for a period of 2 years toward the cost of each unit of nursing service added by the hospital toward bringing the nursing service in the hospital up to the standard nursing service; and

(b) in the case of a hospital where the nursing service is equal to or greater than the standard nursing service

(i) \$500 a year toward the total cost of the nursing service, and

(ii) \$500 for each 1,000 new-born infants during the year for which the grant is payable.

8. The total grant to a hospital referred to in clause b of regulation 7 shall not exceed \$2,000 in any year.

9.(1) The grant under clause a of regulation 7 in the year 1956 shall be computed on the basis of the units of nursing service supplied by a hospital in the years 1955 and 1956 and shall be paid in January, 1957.

(2) The grant under clause *a* of regulation 7 in the years subsequent to 1956 shall be computed on the basis of nursing service supplied by a hospital in the year for which application is made for the grant and the year preceding that year.

(3) The grant under clause *b* of regulation 7 for the year 1956 shall be computed on the basis of

(a) nursing service supplied by a hospital, and

(b) number of new-born infants

in the year 1956.

(4) The grant under clause *b* of regulation 7 in the years subsequent to 1956 shall be computed on the basis of

(a) nursing service supplied by a hospital, and

(b) number of new-born infants

in the year for which application is made.

THE DEPARTMENT OF EDUCATION ACT, 1954

O. Reg. 2/56.
General Legislative Grants.
New and Revoking O. Regs. 30/53, 34/54,
46/54, 135/54 and 50/55.
Made—12th December, 1955.

REGULATIONS MADE BY THE MINISTER UNDER THE DEPARTMENT OF EDUCATION ACT, 1954

GENERAL LEGISLATIVE GRANTS

INTERPRETATION

1. In these regulations

- (a) "equalized assessment" has the same meaning as in *The Secondary Schools and Boards of Education Act, 1954*;
- (b) "instructional salaries" means the total amount paid to or on behalf of teachers for day-school services in respect of
 - (i) their salaries, and
 - (ii) travelling allowances for itinerant teachers
 and includes the amount of superannuation withheld by a board under *The Teachers' Superannuation Act*;
- (c) "municipality" means city, town, village, or township;
- (d) "public institution" means an institution operated by Canada, Ontario, a county, or a municipality, and having real property not taxable under *The Assessment Act*;
- (e) "rural municipality" means an organized township;
- (f) "teacher" means a person employed by a board who, under a certificate or letter of standing from the Minister, is engaged in inspecting, supervision, or teaching in a school under the jurisdiction of the board;
- (g) "urban municipality" means city, town, or village; and
- (h) "year" means the period from and including the 1st of January to and including the 31st of December next following.

2. "Approved cost" shall be subject to the approval of the Minister.

APPORTIONMENT

3. The general legislative grants for public schools, separate schools, continuation schools, high schools, and vocational schools shall be

- (a) apportioned and distributed to boards in accordance with these regulations, and
- (b) applied to such school purposes as the board receiving a grant deems expedient.

CONTINGENCIES OF GRANTS

4. Where a board does not comply with the Acts administered by the Minister or the regulations thereunder, the Minister may withhold the whole or any part of a grant payable to the board.

5. Where in any year the amount voted by the Legislature for the grants under these regulations is insufficient or more than sufficient to pay the grants in full, the Minister may make a *pro-rata* reduction or increase, as the case may be.

PART I

PUBLIC AND SEPARATE SCHOOLS

APPLICATION

6. This part applies to general legislative grants in respect to public and separate schools.

INTERPRETATION

7. (1) In regulations 10 and 13 "approved cost" means

- (a) the portion, approved by the Minister for grant purposes, of the payments, or amounts set aside for payment, by a board or on its behalf in respect of principal, interest, and other charges due in the current year, on debentures issued and capital loans obtained on or after the 1st of January, 1951,
- (b) the portion of the cost, approved by the Minister for grant purposes, in respect of disbursements made from current funds by a board or on its behalf during the preceding year, except as set forth under regulation 13, in respect of
 - (i) principal, interest, and other charges due in that year on debentures issued and capital loans obtained before the 1st of January, 1951,
 - (ii) transportation of pupils to and from school where their parents or guardians do not contribute directly to the cost of the transportation,
 - (iii) structural alterations, new foundations, new basements, new stairways, new roofs, new floors, fire-escapes, fire-doors, new heating-equipment, new lighting, new sanitary-conveniences of a modern type, new water-facilities, new fences, new black-boards, new desks, new pianos, and new film-projectors, except where the school under the jurisdiction of the board is in an urban municipality having a population of 2,500 or more or is in a rural municipality having a population of 25,000 or more, and
 - (iv) new schools, additions to schools, new class-rooms, and new buses for the transportation of pupils, and
- (c) the total disbursements made from current funds by a board during the preceding year, except as set forth under regulation 13, in respect of
 - (i) instructional salaries not exceeding \$75 for each pupil of average daily attendance as determined under regulations 8 and 9,

- (ii) tuition fees paid to another board,
- (iii) fuel and electricity where the board qualifies for a grant under subregulation 2 of regulation 10 and the assessment per class-room unit is less than \$20,000,
- (iv) restoration of insured school-property destroyed or damaged, but not exceeding an amount equal to the insurance proceeds received in respect thereof, and
- (v) the portion of the fees paid to a member association of the Ontario School Trustees' Council, which is remitted by the member association to the Ontario School Trustees' Council,

less current-fund receipts as follows:

- (d) tuition fees from another board,
- (e) amounts transferred to current funds from capital funds,
- (f) insurance proceeds,
- (g) receipts from the sale of school buildings and equipment, and
- (h) refunds and reimbursements connected with disbursements previously included in approved cost.

(2) In this Part

(a) "assessment" means

- (i) the assessment of property rateable for public-school purposes in the public-school section or for separate-school purposes in the area prescribed under section 57 of *The Separate Schools Act*, as the case may be, as shown by the assessment roll on which taxes were levied for the preceding year, or where that public-school section or separate-school area is in a municipality which forms part of a county for municipal purposes, the amount at which that assessment was equalized by the county; and
- (ii) where moneys are received by the board under section 33 of *The Assessment Act* or clause b of regulation 4 of Ontario Regulations 197/52, the assessment as set forth in sub-clause i together with an amount equivalent to that which, if levied upon at the rate of real-property taxation on the rate-payers of the school section or separate-school organization for school purposes, would result in taxes equal to the moneys so received by the board,

but where the assessment under sub-clause i, to be used for a municipality in the calculation of the grant under these regulations, is more than 120 per cent of the assessment under sub-clause i used for that municipality in the preceding year, the assessment of that municipality under sub-clause i means 120 per cent of the latter assessment;

(b) "class-room unit" means

- (i) for the board of a larger unit of administration, the number of open class-rooms on the first school-day of the current year, together with one-half of a class-room for each of the former school-sections or separate-school areas in which the board is not operating a school and which are included in the larger unit,

- (ii) for a board all of whose pupils are attending a school operated by another board, the quotient, adjusted to the next largest whole number, obtained by dividing the number of those pupils enrolled on the first school-day of the current year by 39,

- (iii) for a board operating a school and having more than 20 pupils enrolled on the first school-day in the current year at a school operated by another board, the number of open class-rooms on the first school-day of the current year added to the quotient, adjusted to the next largest whole number, obtained by dividing the number of those pupils by 39, and

- (iv) for other boards, the number of open class-rooms on the first school-day of the current year;

(c) "cost of operating" means

- (i) the total of the disbursements for the normal operation of the board for school purposes, exclusive of payments in respect of principal, interest, and other charges on debentures issued and capital loans obtained on or after the 1st of January, 1951, paid out of current funds by a board or on its behalf during the preceding year, and
- (ii) payments by a board or on its behalf in respect of principal, interest, and other charges due in the current year on debentures issued and capital loans obtained on or after the 1st of January, 1951;

- (d) "larger unit of administration" means a consolidated-school section, a township school area, an area under a township board, an improvement district, or a union of separate-school areas;

- (e) "open class-room" means a class-room used throughout each school-day by pupils in the charge of a teacher; and

- (f) "population" means the population of the municipality as shown on the assessment roll on which taxes for the preceding year were levied, less the number of inmates of public institutions.

AVERAGE DAILY ATTENDANCE

8.(1) Subject to subregulation 2, the average daily attendance shall, for the purpose of sub-clause i of clause c of subregulation 1 of regulation 7, be the average daily attendance for the preceding year.

(2) The average daily attendance shall be not less than the figure computed by multiplying the number of open class-rooms by 30, but the number of open class-rooms for this purpose shall be

- (a) the number of open class-rooms as set forth under clauses a and b of subregulation 3, or
- (b) the number of open class-rooms actually in operation on the first school-day of the current year,

whichever is the lesser.

(3) The number of open class-rooms shall not exceed

- (a) where the average daily attendance for a board in an urban municipality or in a rural school is fewer than 300, the number obtained by

dividing the average daily attendance by 33 and allowing an additional room for any remaining fraction, or

- (b) where the average daily attendance for a board in an urban municipality or in a rural school is 300 or more, the number obtained by dividing the average daily attendance by 30 and making no allowance for any remaining fraction.

9.(1) Where a board operates one or more auxiliary classes or units, the average daily attendance, as determined under regulation 8, shall be increased by adding thereto

- (a) 20 for each braille class for the blind, hard-of-hearing class, home-instruction class, hospital class, oral class for the deaf, orthopaedic class for physically disabled, and sight-saving class,
 (b) 8 for each handicraft class, opportunity class, speech-correction and lip-reading class, and partial class of 4 or more handicapped pupils,
 (c) 2 for each advancement class, discipline class, institutional class, open-air class, and partial class of 2 or 3 handicapped pupils,
 (d) 2 for each home-instruction and orthopaedic unit, and
 (e) $\frac{1}{2}$ for each opportunity, sight-saving, and speech-correction unit,

but the increase in average daily attendance under clause d or e shall not exceed 30.

(2) Where a board operates one or more industrial-arts or home-economics class-rooms, the average daily attendance, as determined under regulation 8, shall be increased for each of those class-rooms by the number set forth in Column 2 in accordance with the average daily attendance in the preceding year set opposite thereto in Column 1 as follows:

COLUMN 1	COLUMN 2
Average Daily Attendance of School	Number to be added
Under 50	1
50 but under 100	2
100 but under 200	3
200 but under 300	4
300 or more	5

(3) Where the pupils of 2 or more schools operated by a board receive instruction in industrial arts or home economics in one school operated by that board, the average daily attendance of those schools shall be added together for the purposes of subregulation 2.

(4) Where a class-room or unit was in operation for only one term in the preceding year, the average daily attendance shall be increased by one-half of the number calculated under subregulations 1 and 2, respectively.

AMOUNTS OF GRANTS

10.(1) Subject to regulations 11, 12, 13, 15, 16 and 41, the board of a public or separate school in a city, or in a town or village having a population of 6,000 or more, and the board of a public or separate school having an assessment per class-room unit of \$35,000 or more in a town or village having a population of 2,500 or more but under 6,000, shall be paid a grant of

- (a) \$16 for each pupil of average daily attendance during the preceding year as determined under subregulation 1 of regulation 8 and under regulation 9, and
 (b) an amount calculated by taking a percentage of the approved cost at the rate set forth in Column 2 in accordance with the population set opposite thereto in Column 1 as follows:

COLUMN 1	COLUMN 2
Population	Percentage
200,000 or more	16
100,000 to 199,999	17
50,000 to 99,999	20
40,000 to 49,999	21
30,000 to 39,999	22
20,000 to 29,999	23
10,000 to 19,999	24
9,000 to 9,999	25
8,000 to 8,999	26
7,000 to 7,999	27
6,000 to 6,999	28
5,000 to 5,999	30
4,500 to 4,999	32
4,000 to 4,499	35
3,500 to 3,999	38
3,000 to 3,499	41
2,500 to 2,999	44

(2) Subject to regulations 8, 11, 12, 13, 16, and 41, the board of a larger unit of administration, and all other boards not qualifying for a grant under subregulation 1 or under regulation 15 shall be paid a grant of

- (a) \$16 for each pupil of average daily attendance during the preceding year as determined under subregulation 1 of regulation 8 and under regulation 9, and
 (b) an amount calculated by taking a percentage of the approved cost at the rate set forth in Column 2 in accordance with the assessment per class-room unit set opposite thereto in Column 1, as follows:

COLUMN 1	COLUMN 2
Assessment per class-room unit	Percentage
\$125,000 or more	40
\$120,000 or more but under \$125,000	42
\$115,000 or more but under \$120,000	44
\$110,000 or more but under \$115,000	46
\$105,000 or more but under \$110,000	48
\$100,000 or more but under \$105,000	50
\$ 95,000 or more but under \$100,000	52
\$ 90,000 or more but under \$ 95,000	54
\$ 85,000 or more but under \$ 90,000	56
\$ 80,000 or more but under \$ 85,000	58
\$ 75,000 or more but under \$ 80,000	60
\$ 70,000 or more but under \$ 75,000	62
\$ 65,000 or more but under \$ 70,000	64
\$ 60,000 or more but under \$ 65,000	66
\$ 55,000 or more but under \$ 60,000	68
\$ 50,000 or more but under \$ 55,000	70
\$ 45,000 or more but under \$ 50,000	72
\$ 40,000 or more but under \$ 45,000	74
\$ 35,000 or more but under \$ 40,000	79
\$ 30,000 or more but under \$ 35,000	84
\$ 25,000 or more but under \$ 30,000	89
under \$25,000	92

(3) In addition to the grant under subregulation 2, a grant of \$300 shall be paid

- (a) to each board in the year it enters a larger unit of administration, and
- (b) to the board of a larger unit of administration, that consists of at least 2 former school-sections or 2 former separate-school areas, for each former school-section or former separate-school area included in the larger unit of administration before the current year.

(4) In addition to the grants under subregulations 1 and 2, the board of a public or separate school shall be paid an additional grant of \$3 per pupil in respect of the increased average daily attendance under subregulation 1 of regulation 9.

(5) Where a school-section or separate-school area is withdrawn from a larger unit of administration during the current year, the grant under subregulation 3 shall not be paid in respect of that section or area.

(6) Where there is no assessment for school purposes, the assessment per class-room unit shall be deemed to be \$125,000.

TRANSFER OF SECTIONS AND AREAS

11.(1) Where the whole of a public-school section, or a separate-school area, is transferred from one board to another, the grant for the former board for the year following the transfer shall be calculated as though there had been no transfer and be paid to the latter board.

(2) Where part of a public-school section or of a larger unit of administration is transferred from one board to another, the grant for the year following the transfer shall be calculated as though there had been no transfer, and

- (a) in the case of public schools, subject to the provisions of sections 17, 29, and 39 of *The Public Schools Act*, or
- (b) in the case of separate schools, subject to an agreement between the boards,

shall be paid to each board in the proportion that the number of pupils residing in the remaining part and residing in the part transferred, respectively, bears to the number of pupils on the last school-day of September in the year preceding the transfer residing in the area being divided.

SPECIAL SECTIONS AND AREAS

12.(1) Where the board of a school section or separate-school area is supported only by the assessment in whole or in part of 2 or more urban municipalities each having a population of 2,500 or more,

- (a) the average daily attendance of pupils and the approved cost, excluding transportation, shall be divided among the municipalities in the same proportion as the enrolments of resident pupils on the last school-day of September was divided; and
- (b) the approved cost of transportation of the pupils resident in each municipality shall be added to the approved cost apportioned to that municipality;

and the grants under this Part shall then be calculated as if a board operating a school existed for each municipality, and the total thereof paid to the board.

(2) Where the board of a school section or separate-school area is supported by the assessment, in whole or in part, of one or more urban municipalities each

having a population of 2,500 or more, and the assessment, in whole or in part, of one or more rural municipalities, or of one or more urban municipalities each having a population of less than 2,500, or of one or more rural municipalities and of one or more urban municipalities each having a population of less than 2,500,

- (a) the average daily attendance of pupils and the approved cost, excluding transportation, shall be divided among the urban municipalities each having a population of 2,500 or more and the remainder of the section or area, as the case may be, in the same proportion as the enrolments of resident pupils on the last school-day of September was divided; and
- (b) the approved cost of transportation of pupils resident in each urban municipality having a population of 2,500 or more shall be added to the approved cost apportioned to that municipality, and the approved cost of transportation of the pupils resident in the remainder of the section or area shall be added to the approved cost apportioned to the remainder of the section or area, as the case may be;

and the grants under this Part shall then be calculated as if a board operating a school existed for each of the urban municipalities having a population of 2,500 or more, and a board operating a school existed for the remainder of the section or area, as the case may be, and the total thereof paid to the board.

NEW BOARDS AND BOARDS COMMENCING OPERATION OF A SCHOOL

13.(1) In the year in which a new board is established, other than a board assuming jurisdiction for school purposes of an area previously administered by another board, the average daily attendance and approved cost shall be for the current year, and shall be used for the purposes of this Part until the year following that in which the board has operated a school for a year.

(2) In the year in which a board commences operation of a school, and the board or any former board incorporated therein has not previously operated a school, the average daily attendance and approved cost shall be for the current year, and shall be used for the purposes of this Part until the year following that in which the board has operated the school for a year.

(3) A disbursement included in approved cost under subregulations 1 and 2 for

- (a) capital charges,
- (b) capital outlays from current funds,
- (c) tuition fees paid to another board, or
- (d) transportation,

shall not be included in approved cost for more than one year.

MILK

14. The board of a public or separate school shall be paid a grant equal to 50 per cent of the amount expended in the preceding year for the purchase of milk for consumption by its pupils on school days between 8.45 a.m. and 4.00 p.m., and supplied to them free of charge, less that portion of any amount contributed for the purchase of milk from any source which is in excess of 50 per cent of the amount so expended.

BOARDS APPOINTED UNDER SECTION 66 OF *The Public Schools Act*

15.(1) Where a rural school-section is designated and a board appointed under subsection 1 of section 66 of *The Public Schools Act*, "approved cost" means the

total amount of money paid out of current revenue during the preceding year for the operation of the school or schools under the jurisdiction of the board, inclusive of tuition fees paid to any other board but exclusive of capital expenditures and expenditures for text-books, books of reference, milk, and rent, and less tuition fees received from any other board.

(2) The board so appointed shall be paid a grant of 50 per cent of the approved cost as defined in sub-regulation 1, but where the board operates a school in a sanatorium, a hospital, or a centre for the treatment of cerebral palsy established under section 66 of *The Public Schools Act*, the grant shall be 80 per cent of the instructional salaries, 50 per cent of the tuition fees, and 50 per cent of the approved cost for transportation as defined in sub-clause ii of clause b of subregulation 1 of regulation 7, of pupils going to other schools, as paid in each case in the preceding year.

(3) Notwithstanding subregulations 1 and 2, where Canada pays Ontario for the training of disabled or handicapped persons, a portion of the disbursements therefor made by Ontario to a board so appointed, no grant shall be paid under these regulations.

LIMITATION OF GRANTS

16.(1) Except in the case of the board of a larger unit of administration, the grants under this Part shall not exceed the amount by which the cost of operating exceeds the township grant payable under section 91 or 115 of *The Public Schools Act*.

(2) The total of the grants to a board under this Part and under Parts 4, 5, 6, and 7 shall not exceed in any year

- (a) 90 per cent of the cost of operating where the assessment per class-room unit is \$20,000 or more, or
- (b) 95 per cent of the cost of operating where the assessment per class-room unit is less than \$20,000.

PART 2

HIGH SCHOOLS, CONTINUATION SCHOOLS AND VOCATIONAL SCHOOLS

APPLICATION

17. This Part applies to general legislative grants in respect of high schools, continuation schools, and vocational schools.

INTERPRETATION

18.(1) In this Part "approved cost" means for high schools and continuation schools, but subject to subregulation 4,

- (a) the portion, approved by the Minister for grant purposes, of the payments, or amounts set aside for payment by the board or on its behalf in respect of principal, interest, and other charges due in the current year on debentures issued and capital loans obtained on or after the 1st of January, 1945, for new buildings, additions to buildings, or for equipment,
- (b) the portion of the cost, approved by the Minister for grant purposes, in respect of disbursements made from current funds by a board or on its behalf during the preceding year, except as set forth under regulations 27 and 28, in respect of
 - (i) transportation of pupils to and from school where their parents or guardians do not contribute directly to the cost of the transportation,

- (ii) capital outlays for new buildings, additions to buildings, and for equipment for new class-rooms,

- (iii) capital outlays for school buses,

- (iv) capital outlays from current funds, in schools already in operation where the population per municipality is under 3,000, for new heating-equipment, new lighting, and new sanitary-conveniences of a modern type, and

(c) the total disbursements made from current funds by a board or on its behalf during the preceding year except as set forth under regulations 27 and 28, in respect of

- (i) principal, interest, and other charges due in that year on debentures issued and capital loans obtained before the 1st of January, 1945,

- (ii) tuition fees paid to another board for pupils attending a high, continuation, or vocational school operated by that board and, where subregulation 1 of regulation 26 is applicable, tuition fees with respect to the year preceding the transfer which are owed to the board of any former district transferred to a new district by any other board transferred to that district,

- (iii) the portion of the fees paid to a member association of the Ontario School Trustees' Council, which is remitted by the member association to the Ontario School Trustees' Council,

- (iv) capital outlays from current funds exclusive of capital outlays in respect of text-books, school sites, and improvement of present sites, and in the case of schools already in operation exclusive of items under sub-clauses ii, iii, and iv of clause b, but not exceeding an amount computed by multiplying \$5 by the average daily attendance, and

- (v) restoration of insured school-property destroyed or damaged, but not exceeding an amount equal to the insurance proceeds received in respect thereof,

less current-fund receipts as follows:

- (d) amounts transferred to current funds from capital funds,

- (e) insurance proceeds,

- (f) proceeds from the sale of school buildings and equipment, and

- (g) refunds and reimbursements connected with disbursements previously included in approved cost.

(2) In this Part "approved cost" means for vocational schools, but subject to subregulation 4, the portion of the disbursements approved by the Minister made

- (a) on behalf of a board in respect of principal, interest, and other charges due in the current year on debentures other than those issued in respect of buildings, additions to buildings or equipment upon which the grant provided by subregulation 3 of regulation 23 has already been paid, and

- (b) by a board from its current funds in the preceding year, in respect of capital outlays

for new buildings or additions to buildings, or for equipment for class-rooms,

less current-fund receipts as follows:

- (c) amounts transferred to current funds from capital funds,
- (d) insurance proceeds,
- (e) proceeds from the sale of school buildings and equipment, and
- (f) refunds and reimbursements connected with disbursements previously included in approved cost.

(3) In this Part

- (a) "assessment" means
 - (i) the assessment of all property rateable for school purposes in each municipality within or partly within the high- or continuation-school district, whether or not only part of the municipality is included in the district, as shown by the assessment roll on which taxes were levied for the preceding year, or where that high- or continuation-school district is in a municipality which forms part of a county for municipal purposes, the amount at which that assessment was equalized by the county; and
 - (ii) where moneys are received by the board under section 33 of *The Assessment Act* or clause b of regulation 4 of Ontario Regulations 197/52, the assessment as set forth in sub-clause i together with an amount equivalent to that which, if levied upon at the rate of real-property taxation on the rate-payers of the high- or continuation-school district for school purposes, would result in taxes equal to the moneys so received by the board,

but where the assessment under sub-clause i, to be used for a municipality in the calculation of the grant under these regulations, is more than 120 per cent of the assessment under sub-clause i used for that municipality in the preceding year, the assessment of that municipality under sub-clause i means 120 per cent of the latter assessment;

- (b) "assessment per capita" means the quotient obtained by dividing the number representing the assessment by the number representing the population, but where there is no assessment for school purposes, the assessment per capita means an assessment per capita of \$1150;
- (c) "population" means the total population of each municipality within or partly within the high- or continuation-school district, whether or not only part of the municipality is included in the district, as shown by the assessment rolls on which taxes for the preceding year were levied, less the number of inmates of public institutions; and
- (d) "population per municipality" means the quotient obtained by dividing the total population of municipalities in whole or in part in the high- or continuation-school district by the number of those municipalities, but where no population is available, the population per municipality means fifty times the average daily attendance.

(4) Except where grants are payable under sub-regulation 2 of regulation 23, debenture charges and capital outlays from current funds shall form part of the approved cost only in the proportion that the average daily attendance of all pupils other than pupils from other high- or continuation-school districts attending the schools under the jurisdiction of a board, bears to the total average daily attendance in those schools.

AVERAGE DAILY ATTENDANCE

19.(1) Subject to subregulation 2, "average daily attendance" for the purposes of the grant to a board under subregulation 1 of regulation 25 means average daily attendance of pupils for the preceding year but does not include pupils from another high- or continuation-school district.

(2) For the purposes of subregulation 1 the average daily attendance of a high or continuation school shall be not less than the figure computed by subtracting the average daily attendance of pupils attending the school from other high- or continuation-school districts from 20, or in the case of a school on an island or in a territorial district, from 40.

20.(1) Where the board operates one or more departments of agriculture, the average daily attendance, as provided in regulation 19, shall be increased for each department by the number set forth in Column 2 in accordance with the average daily attendance in the preceding year set opposite thereto in Column 1 as follows:

COLUMN 1	COLUMN 2
Average Daily Attendance of School	Number to be added
Under 100	10
100 but under 200	15
200 but under 300	20
300 or more	25

(2) Where the board operates one or more industrial-arts or home-economics class-rooms, the average daily attendance, as provided in regulation 19, shall be increased for each of those class-rooms by the number set forth in Column 2 in accordance with the average daily attendance in the preceding year set opposite thereto in Column 1 as follows:

COLUMN 1	COLUMN 2
Average Daily Attendance of School	Number to be added
Under 50	1
50 but under 100	2
100 but under 200	3
200 but under 300	4
300 or more	5

(3) Where the pupils of 2 or more schools operated by a board receive instruction in industrial arts or home economics in one school operated by that board, the average daily attendance of those schools shall be added together for the purpose of subregulation 2.

(4) Where the board operates one or more home-instruction units, the average daily attendance, as provided in regulation 19, shall be increased for each of those units by 2.

(5) Where a department, class-room, or unit was in operation for only one term in the preceding year, the average daily attendance shall be increased by one-half of the number calculated under subregulations 1, 2, and 4, respectively.

AMOUNT OF GRANTS

21. The board of a continuation school shall be paid a grant of

- (a) 75 per cent of the approved cost where the school is in a territorial district or on an island, or
- (b) 50 per cent of the approved cost where the school is situated elsewhere.

22. Subject to regulations 26, 27, 28, 29, and 41, the board of a high-school district which operates a school shall be paid a grant of a percentage of the approved cost as set forth in Column 2, 3, or 5, as the case may be, in accordance with the population per municipality set opposite thereto in Column 1, and the board of a high-school district which does not operate a school shall be paid a grant of a percentage of the approved cost as set forth in Column 4, in accordance with the population per municipality set opposite thereto in Column 1 as follows:

23.(1) Subject to subregulations 2, 3, and 4, and to regulations 27 and 28, the board of a vocational school shall be paid a grant of a percentage of the approved cost in accordance with regulation 22.

(2) Where an existing agreement was entered into before the 1st of July, 1944, between a board and the Minister with respect to the payment of grants on debenture instalments, or disbursements for buildings and equipment, the percentage set forth in the agreement shall apply.

(3) Where Canada pays Ontario a portion of the disbursements for a vocational school, the percentage applicable to the board of the vocational school shall be 50 in respect of those disbursements.

(4) Subject to subregulation 4 of regulation 18, where there are capital outlays from current funds exclusive of capital outlays in respect of text-books and items under clauses *a* and *b* of subregulation 2 of regulation 18, the board of the vocational school shall be paid a grant of 50 per cent of

- (a) the amount so expended, or
- (b) the amount computed by multiplying \$10 by the average daily attendance of the pupils in the vocational school or schools,

whichever is the lesser.

24. In addition to the grant under regulation 22 the board of a high school that operates a school within a high-school district during the current year shall be paid

- (a) a grant of \$100 for each rural school-section that is completely within the high-school district, and
- (b) where there is a township school-area in the high-school district, a grant of \$100 for each former rural school-section that is completely within the high-school district.

25.(1) In addition to the grants under regulations 21, 22, 23, and 24 and subject to subregulations 2, 3, and 4, and to regulations 26, 27, 28, and 29, the board of a high, continuation, or vocational school shall, for each pupil in average daily attendance during the preceding year, be paid a grant as set forth in Column 2, 3, 4, 5, 6, 7, or 8, as the case may be, in accordance with the assessment per capita set opposite thereto in Column 1 as follows:

(2) Where the average daily attendance of all pupils in a continuation school or in a high school or in the high schools under the jurisdiction of a board is under 400, the amounts set forth in Columns 2 to 7, both inclusive, of subregulation 1 shall be increased by \$10 for each of the first 200 resident pupils.

(3) Where the average daily attendance of all pupils in a vocational school is under 500, the amount set forth in Column 8 of subregulation 1 shall be increased by \$20 for each of the first 200 resident pupils.

(4) The grant under subregulations 1, 2, and 3 shall not exceed an amount equal to 120 per cent of the instructional salaries paid in the preceding year.

TRANSFER OF DISTRICTS

26.(1) Where the whole of a high- or continuation-school district is transferred from one board to another, the grant for the former board for the year of the transfer shall be calculated as though there had been no transfer and be paid to the latter board.

(2) Where part of a high- or continuation-school district is transferred from one board to another, the grant for the former board for the year of the transfer shall

- be calculated as though there had been no transfer, and
- be paid to each board in the proportion that the number of pupils residing in the remaining part and residing in the part transferred, respectively, bears to the number of pupils on the last school-day of September in the year preceding the transfer residing in the area being divided.

SPECIAL HIGH-SCHOOL DISTRICTS

27.(1) Subject to regulation 26, where a high-school district includes a city and one or more townships, or a city and 16 or more school sections,

(a) the average daily attendance of pupils, excluding those from other high- or continuation-school districts, and the approved cost, excluding transportation, shall be divided between the city and the remainder of the district in the same proportion as the enrolment of resident pupils on the last school-day of September of the same year was divided; and

(b) the approved cost of transportation shall be added to the approved cost apportioned to the remainder of the district;

and the grants under this Part, excluding any increased grant under subregulation 2 or 3 of regulation 25, shall then be calculated as if a board operating a school existed for each of the 2 portions of the district and the total thereof paid to the board of the district.

(2) For the purpose of applying the provisions of subregulations 2 and 3 of regulation 25, the average daily attendance shall not be divided between the city and the remainder of the district as provided in clause a of subregulation 1, but the grant of \$10 for each of the first 200 resident pupils in a continuation school or high school or schools and \$20 for each of the first 200 resident pupils in a vocational school or schools shall be added to the grants calculated under subregulation 1 and be paid to the board of the district.

NEW BOARDS AND BOARDS COMMENCING OPERATION OF A SCHOOL

28.(1) In the year in which a new high- or continuation-school district is established which includes a municipality not previously in another secondary-school district, the average daily attendance and approved cost shall be for the current year, and shall be used for the purposes of this Part until the year following that in which the board of the former district has operated a school for a year.

(2) In the year in which the board of a high-school district commences operation of a school, and the board or any former board whose district was included in that district has not previously operated a school having an average daily attendance of 75 or more pupils, the average daily attendance and approved cost shall be for the current year, and shall be used for the purposes of this Part until the year following that in which the board has operated the school for a year.

(3) A disbursement included in approved cost under subregulations 1 and 2 for

- (a) capital charges,
- (b) capital outlays from current funds, or
- (c) tuition fees paid to another board,

shall not be included in approved cost for more than one year.

BOARDS APPOINTED UNDER SUBSECTION 4 OF SECTION 12 OF *The Secondary Schools and Boards of Education Act, 1954*

29.(1) Where a high-school district is designated and a board appointed under subsection 4 of section 12 of *The Secondary Schools and Boards of Education Act, 1954*, "approved cost" means the total amount of money paid out of current revenue during the preceding year for the operation of the school or schools under the jurisdiction of the board, inclusive of tuition fees paid to any other board but exclusive of capital expenditures and expenditures for text-books and rent, and less tuition fees received from any other board.

(2) The board so appointed shall be paid a grant of 50 per cent of the approved cost as defined in subregulation 1.

PART 3

NIGHT SCHOOLS

APPLICATION

30. This part applies to general legislative grants in respect of night schools.

AMOUNT OF GRANTS

31. Subject to regulation 34, the board of a public or separate school operating a night school shall be paid a grant on the salaries of the teaching staff of the night school paid in the preceding year at the percentage applicable under regulation 10.

32. Subject to regulation 34, the board of a continuation school operating a night school shall be paid a grant on the salaries of the teaching staff of the night school paid in the preceding year at the percentage applicable under regulation 21.

33.(1) Subject to subregulation 2 and to regulation 34, the board of a high school operating a night school shall be paid a grant on the salaries of the teaching staff of the night school paid in the preceding year at the percentage applicable under regulation 22.

(2) Subject to regulation 34, where the board also operates a vocational school, the percentage applicable shall be 50.

34.(1) Where a board provides in a night school operated by it instruction in English and Citizenship, or French and Citizenship, or both, for new-comers to Canada, the board shall be paid a grant of 90 per cent of the salaries of the teaching staff of the night school giving instruction in these subjects paid in the preceding year and the salaries of these teachers shall not be included in the salaries referred to in regulations 31, 32, and 33.

(2) In subregulation 1 "new-comer to Canada" means a person who

- (a) has been granted permanent admission into Canada under the *Immigration Act* (Canada), and
- (b) has not acquired Canadian citizenship under the *Canadian Citizenship Act*,

but does not include a person who is in regular attendance at school.

PART 4

GRANTS FOR TEXT-BOOKS AND LIBRARY BOOKS

APPLICATION

35. This Part applies to grants for text-books and library books bought by a board.

AMOUNT OF GRANTS

36. The board of a public or separate school shall be paid a grant equal to the amount expended in the preceding year for text-books approved under clause *zf* of subsection 1 of section 12 of the Act, not exceeding an amount computed by multiplying \$3 by the average daily attendance in grades I to X, both inclusive, during the preceding year.

37. The board of a public or separate school, except a board of an urban municipality with a population of 2,500 or more or of a rural municipality with a population of 25,000 or more, shall be paid a grant equal to the amount expended in the preceding year for library books recommended under clause *d* of subsection 2 of section 10 of the Act, not exceeding an amount computed by multiplying \$1 by the average daily attendance in grades I to X, both inclusive, during the preceding year.

38. The board of a high, continuation, or vocational school shall be paid a grant equal to the amount expended in the preceding year for text-books approved under clause *zf* of subsection 1 of section 12 of the Act, not exceeding an amount computed by multiplying \$3 by the average daily attendance of pupils in grades IX and X during the preceding year, but excluding from the computation those pupils attending from other high- or continuation-school districts.

PART 5

ANNEXATION GRANTS

INTERPRETATION

39. In this Part "annexation" includes "amalgamation".

APPLICATION

40. This Part applies to grants following annexation.

AMOUNT OF GRANTS

41.(1) Where the whole or part of a municipality is annexed to an urban municipality on or after the 1st of January, 1949, and at the date of annexation there are outstanding debentures for one or more school buildings in that municipality or part, as the case may be, the public, separate, or high-school board of the urban municipality shall, except in the year of annexation, be paid a grant on the debenture instalments to the extent that the payments on the debentures would have been eligible for a grant if the annexation had not taken place.

(2) The amount of the grant under subregulation 1 shall be calculated at the rate applicable to

(a) the board of the school section, separate school, or high-school district, in the annexed area for the year preceding annexation, or

(b) the board of the urban municipality for the year preceding annexation,

whichever rate is the greater.

42.(1) Where on or after the 1st of January, 1949, an urban municipality having a population in the year preceding annexation of 10,000 or more, annexes an area in which the combined average daily attendance of public-, separate-, and secondary-school pupils resident in that area exceeds 20 per cent of the combined average daily attendance of public-, separate-, and secondary-school pupils resident in the urban municipality, there shall be paid to each board of the urban municipality an annexation grant per pupil as set forth in subregulations 3, 4, and 5.

(2) In the first year following the annexation, the grants shall be calculated and paid as set forth in regulations 11 and 26.

(3) The annexation grant per pupil shall be the amount by which the grant per pupil paid under these regulations to the board or boards of the urban municipality in the year of annexation is exceeded by the grant per pupil paid in the same year in the annexed area, ascertained by dividing the grant paid in each case, exclusive of grants on debentures, on capital outlays from current funds, and for transportation, by the average daily attendance of resident pupils.

(4) In the second, third, fourth, and fifth years following the annexation, the annexation grant per pupil shall be paid on the excess of the average daily attendance of resident pupils of the board of the urban municipality subsequent to annexation over the average daily attendance of the resident pupils of the board of the urban municipality in the year preceding annexation.

(5) In the sixth year following the annexation, the annexation grant per pupil shall be reduced by 20 per cent, and in each year thereafter by an additional 20 per cent for each additional year.

PART 6

GRANTS FOR INSTRUCTION IN INDUSTRIAL ARTS OR HOME ECONOMICS TO NON-RESIDENT PUPILS

43. Where instruction in industrial arts or home economics was given in the preceding year to pupils admitted free from a school under the jurisdiction of another board, a grant of \$7.50 for each pupil so admitted shall be paid to the board giving the instruction for each term in which the pupil attended.

PART 7

GRANTS FOR INSTRUCTION IN INDUSTRIAL ARTS OR IN HOME ECONOMICS IN JOINTLY OPERATED CLASSROOMS

44.(1) Where prior to the 1st of January, 1954, the boards of 4 or more larger units of administration operated jointly a class-room for instruction in industrial arts or home economics, and the instruction is continued thereafter jointly by 2 or more of those boards, or by 2 or more of those boards and the board or boards of one or more school sections or union school sections or separate-school areas, a grant of \$7.50 shall be paid to each board which continues to operate the class-room for each of its pupils for each term in which the pupil attended during the preceding year.

(2) In subregulation 1 "larger unit of administration" has the same meaning as in clause *d* of subregulation 2 of regulation 7.

PART 8

REVOCATION OF REGULATIONS

45. The following are revoked:

- (a) Ontario Regulations 30/53,
- (b) Ontario Regulations 34/54,
- (c) Ontario Regulations 46/54,
- (d) Ontario Regulations 135/54, and
- (e) Ontario Regulations 50/55.

W. J. DUNLOP,
Minister of Education.

THE DEPARTMENT OF EDUCATION ACT, 1954

O. Reg. 3/56.
Grade XIII Departmental Examinations.
Amending O. Reg. 26/55.
Made—9th January, 1956.
Approved—12th January, 1956.
Filed—16th January, 1956.

REGULATIONS MADE BY THE MINISTER UNDER THE DEPARTMENT OF EDUCATION ACT, 1954

1. In these regulations "principal regulations" means Ontario Regulations 26/55.

2. Subregulation 1 of regulation 8 of the principal regulations is revoked and the following substituted therefor:

- (1) One question paper shall be set in each of algebra, geometry, trigonometry and statics, history, physics, chemistry, botany, zoology, music, mathematics of investment, accountancy practice, secretarial practice, geography, and problems.

3. Subregulation 2 of regulation 26 of the principal regulations is revoked and the following substituted therefor:

- (2) The witnesses shall be assistant presiding officers or candidates.

4. Regulation 43 of the principal regulations is revoked and the following substituted therefor:

- 43. On the last day of the grade XIII examinations, the chief presiding officer shall forward to the Registrar

- (a) the fees received from late candidates, and
- (b) statements submitted by late candidates.

5. Regulation 61 of the principal regulations is amended by adding thereto the following subregulation:

- (5) A candidate shall not be permitted to use a stencil for the making of drawings or diagrams on any grade XIII examination.

6. Clause *c* of subregulation 2 of regulation 70 of the principal regulations is revoked and the following substituted therefor:

- (c) require standing in one or more grade XIII papers in order to obtain admission to the

One-year Course at an Ontario Teachers' College to which he made application for admission the September next following, or

7. Subregulation 1 of regulation 75 of the principal regulations is revoked and the following substituted therefor:

- (1) The Minister shall issue a statement in form 6 to a candidate setting out the marks obtained on each paper of the grade XIII examinations with the exception of problems.

8. Subregulation 2 of regulation 78 of the principal regulations is revoked and the following substituted therefor:

THE APPRENTICESHIP ACT

O. Reg. 4/56.

Designated Trade of Bricklayer.

New.

Approved—12th January, 1956.

Filed—17th January, 1956.

REGULATIONS MADE BY THE BOARD UNDER THE APPRENTICESHIP ACT

DESIGNATED TRADE OF BRICKLAYER

INTERPRETATION

1. In these regulations

- (a) "bricklayer" means a person

- (i) who, in the construction of walls, partitions, arches, fire-places, chimneys, smoke-stacks, and other erections, lays brick, terra-cotta, hollow tile, and other building materials, in horizontal rows or in designs or shapes, or

- (ii) who lays fire-brick in walls and arches in the construction of furnaces, or in lining furnaces and retorts, or in enclosing boilers, tanks, and heat-treating furnaces,

and who, with respect to the materials so laid,

- (iii) spreads mortar over them and embeds them in the mortar,

- (iv) checks with plumb-rule and level and ensures the vertical and horizontal alignment of the erections, and

- (v) finishes exposed mortar with a trowel,

but does not include a mason as defined in the regulations made under the Act in respect of the designated trade of mason or a person who lays concrete blocks only; and

- (b) "designated trade" means designated trade of bricklayer.

EDUCATIONAL CLASSES

2. The full-time educational day-classes to be attended by an apprentice in the designated trade shall be those provided at the Provincial Institute of Trades at Toronto for the courses of study contained in Schedule 1.

COURSE OF TRAINING

- 3.(1) The course of training to be provided by the employer for an apprentice in the designated trade shall be that outlined in Schedule 2.

- (2) The period of time in each year to be completed by an apprentice in the designated trade in learning his trade shall be at least 1280 hours.

PART 1

ITEM	COLUMN 1	COLUMN 2	COLUMN 3
	Subject-Matter	Instruction In	Skills For Apprentices
1	Tools	Safety precautions, and care when using tools. Using the proper tool. Classification of tools: (a) edge-tools, cutting-tools, (b) marking-, measuring- and lay-out tools, (c) assembly-tools, and (d) accessory-tools. Capabilities and limitations of tools. Methods of grinding and whetting tools. Saw-sharpening.	Angles to grind on edges for different tools.
2	Use of tools	(1) True up wood to size; face- and edge-marks. Use of plane-gauge, winding-batterns, square, rule, and pencil. (2) Squaring ends of wood; explanation of the cutting-action and the proper angle for cutting with a cross-cut saw. Use of try-square. (3) Use of rip-saw.	Use of face- and edge-marks. Type of plane to use. Proper angle at which to hold and use saws.
3	Joints; framing and making	Half-lap joint. Centre-lap joint. Half-lap dovetailed joint. Open dovetailed joint. Through-mortice joint and through-tenon joint. Blind-mortice joint and blind-tenon joint. Bare-face tenon joint. Mitre-joint. Dowel-joint. Where these joints are used in carpentry.	How to lay out joints. How to make these joints. How to make a tool-box.
4	Other joints	Square-edge joints. Dowel-joints. Rabbet- or ship-lap joint. Plough-and-feather joint. Where these joints are used in carpentry.	How to make these joints.
5	Wall construction	Lay-out and position of studs. Marking-out with steel-square.	
6	Cutting and erecting	Methods of cutting: (a) to correct length, and (b) squaring. Nailing, erection, and bracing.	How to make a cutting-box. Where to place nails. Method of raising. Placing studs on corners for lath.
7	Lumber	Classification. Growth. Defects. Sizes.	Kinds and sizes of lumber for different uses.
8	Steel-square	Explanation of various markings on a steel-square. How bevel-cuts are obtained by use of a steel-square. Use of steel-square to determine the length and bevel-cuts of rafters. Use of steel-square for marking mitres, obtaining brace-lengths, and squaring areas.	
9	Subjects related to carpentry	Blue-print reading. Mathematics. English.	
10	Other topics	Fitting and hanging basement sash. Double tenon with haunch. Scarf-joints and the different types thereof. Making fish-plates. Making sash and assembling; using lay-out rod; clamps; wedging; gluing; cleaning. How to mitre the risers of veranda stairs. Lay-out, cutting, and erection of veranda stairs.	Where a double tenon with haunch is used. Length of bevel of a scarf-joint. How to lay out and erect stairs.

1	Cutting and erecting	Placing headers over door- and window-openings. Cutting and erecting sheeting, siding, corner-boards and bevel-ends.	Relative strenths of various-sized headers and materials. Diagonal or horizontal placing of nails. Levelling around structure for the siding.
2	Laying out and making arches	laying out, cutting and erecting arches.	Laying out various arches.
3	Making carpenters' saw-horses	Lay-out by steel-square, and then cut and assemble.	Use of steel-square.
4	Related subjects	Blue-print reading. Mathematics. English.	
5	Stairs, newel-posts and hand-rail	The lay-out, building and erection of stairs, newel-posts and hand-rails.	How to lay out, build and erect stairs, newel-posts and hand-rails.
6	Inside partitions	Cutting and erecting plates and studs. Framing door-openings. Girts. Spacing. Bridging. Temporary braces. Diagonal bracing. Strapping walls. Plugging brick walls.	Dimensions for openings. Lay out inside partitions from plane. Methods of doubling studs. Knowledge of centres, nailing methods, and making plugs. How to use a plugging-tool.
7	Roughing-in frame construction	(1) Cutting, placing, levelling, and bedding of sills. Marking and boring sills for bolts. (2) Making and setting wood girders. (3) Cutting and setting joists. Keeping up the crowned edge of joists. Where and why fire-cuts are made. Spacing and nailing joists. Cutting and placing trimmers, doublers, and bridging. Setting stirrups and anchors. (4) Studding. Cutting, erecting, and spacing studding. Methods of constructing corners. Top- and bottom-plates. Preparation for openings. (5) Nailing rough horizontal, and diagonal sheeting. (6) Erecting scaffolds for various loads. Scaffold materials: sills, legs, headers, ledgers, scabs, horizontal and diagonal bracing, and planking. Safety measures in erecting scaffolds. (7) Cutting, setting and sheeting roof-rafters. (8) Shingling. Types of shingles. Cutting for valleys. Cutting for hips. Correct nailing and size of nails. Caps for ridge and hips. Flashing for valleys. Cutter material. Correct lapping and spacing of shingles.	Quality and quantity of materials. Formula for squaring corners. Knowledge of external finishes. Method of laying out joists. Where to double-joist. Laying out trimmers. Correct size of nails and the spacing thereof. Where to place bracing. Method of diagonal bracing. Position of headers to obtain maximum strength. Relative strength of horizontal and diagonal sheeting. Correct size of nails and the spacing thereof. When to place scabs under ledgers. Safe materials for planking. Lay out of rafters by use of steel-square. Method of raising rafters. Length and type of nails used in shingling. Where to place nails. Placing and use of toe-boards.
8	Construction	Boring the bottom of wood columns to insert dowels. Cutting, sizing, and setting corbels. Cutting, squaring, hoisting, setting, and bolting of beams. Types of flooring: loose-tongue, tongued and grooved, and laminated. Reason for spacing the joints of flooring.	Cutting, sizing and setting corbels. Materials for corbels. Where to place nails.

9	Exterior finish	Setting window-frames. Setting door-frames. Use of storey-rod. Placing and cutting tongued and grooved siding. Placing and cutting bevel-siding. Placing and cutting asbestos siding. Placing and cutting corner-boards. Placing, cutting, and mitring corners. Window- and door-trim; placing paper over rough sheeting and under door- and window-trim. Cutting and placing of barge-boards: soffits, faciae, bed-moulds, dentil blocks, and flashings. Fitting and placing hardware.	Knowing different types of paper. Use of mitre-box. Types of nails. Where to place flashings.
10	Interior trim	(1) Preparing, erecting and fixing of trim; proper methods of setting door-jambs. (2) Cutting and setting base-blocks and casings; preparing and placing heads; coping of stiles to heads; cutting and scribing back-bands; nailing. (3) Trimming windows: preparing, cutting and scribing of stools. Nailing; preparing and cutting of aprons; back-bands and casings. (4) Laying base-boards: cutting, fitting, mitring. Coping, and scribing to floor. Joints used in laying base-boards: butt, tongue, and coped. (5) Preparing, cutting and placing picture-rails and wood cornices. (6) Cutting, nailing, mitring and coping of mouldings. (7) Fitting doors to jambs, heads, and floors; hanging of doors and placing hinges. (8) Fitting window-sashes: casement; double-hung. Cords, weights and spring-balances on double-hung window-sashes.	Knowledge and method of nailing all interior trim. Setting door-jambs. Method of obtaining bevel-cuts. Use of mitre box in laying base-boards. How to place mouldings in a mitre box. Necessary allowance for cutting mouldings. Knowledge of how and when to bevel edges of doors. Setting a butt-gauge. Spacing of door-hinges. Knowledge of how to compute the required length of cords. Tying cord to weights; fastening cord to sash; fastening spring-balances to frame and sash.

1	Tools	Safety precautions, and care when using tools. Using the proper tool. Classification of tools: (a) edge-tools, cutting-tools, (b) marking-, measuring- and layout tools, (c) assembly-tools, and (d) accessory-tools. Capabilities and limitations of tools. Methods of grinding and whetting tools. Saw-sharpening.	Angles to grind on edges for different tools.
2	Use of tools	(1) True up wood to size; face- and edge-marks. Use of plane-gauge, winding-batterns, square, rule, and pencil. (2) Squaring ends of wood; explanation of the cutting-action and the proper angle for cutting with a cross-cut saw. Use of try-square. (3) Use of rip-saw.	Use of face- and edge-marks. Type of plane to use. Proper angle at which to hold and use saws.

3	Wall construction	Lay-out and position of studs. Marking-out with steel-square.	
4	Cutting and erecting	Methods of cutting: (a) to correct length, and (b) squaring. Nailing, erection, and bracing.	How to make a cutting-box. Where to place nails. Method of raising. Placing studs on corners for lath.
5	Lumber	Classification. Growth. Defects. Sizes.	Kinds and sizes of lumber for different uses.
6	Steel-square	Explanation of various markings on a steel-square. How bevel-cuts are obtained by use of a steel-square. Use of steel-square to determine the length and bevel-cuts of rafters. Use of steel-square for marking mitres, obtaining brace-lengths, and squaring areas.	
7	Subjects related to carpentry.	Blue-print reading.	
8	Other topics	Fitting and hanging basement sash. Double tenon with haunch. Scarf-joints and the different types thereof. Making fish-plates. How to mitre the risers of veranda stairs. Lay-out, cutting, and erection of veranda stairs.	How to lay out and erect stairs.
9	Cutting and erecting	Placing headers over door- and window-openings. Cutting and erecting sheeting, siding, corner-boards and bevel-ends.	Relative strengths of various-sized headers and materials. Diagonal or horizontal placing of nails. Levelling around structure for the siding.
10	Laying out and making arches	Laying out, cutting and erecting arches.	Laying out various arches.
11	Making carpenters' saw-horses	Lay-out by steel-square, and then cut and assemble.	Use of steel-square.
12	Stairs, newel-posts and hand-rail	The lay-out, building and erection of stairs, newel-posts and hand-rails.	How to lay out, build and erect stairs, newel-posts and hand-rails.
13	Inside partitions	Cutting and erecting plates and studs. Framing door-openings. Girts. Spacing. Bridging. Temporary braces. Diagonal bracing. Strapping walls. Plugging brick walls.	Dimensions for openings. Lay out inside partitions from plane. Methods of doubling studs. Knowledge of centres, nailing methods, and making plugs. How to use a plugging-tool.
14	Roughing-in frame construction	(1) Cutting, placing, levelling, and bedding of sills. Marking and boring sills for bolts. (2) Making and setting wood girders. (3) Cutting and setting joists. Keeping up the crowned edge of joists. Where and why fire-cuts are made. Spacing and nailing joists. Cutting and placing trimmers, doublers, and bridging. Setting stirrups and anchors. (4) Studding. Cutting, erecting, and spacing studding. Methods of constructing corners. Top- and bottom-plates. Preparation for openings.	Quality and quantity of materials. Formula for squaring corners. Knowledge of external finishes. Method of laying out joists. Where to double-joist. Laying out trimmers. Correct size of nails and the spacing thereof. Where to place bracing. Method of diagonal bracing. Position of headers to obtain maximum strength.

THE APPRENTICESHIP ACT

O. Reg. 9/56.
Designated Trade of Carpenter.
New and Amending Ontario Regulations 220/44 (C.R.O. 378).
Approved—12th January, 1956.
Filed—17th January, 1956.

REGULATIONS MADE BY THE PROVINCIAL
ADVISORY COMMITTEE UNDER
THE APPRENTICESHIP ACT

DESIGNATED TRADE OF CARPENTER

INTERPRETATION

1. In these regulations

- (a) "designated trade" means designated trade of carpenter; and
(b) "journeyman" means journeyman of the designated trade.

AGE OF APPRENTICES

2. An apprentice in the designated trade upon entering into a contract of apprenticeship shall be a minor at least 16 years of age.

APPRENTICESHIP PERIOD

3. The apprenticeship period for the designated trade shall be 4 years including the probationary period.

NUMBER OF APPRENTICES

4. The number of apprentices who may be apprenticed to each employer in the designated trade shall be

- (a) one, where the employer
(i) is a journeyman and does not employ a journeyman, or
(ii) is not a journeyman and employs not more than one journeyman, and
(b) in all other cases one additional apprentice for every additional eight journeymen employed.

REVOCATION

5. Clause *b* of regulation 5 and regulations 11, 12, and 13, of Ontario Regulations 220/44 (C.R.O. 378), are revoked.

THE APPRENTICESHIP ACT

O. Reg. 10/56.
Designated Trade of Plasterer.
New.
Approved—12th January, 1956.
Filed—17th January, 1956.

REGULATIONS MADE BY THE BOARD UNDER
THE APPRENTICESHIP ACT

DESIGNATED TRADE OF PLASTERER

INTERPRETATION

1. In these regulations

- (a) "designated trade" means designated trade of plasterer;
(b) "plaster" includes stucco; and
(c) "plasterer" means a person who
(i) applies plaster to the walls and ceilings, whether interior or exterior, of a structure, and with float or trowel spreads the plaster on laths or masonry, or on brick or tile walls,
(ii) moulds and casts figures in plaster, and
(iii) runs mouldings and cornices on walls and ceilings, and affixes plaster figures to walls or ceilings.

EDUCATIONAL CLASSES

2. The full-time educational day-classes to be attended by an apprentice in the designated trade shall be those provided at the Provincial Institute of Trades at Toronto for the courses of study contained in Schedule 1.

COURSE OF TRAINING

3. (1) The course of training to be provided by the employer for an apprentice in the designated trade shall be that outlined in Schedule 2.

2. The period of time in each year to be completed by an apprentice in the designated trade in learning his trade shall be at least 1280 hours.

PLASTERER

PART 1

ITEM	COLUMN 1	COLUMN 2	COLUMN 3
	Instruction In	Subject-Matter	Skills For Apprentices
1	Introductory lecture.	Pictures, charts, and samples.	
2	History of plastering and stuccoing: primitive man; Egypt and Mesopotamia; Greece and Rome.		
3	History of plastering (continued): Moorish and Italian influence; Colonial period; modern trends; plastering as an art.		
4	Definition of trade terms; names of tools and equipment.	Lumber for boxes.	Make mixing-boxes for lime and for patented plasters for use over wood lath and metal lath.
5	Properties, proportions and bonding qualities of materials used in plastering.	Sheet-zinc.	Make mixing-boxes for lime and for patented plaster for use over masonry. Make scratches of wood and sheet-zinc.
6	Mixing of plasters for scratch-coat and application of scratch-coat to walls of wood lath, metal lath and masonry, from floor and scaffold.	Lime; hair; fibre; sand; patented plasters.	Apply scratch-coat to walls of wood lath, metal lath and masonry, from floor and scaffold.
7	Effects of dirt, temperature and weather. Degree of dryness for scratching of scratch-coat. Application of scratch-coat to ceilings.	Hawk, trowel, board, hod, hoe, screen, and shovel.	Apply scratch-coat to ceilings of wood lath, metal lath, and masonry.
8	Purpose and values in keying of different sand, hair, and fibre.		Apply scratch-coat to inside and outside angles on walls and ceilings.
9	Purposes and values of scratching different types of lath; wetting masonry before application of scratch-coat.		Apply scratch-coat over beads, beams panels, and arches.
10	Brown-coating mixtures, and when and how to apply them.		Apply brown-coat over scratch-coat; straighten and float without using grounds.
11	Purposes of grounds, angle-beads, darby, and floats.	Angle-beads; darby; floats.	Apply brown-coat over scratch-coat; straighten by using grounds; float and cut out inside angles.
12	Purposes and values of fibre- or plaster-board bases when used for insulation.		Apply brown-coat over bases other than lath or masonry; straighten and float without using grounds or angles.
13	Bonding-qualities of fibre- and plaster-board bases.		Apply brown-coat over bases other than lath or masonry; straighten by using grounds; float and cut out inside angles.
14	Purpose and value of spirit-level and chalk-line, with reference to dots and screeds.	Spirit-level; chalk-line; straight-edge.	Prepare a ceiling for brown-coat, using spirit-level and chalk-line to set dots and screeds.

ITEM	COLUMN 1	COLUMN 2	COLUMN 3
	Instruction In	Subject-Matter	Skills For Apprentices
15	Method of applying brown-coat to ceilings; straighten by using screeds and straight-edge; float.		Apply brown-coat to ceilings, straighten by using screeds and straight-edge; float. Apply brown-coat to beams, panels, and pilasters.
16	Purpose of measuring-rod.		Establish levels, dots and screeds using water-level for ceiling panels.
17	Effects of different mixtures for brown-coat.		Apply brown-coat to ceilings.
18	Purposes and values of floats, a brush, and a straight-edge.	Brush, square, saw, hammer, plumb-bob.	Apply brown-coat to ceiling panels.
19	Properties of sand-finish materials.	Angle, float.	Mixing of materials for a floated sand-finish.
20	When and where to apply a sand-finish on interior surfaces.		
21	Recognition of faulty mixtures before application.		Apply sand-finish on walls from floor and scaffold.
22	Imperfections and remedies in a sand-finish after application.		Apply sand-finish over brown-coat on ceilings.
23	Properties of putty-coat materials.		Mixing of putty-coat materials.
24	When and where to apply putty-coat to interior surfaces.		Preparation of brown-coat to receive putty-coat.
25	Recognition of faulty putty-coat mixtures before application.	Finishing-trowel, and cutter.	Apply putty-coat finish to walls from floor and scaffold, and then polish the finish.
26	Imperfections and remedies in putty-coat finish after application.		Apply, finish and polish putty-coat on ceilings.
27	Properties and characteristics of common irregular finishes.	Assorted colours of mineral pigments.	Mixing a number of different irregular finishes.
28	Origin and use of irregular finishes.		Prepare brown-coat on walls to receive irregular finishes. Apply a number of different irregular finishes to walls.
29	Necessity of submitting samples of irregular finishes to architect or owner.		Apply a number of different irregular finishes to ceilings to match the walls already finished.
30	Properties of Keen's cement.	Keen's cement	Mix Keen's cement for finish-coat.
31	When and where to use Keen's cement.		Mix Keen's cement with lime-putty for different finishes.
32	Purposes and characteristics of Keen's cement.		Apply, trowel, and finish Keen's cement on walls.

ITEM	COLUMN 1	COLUMN 2	COLUMN 3
	Instruction In	Subject-Matter	Skills For Apprentices
33	Methods of lining vertically and horizontally to represent tile.		Apply, trowel, finish, and polish plaster on walls, and then line to give the appearance of tile.
34	Properties and characteristics of Caen-stone mixtures. Proper proportions for Caen-stone mixtures.		Prepare a Caen-stone mixture for imitation-marble finish and prepare brown-coated wall to which the mixture is to be applied.
35	Purpose and method of applying imitation-marble finishes.	Jointing - tools; pointing tools; sand-paper; powdered pumice-stone.	Apply a Caen-stone mixture on walls, and then trowel, joint, point, finish, and polish.
36	Properties and characteristics of travertine mixtures, and how to recognize proper mixtures.	Travertine.	Prepare a travertine mixture to give the appearance of marble, and then prepare brown-coated pilasters to which the mixture is to be applied. Apply the travertine mixture, and then trowel, joint, point, finish, and polish it.
37	Properties, preparation and mixtures of stucco and cement plaster for exterior scratch-coat.	Portland cement.	Make mixing-boxes.
38	Preparation of mixtures for waterproofing.		Apply the mixtures to masonry walls.
39	Methods of handling and applying exterior scratch-coat.		Apply scratch-coat to masonry walls over the waterproofing.
40	Comparison of different bases for exterior scratch-coat.		Apply waterproofing mixture to walls having a base of wire netting, or metal lath.
41	Methods of scratch-coating exterior ceilings having a base of wire netting, metal lath, or patented substitutes.		Apply waterproofed scratch-coat to exterior ceilings having a base of wire netting, metal lath, or patented substitutes.
42	Methods of scratch-coating special surfaces such as copings, arches, chimneys, window- and door-heads.		Apply scratch-coat to these surfaces.
43	Purposes of spots and screeds on surfaces to be brown-coated.		Place spots and screeds on exterior walls.
44	Mixtures of brown-coat materials for exterior walls.		Preparation of materials for brown-coat on exterior walls.
45	Methods and precautions in scaffolding.		Apply brown-coat to walls after they have been spotted and screeded.
46	Waste-materials and how to salvage them by re-mixing. Methods of lining, plumbing, and levelling surfaces.		Apply brown-coat to walls and other surfaces that are not spotted or screeded.
47	Methods of spotting, screeding and truing surfaces.		Line, level, spot, and screed surfaces.
48	Methods of preparing irregular surfaces for brown-coat.		Apply brown-coat to surfaces.

ITEM	COLUMN 1	COLUMN 2	COLUMN 3
	Instruction In	Subject-Matter	Skills For Apprentices
49	Methods of applying, filling in, and floating walls and ceilings that have serious hollows.		Apply, fill in, and float walls with deep hollows.
50	Imperfections in brown-coat mixtures and recognition of faults before application.		Prepare other irregular surfaces for brown-coat.
51	Special methods of brown-coating surfaces.		Brown-coat surfaces.
52	Properties and characteristics of white Medusa cement. Mineral pigments compared with synthetic or manufactured colouring-materials.	White Medusa cement; white sand.	Prepare dry materials for third coat for following finishes: (a) plain natural Portland cement; (b) plain white Medusa cement. Add colouring-materials and then mix and apply to surfaces.
53	(1) Dash-finishes. (2) Methods of lining surfaces to resemble ashlar. (3) Materials used in rough-cast finishes. (4) Methods of applying rough-cast finishes. (5) Methods of applying dash-materials to rough-cast surfaces.	Pebbles, stone chips, shells, and broken glass.	Application of dash-finishes to surfaces. Line, joint and point surfaces to resemble ashlar. Joint and point surfaces to resemble rubble. Prepare materials and surfaces for rough-cast finish. Apply rough-cast finish to surfaces. Apply pebbles or stone chips evenly to rough-cast surfaces.
54	(1) Characteristics of stippled finishes. (2) Methods of obtaining different stippled effects. (3) Methods of obtaining different combed and scraped finishes.	Sponges; buckets.	Preparation of materials and surfaces for stippled finishes. Prepare materials and surfaces for combed and scraped finishes. Apply finish-coat to surfaces, and then comb and scrape for different finishes.
55	Methods of transferring moulding-profiles from blue-prints to zinc sheet.	Sheet zinc; tin-snips.	Transfer profile of simple moulding to zinc sheet, cut to outline and clean up the edges.
56	Naming and assembling wooden portions of mould.	Lumber and nails.	Prepare wooden portions of mould and assemble.
57	The moulding-bench.		Make a moulding-bench; set running strips.
58	(1) Materials and mixtures used for running mouldings. (2) Mixing materials, and methods of running mouldings.	Plaster of Paris, lime, gypsum plaster.	Make a small mixing-box and all other necessary preparations for running mouldings. Run a simple moulding on the bench and set aside to set up.
59	Methods and purposes of mitring both inside and outside corners.		Make sample mitres for inside and outside corners.
60	Methods of laying out a wall to receive simple moulding, and methods of planting moulding in place.	Plasterer's small tools.	Lay out the wall, plant moulding in place, and finish the joints properly.
61	Transfer profile of simple cornice-moulding from blue-print or sample to zinc.		Transfer the profile, cut out and true up edges for simple cornice-moulding.

ITEM	COLUMN 1	COLUMN 2	COLUMN 3
	Instruction In	Subject-Matter	Skills For Apprentices
62	Making a mould for running simple cornice-moulding on the wall.		Make wooden members and assemble the whole.
63	Methods of setting and purposes of ceiling-lines and wall running-strips.		Lay out ceiling-line, lay out wall and set the running-strips.
64	Mixtures and methods of running a simple cornice-moulding on the wall.		Mix materials and run a simple cornice-mould on the wall.
65	Methods of mitring corners when moulding is run on the wall and mould cannot be used for mitres.		Mitre the corners where mould cannot be used.
66	Methods of building up a wall and ceiling intersection for heavy cornice-moulding.	Different types of wood lath and metal lath.	Build up with furring strips, lath (wood and metal) to ceiling and wall intersection to receive heavy cornice-moulding.
67	Construction and purpose of muffler on heavy cornice-mould, to be used to run heavy cornice on the wall.		Construct a mould from blue-print or sample for heavy cornice-mould and apply muffler.
68	Application of and mixtures used for brown-coat for heavy cornice-moulding.		Run brown-coat with muffler, mitre inside and outside corners.
69	Construction of pilaster and wall-panel moulds.		Construct pilaster and wall-panel moulds (double-sided).
70	Construction of radius mould for running circular ceiling-panel mouldings.		Make a radius mould to correspond with blue-print or sample.
71	Methods of laying out circular ceiling panels.		Lay out and establish centres for running circular ceiling-panel mouldings.
72	Materials and mixtures for and methods of running ceiling-mouldings with radius mould.		Run circular mouldings on ceiling.
73	Methods of laying out semicircular arches for running mouldings with radius mould.		Lay out a semicircular arch and establish centre for running moulding with radius mould.
74	Methods of running semicircular arch from spring-line to spring-line with radius mould.		Mix materials and run moulding for a semicircular arch with radius mould and continue moulding to floor with straight moulding.
75	Methods of running mouldings to contour of Gothic arches.		Mix materials and run moulding to contour of Gothic arch with radius mould and continue moulding to floor with straight mould.
76	Methods of laying out elliptical arches.		Lay out an elliptical arch and set running strips for peg mould.
77	Method of construction of peg mould for running an elliptical arch.		Make a peg mould for heavy moulding to correspond with blue-print or sample, and then apply muffler.

ITEM	COLUMN 1	COLUMN 2	COLUMN 3
	Instruction In	Subject-Matter	Skills For Apprentices
78	Method of running moulding for an elliptical arch with peg mould and muffler.		Run brown-coat to arch from spring-line to spring-line leaving clean ends to permit application of pre-cast ornaments. Remove muffler from mould and run finish-coat on moulding brown.
79	Running mouldings on niches by horizontal and vertical methods.		Run mouldings on niches by horizontal and vertical methods.

PART 2

ITEM	COLUMN 1	COLUMN 2	COLUMN 3

80	Properties and mixtures of cement plaster and stucco for exterior scratch-coat.	Portland cement	Make mixing-boxes and other preparations for the year's work.
81	Preparation of surfaces for scratch-coat of cement plaster or stucco.		Prepare surface waterproofing and apply to masonry walls.
82	Methods of handling and applying exterior scratch-coat.		Apply scratch-coat to necessary walls over surface waterproofing.
83	Comparison of different bases for exterior scratch-coat; wire netting and metal lath over paper sheathing, patented combinations.		Apply waterproofed plaster to walls with base of wire netting, metal lath.
84	Methods of scratch-coating exterior ceilings over a base of wire netting, metal lath and patented combinations.		Apply waterproofed scratch-coat to exterior ceilings of different bases.
85	Methods of scratch-coating special surfaces, copings, arches, chimneys, window-heads, door-heads.		Apply scratch-coat to special surfaces.
86	Purposes of spots and screeds on surfaces to be brown-coated.		Set spots and screeds on exterior walls.
87	Mixtures of brown-coat materials for exterior walls.		Preparation of materials for brown-coat on exterior walls.
88	Methods of and precautions to be taken in scaffolding; a study of local by-laws.		Apply brown-coat to walls spotted and screeded.
89	Waste materials and re-mixing them for salvage.		Apply brown-coat to walls assumed to be true and not spotted or screeded.
90	Methods of lining, plumbing and leveling.		Apply brown-coat to surfaces assumed to be true. Apply brown-coat to ceilings assumed to be true and not spotted or screeded.
91	Methods of spotting, screeding and truing ceilings not assumed to be true.		Line, level, spot and screed ceilings not assumed to be true.

92	Methods of spotting and screeding surfaces.		
93	Uses and purposes of a spirit-level, water-level, and chalk-line.		Apply brown-coat to surfaces.
94	Methods of preparing odd or irregular surfaces for brown-coat.		Apply brown-coat to surfaces.
95	Methods of laying on, filling in and floating walls that have deep hollows.		Lay on, fill in and float walls with deep hollows.
96	Methods of laying on, filling in and floating ceilings that have deep hollows.		Lay on, fill in and float ceilings with deep hollows.
97	Imperfections in brown-coat mixtures, and recognition of these imperfections before application of the mixtures.		Prepare for brown-coat those odd or irregular surfaces not studied under item 94.
98	Special methods of brown-coating surfaces.		Brown-coat surfaces.
99	Methods of applying brown-coat to surfaces containing stone, or brick that is to be left exposed.		Prepare surfaces and apply brown-coat.
100	Properties and characteristics of white Medusa cement.	White Medusa cement; white sand.	Prepare dry materials for third coat for following finishes: (a) plain natural Portland cement; and (b) plain white Medusa cement.
101	Mineral pigments compared with synthetic or manufactured colouring-materials.		Mix and apply third coats to surfaces.
102	Materials used for dash finishes.	Pebbles, stone chips, broken glass, and shells.	Apply a pebble dash-finish and a stone-chip dash-finish to surfaces.
103	Methods of lining, jointing and pointing surfaces to resemble ashlar or rubble.		Line, joint and point surfaces to resemble ashlar. Joint and point surfaces to resemble rubble.
104	Materials used in rough-cast finishes.		Prepare materials and surfaces for rough-cast finish.
105	Methods of applying rough-cast finishes.		Apply rough-cast finish to surfaces.
106	Methods of applying dash materials to rough-cast surfaces.		Apply even dash of pebbles or stone chips to rough-cast surfaces.
107	Methods of applying hand-placed dash-finishes to rough-cast surfaces.		Apply hand-placed finishes of broken glass or shells to rough-cast surfaces.
108	Characteristics of stippled finishes.	Sponges; buckets.	Preparation of materials and surfaces for stippled finish.

109	Methods of obtaining different stippled effects.		Prepare materials and surfaces for combed and scraped finishes.
110	Methods of obtaining different combed and scraped finishes.		Apply finish-coat to surfaces, and then comb and scrape for different finishes.
111	Methods of transferring moulding-profiles from blue-prints to zinc sheet for moulds.	Sheet zinc; tin snips.	Transfer profile of simple moulding to zinc sheet, cut to outline and clean up edges.
112	Name of parts and assembly of wooden members of mould.	Lumber; nails.	Prepare wooden members of mould and assemble the whole.
113	The moulding-bench.		Make a moulding-bench, set running strips.
114	Materials and mixtures, used for running mouldings.	Plaster of Paris; lime; gypsum plaster.	Make a small mixing-box and all other necessary preparations for running mouldings.
115	Mixing materials and methods of running mouldings.		Run a simple moulding on the bench and set aside to set up.
116	Methods and purposes of mitring both inside and outside corners.		Make sample mitres for inside and outside corners.
117	Methods of laying out a wall to receive simple moulding and methods of planting moulding in place.	Plasterer's small tools.	Lay out the wall, plant moulding in place, and finish the joints properly.
118	Transfer profile of simple cornice-moulding from blue-print or sample to zinc.		Transfer the profile, cut out and true up edges for simple cornice-mouldings.
119	Making a mould for running a simple cornice-moulding on a wall.		Make wooden members and assemble them.
120	Methods of setting and purposes of ceiling lines and wall running-strips.		Lay out a ceiling line, lay out a wall and set the running-strips.
121	Mixtures and methods of running a simple cornice-moulding on the wall.		Mix materials and run a simple cornice-mould on the wall.
122	Methods of mitring corners when moulding is run on the wall and mould cannot be used for mitres.		Mitre the corners where mould cannot be used.
123	Methods of building up a wall and ceiling intersection for a heavy cornice-moulding.	Different types of wood lath and metal lath.	Build up with furring strips, lath to ceiling and wall intersection to receive a heavy cornice-moulding.
124	Construction and purpose of a muffer on a heavy cornice-mould to be used to run a heavy cornice on the wall.		Construct a mould from a blue-print or sample for a heavy cornice-mould and apply muffer.
125	Application of and mixtures used for brown-coat for a heavy cornice-moulding.		Run brown-coat with muffer; mitre inside and outside corners.

126	Construction of pilaster and wall-panel moulds.		Construct double-sided pilaster and wall-panel moulds.
127	Methods of laying out walls for running pilasters and panel mouldings.		Lay out a plain wall and set running strips for pilasters and panel mouldings.
128	Materials and mixtures and methods of running pilasters and panel mouldings.		Mix materials and run pilasters and panel mouldings on wall.
129	Construction of cornice-mould with five members or profile.		Construct a cornice-mould of five members to run cornice on wall with pilasters.
130	Methods of laying out a wall and ceiling and setting running-strips to run mould.		Lay out ceiling lines, lay out a wall and set running strips to run moulding.
131	Methods of running, and materials and mixtures used to run, a cornice moulding on a wall set with pilasters.		Mix materials and run moulding on wall.
132	Methods of laying out ceilings and setting running-strips for ceiling-panel mouldings in geometrical designs other than circular.		Lay out and set running-strips on ceiling in geometrical designs using straight lines.
133	Materials and mixtures used and method of running ceiling-panel mouldings from a scaffold.		Mix materials and run moulding on ceiling.
134	Construction of radius mould for running circular ceiling-panel mouldings.		Make a radius mould to correspond with blue-print or sample.
135	Methods of laying out circular ceiling-panels.		Lay out and establish centres for running circular ceiling-panel mouldings.
136	Materials and mixtures and methods of running ceiling-mouldings with radius mould.		Run circular mouldings on ceiling.
137	Methods of laying out semicircular arches for running mouldings with radius mould.		Lay out semicircular arch and establish centre for running moulding with radius mould.
138	Methods of running semicircular arch from spring-line to spring-line with radius mould.		Mix materials and run semicircular arch-moulding with radius mould and continue moulding to floor with straight moulding. Lay out Gothic arch to be run with radius mould.
139	Methods of running mouldings to contour of Gothic arches.		Mix materials and run moulding to contour of Gothic arch with radius mould and continue to floor with straight mould.
140	Methods of laying out elliptical arches.		Lay out an elliptical arch and set running strips for peg mould.
141	Method of construction of a peg mould for running an elliptical arch.		Make a peg mould for heavy mouldings to correspond with blue-print or sample, and then apply muffer.

142	Method of running an elliptical arch-moulding with peg mould and muffler.		Run brown-coat to arch from spring-line to spring-line leaving clean ends to permit application of pre-cast ornaments. Remove muffler from mould and run finish-coat on moulding brown.
143	Run mouldings on niches by horizontal and vertical methods.		Run mouldings on niches by horizontal and vertical methods.
144	Method of laying out and screeding a covered ceiling or any similar surface involving a circle on a circle.		Mix and apply scratch-coat to a covered ceiling. Mix and apply brown-coat to ceiling.
145	Methods of finish-coating ceilings.		Apply a finish putty-coat to ceiling brown-coated.
146	Methods of laying out a ceiling for false beams.		Lay out ceiling for false beams.
147	Methods of building up false work for beams on ceiling.		Build up false work for beams on ceiling.
148	Methods of applying scratch-coat to beams on ceiling.		Apply scratch-coat to beams on ceiling.
149	Methods of screeding and brown-coating beams on ceiling.		Mix and apply brown-coat to beams scratch-coated.
150	Method of running bed- or crown-mouldings at intersections of beams and ceiling.		Lay out and set running-strips for running crown- or bed-mouldings at intersection of beams and ceiling.
151	Method of running mouldings.		Run crown- or bed-mouldings.
152	Method of applying a finish-coat to beams.		Apply a finish-coat to beams brown-coated.
153	Methods of laying out panels on ceiling in geometrical designs using only straight lines.		Lay out panels on ceiling in geometrical designs using only straight lines.
154	Methods of running panel-mouldings.		How to run mouldings.
155	Methods of laying out circular panels on ceiling.		Lay out circular panels on ceiling.
156	Methods of constructing moulds in which to cast plaster mouldings.		Construct a mould in which to cast a simple dentil-moulding.
157	Methods of casting mouldings.		Cast mouldings in the mould. Cast an intricate cornice-moulding.
158	Methods of mitring pre-cast mouldings.		Mitre short sections of moulding-cast, plant on inside and outside corners and finish the joints properly.
159	Methods and purposes of cutting to lose on pre-cast mouldings.		Cut to lose, plant and make good the joint on dentil-moulding cast and mitres.

160	Opening out to gain on pre-cast mouldings.		Open out to gain, plant, point and make good the joints on cornice-moulding cast and mitres.
161	Purposes of buttering and methods of setting simple wall or ceiling pre-cast ornaments.	Simple pre-cast ornaments.	Butter and set simple pre-cast wall or ceiling ornaments.
162	Methods of bracing heavy pre-cast ceiling ornaments.	Heavy pre-cast ornaments.	Butter, set and brace heavy pre-cast ceiling ornaments on a straight ceiling.
163	Methods of bracing heavy pre-cast ornaments on curved ceilings or other surfaces.		Butter, set and brace heavy pre-cast ornament on coved ceiling.
164	Lay-out methods for framing plain interior columns.	Lumber; wood lath; metal lath	Frame and lath a plain 2-by-4 one-inch circular interior column.
165	Methods of scratch-coating a cylinder.		Apply scratch-coat to column framed.
166	Construction and purposes of templates for cylindrical work.		Construct a template for column.
167	Methods and purposes of screeds in cylindrical work.		Screed and apply brown-coat to column.
168	Methods of finish-coating cylindrical work.		Apply finish-coat to column.
169	Methods of plumbing and levelling pre-cast bases for columns.		Prepare lower end of column to receive pre-cast base.
170	Preparation of bed for pre-cast base.		Prepare the bed and set base on column. Prepare upper end of column to receive pre-cast cap.
171	Lay-out methods for diminished octagonal column.		Frame and lath diminished octagonal column.
172	Methods of scratch-coating column.		Apply scratch-coat to column.
173	Construction and purposes of templates for diminished columns.		Construct a template for column.
174	Methods of screeding diminished columns.		Screed and apply brown-coat to column.
175	Methods of finish-coating diminished columns.		Apply finish-coat (travertine or Caen-stone) to column.
176	Lay-out methods for a diminished, fluted, circular column.		Frame and lath a diminished, fluted, circular column.
177	Methods of applying scratch-coat to column.		Apply scratch-coat to column.
178	Methods of brown-coating a column.		Apply brown-coat to column.

181	Methods of preparing a series of beds.		Prepare beds for bases of columns.
182	Methods of levelling a series of columns.		Set bases on beds; level and plumb.
183	Methods of preparing tops of bases to receive columns.		Prepare bases to receive columns.
184	Methods of raising and setting columns on bases.		Set columns on bases.
185	Methods of preparing tops of columns to receive pre-cast caps.		Prepare columns to receive caps.
186	Methods of raising and setting pre-cast caps on columns.		Raise and set caps on columns.

SCHEDULE 2

PLASTERER

ITEM	COLUMN 1	COLUMN 2	COLUMN 3
	Instruction In	Subject-Matter	Skills For Apprentices
1	Definition of trade terms; names of tools and equipment.	Lumber for boxes.	Make mixing-boxes for lime and for patented plasters for use over wood lath and metal lath.
2	Properties, proportions and bonding qualities of materials used in plastering.	Sheet-zinc.	Make mixing-boxes for lime and for patented plaster for use over masonry. Make scratches of wood and sheet-zinc.
3	Mixing of plasters for scratch-coat and application of scratch-coat to walls of wood lath, metal lath and masonry, from floor and scaffold.	Lime; hair; fibre; sand; patented plasters.	Apply scratch-coat to walls and ceiling(s) of wood lath, metal lath and masonry, from floor and scaffold.
4	Effects of dirt, temperature and weather. Degree of dryness for scratching of scratch-coat. Application of scratch-coat to ceilings.	Hawk, trowel, board, hod, hoe, screen, and shovel.	
5	Purpose and values in keying of different sand, hair, and fibre.		Apply scratch-coat to inside and outside angles on walls and ceilings.
6	Purposes and values of scratching different types of lath; wetting masonry before application of scratch-coat.		Apply scratch-coat over beads, beams, panels, and arches.
7	Brown-coating mixtures, and when and how to apply them.		Apply brown-coat over scratch-coat; straighten and float without using grounds.

ITEM	COLUMN 1	COLUMN 2	COLUMN 3
	Instruction In	Subject-Matter	Skills For Apprentices
8	Purposes of grounds, angle-beads, darby, and floats.	Angle-beads; darby; floats.	Apply brown-coat over scratch-coat; straighten by using grounds; float and cut out inside angles.
9	Purposes and values of fibre- or plaster-board bases when used for insulation.		Apply brown-coat over bases other than lath or masonry; straighten and float without using grounds or angles.
10	Bonding-qualities of fibre- and plaster-board bases.		Apply brown-coat over bases other than lath or masonry; straighten by using grounds; float and cut out inside angles.
11	Purpose and value of spirit-level and chalk-line, with reference to dots and screeds.	Spirit-level; chalk-line; straight-edge.	Prepare a ceiling for brown-coat, using spirit-level and chalk-line to set dots and screeds.
12	Method of applying brown-coat to ceilings; straighten by using screeds and straight-edge; float.		Apply brown-coat to ceilings.
13	Purpose of measuring-rod.		Establish levels, dots and screeds using water-level for ceiling panels.
14	Effects of different mixtures for brown-coat.		
15	Purposes and values of floats, a brush, and a straight-edge.	Brush, square, saw, hammer, plumb-bob.	Apply brown-coat to ceiling panels.
16	Properties of sand-finish materials.	Angle, float.	Mixing of materials for a floated sand-finish.
17	When and where to apply a sand-finish on interior surfaces.		
18	Recognition of faulty mixtures before application.		Apply sand-finish on walls from floor and scaffold.
19	Imperfections and remedies in a sand-finish after application.		Apply sand-finish over brown-coat on ceilings.
20	Properties of putty-coat materials.		Mixing of putty-coat materials.
21	When and where to apply putty-coat to interior surfaces.		Preparation of brown-coat to receive putty-coat.
22	Recognition of faulty putty-coat mixtures before application.	Finishing-trowel, and cutter.	Apply putty-coat finish to walls from floor and scaffold, and then polish the the finish.
23	Imperfections and remedies in putty-coat finish after application.		Apply, finish and polish putty-coat on ceilings.
24	Properties and characteristics of common irregular finishes.	Assorted colours of mineral pigments.	Mixing a number of different irregular finishes.

ITEM	COLUMN 1	COLUMN 2	COLUMN 3
	Instruction In	Subject-Matter	Skills For Apprentices
25	Origin and use of irregular finishes.		Prepare brown-coat on walls to receive irregular finishes. Apply a number of different irregular finishes to walls.
26	Necessity of submitting samples of irregular finishes to architect or owner.		Apply a number of different irregular finishes to ceilings to match the walls already finished.
27	Properties of Keen's cement.	Keen's cement	Mix Keen's cement for finish-coat.
28	When and where to use Keen's cement.		Mix Keen's cement with lime-putty for different finishes.
29	Purposes and characteristics of Keen's cement.		Apply, trowel, and finish Keen's cement on walls.
30	Methods of lining vertically and horizontally to represent tile.		Apply, trowel, finish, and polish plaster on walls, and then line to give the appearance of tile.
31	Properties and characteristics of Caen-stone mixtures. Proper proportions for Caen-stone mixtures.		Prepare a Caen-stone mixture for imitation-marble finish and prepare brown-coated wall to which the mixture is to be applied.
32	Purpose and method of applying imitation-marble finishes.	Jointing-tools; pointing-tools; sandpaper; powdered pumice-stone.	Apply a Caen-stone mixture on walls, and then trowel, joint, point, finish, and polish.
33	Properties and characteristics of travertine mixtures, and how to recognize proper mixtures.	Travertine.	Prepare a travertine mixture to give the appearance of marble, and then prepare brown-coated pilasters to which the mixture is to be applied. Apply the travertine mixture, and then trowel, joint, point, finish, and polish it.
34	Properties, preparation and mixtures of stucco and cement plaster for exterior scratch-coat.	Portland cement.	Make mixing-boxes.
35	Preparation of mixtures for water-proofing.		Apply the mixtures to masonry walls.
36	Methods of handling and applying exterior scratch-coat.		Apply scratch-coat to masonry walls over the waterproofing.
37	Comparison of different bases for exterior scratch-coat.		Apply waterproofing mixture to walls having a base of wire netting, or metal lath.
38	Methods of scratch-coating exterior ceilings having a base of wire netting, metal lath, or patented substitutes.		Apply waterproofed scratch-coat to exterior ceilings having a base of wire netting, metal lath, or patented substitutes.
39	Methods of scratch-coating special surfaces such as copings, arches, chimneys, window-and door-heads.		Apply scratch-coat to these surfaces.

ITEM	COLUMN 1	COLUMN 2	COLUMN 3
	Instruction In	Subject-Matter	Skills For Apprentices
40	Purposes of spots and screeds on surfaces to be brown-coated.		Place spots and screeds on exterior walls.
41	Mixtures of brown-coat materials for exterior walls.		Preparation of materials for brown-coat on exterior walls.
42	Methods and precautions in scaffolding.		Apply brown-coat to walls after they have been spotted and screeded.
43	Waste-materials and how to salvage them by re-mixing. Methods of lining, plumbing, and levelling surfaces.		Apply brown-coat to walls and other surfaces that are not spotted or screeded.
44	Methods of spotting, screeding and truing surfaces.		Line, level, spot, and screed surfaces.
45	Methods of preparing irregular surfaces for brown-coat.		Apply brown-coat to surfaces.
46	Methods of applying, filling in, and floating walls and ceilings that have serious hollows.		Apply, fill in, and float walls with deep hollows.
47	Imperfections in brown-coat mixtures and recognition of faults before application.		Prepare other irregular surfaces for brown-coat.
48	Special methods of brown-coating surfaces.		Brown-coat surfaces.
49	Properties and characteristics of white Medusa cement. Mineral pigments compared with synthetic or manufactured colouring-materials.	White Medusa cement; white sand.	Prepare dry materials for third coat for following finishes: (a) plain natural Portland cement; (b) plain white Medusa cement. Add colouring-materials and then mix and apply to surfaces.
50	(1) Dash-finishes. (2) Methods of lining surfaces to resemble ashlar. (3) Materials used in rough-cast finishes. (4) Methods of applying rough-cast finishes. (5) Methods of applying dash-materials to rough-cast surfaces.	Pebbles, stone chips, shells, and broken glass.	Application of dash-finishes to surfaces. Line, joint and point surfaces to resemble ashlar. Joint and point surfaces to resemble rubble. Prepare materials and surfaces for rough-cast finish. Apply rough-cast finish to surfaces. Apply pebbles or stone chips evenly to rough-cast surfaces.
51	(1) Characteristics of stippled finishes. (2) Methods of obtaining different stippled effects. (3) Methods of obtaining different combed and scraped finishes.	Sponges; buckets.	Preparation of materials and surfaces for stippled finishes. Prepare materials and surfaces for combed and scraped finishes. Apply finish-coat to surfaces, and then comb and scrape for different finishes.
52	Methods of transferring moulding-profiles from blue-prints to zinc sheet.	Sheet zinc; tin-snips.	Transfer profile of simple moulding to zinc sheet, cut to outline and clean up the edges.
53	Naming and assembling wooden portions of mould.	Lumber and nails.	Prepare wooden portions of mould and assemble.

54	The moulding-bench.		Make a moulding-bench; set running strips.
55	(1) Materials and mixtures used for running mouldings. (2) Mixing materials, and methods of running mouldings.	Plaster of Paris, lime, gypsum plaster.	Make a small mixing-box and all other necessary preparations for running mouldings. Run a simple moulding on the bench and set aside to set up.
56	Methods and purposes of mitring both inside and outside corners.		Make sample mitres for inside and outside corners.
57	Methods of laying out a wall to receive simple moulding, and methods of planting moulding in place.	Plasterer's small tools.	Lay out the wall, plant moulding in place, and finish the joints properly.
58	Transfer profile of simple cornice-moulding from blue-print or sample to zinc.		Transfer the profile, cut out and true up edges for simple cornice-moulding.
59	Making a mould for running simple cornice-moulding on the wall.		Make wooden members and assemble the whole.
60	Methods of setting and purposes of ceiling-lines and wall running-strips.		Lay out ceiling-line, lay out wall and set the running-strips.
61	Mixtures and methods of running a simple cornice-moulding on the wall.		Mix materials and run a simple cornice-mould on the wall.
62	Methods of mitring corners when moulding is run on the wall and mould cannot be used for mitres.		Mitre the corners where mould cannot be used.
63	Methods of building up a wall and ceiling intersection for heavy cornice-moulding.	Different types of wood lath and metal lath.	Build up with furring strips, lath (wood and metal) to ceiling and wall intersection to receive heavy cornice-moulding.
64	Construction and purpose of muffler on heavy cornice-mould, to be used to run heavy cornice on the wall.		Construct a mould from blue-print or sample for heavy cornice-mould and apply muffler.
65	Application of and mixtures used for brown-coat for heavy cornice-moulding.		Run brown-coat with muffler, mitre inside and outside corners.
66	Construction of pilaster and wall-panel moulds.		Construct pilaster and wall-panel moulds (double-sided).
67	Construction of radius mould for running circular ceiling-panel mouldings.		Make a radius mould to correspond with blue-print or sample.
68	Methods of laying out circular ceiling panels.		Lay out and establish centres for running circular ceiling-panel mouldings.
69	Materials and mixtures for and methods of running ceiling-mouldings with radius mould.		Run circular mouldings on ceiling.
70	Methods of laying out semicircular arches for running mouldings with radius mould.		Lay out a semicircular arch and establish centre for running moulding with radius mould.

ITEM	COLUMN 1	COLUMN 2	COLUMN 3
	Instruction In	Subject-Matter	Skills For Apprentices
71	Methods of running semicircular arch from spring-line to spring-line with radius mould.		Mix materials and run moulding for a semicircular arch with radius mould and continue moulding to floor with straight moulding.
72	Methods of running mouldings to contour of Gothic arches.		Mix materials and run moulding to contour of Gothic arch with radius mould and continue moulding to floor with straight mould.
73	Methods of laying out elliptical arches.		Lay out an elliptical arch and set running strips for peg mould.
74	Method of construction of peg mould for running an elliptical arch.		Make a peg mould for heavy moulding to correspond with blue-print or sample, and then apply muffer.
75	Method of running moulding for an elliptical arch with peg mould and muffer.		Run brown-coat to arch from spring-line to spring-line leaving clean ends to permit application of pre-cast ornaments. Remove muffer from mould and run finish-coat on moulding brown.
76	Running mouldings on niches by horizontal and vertical methods.		Run mouldings on niches by horizontal and vertical methods.
77	Properties and mixtures of cement plaster and stucco for exterior scratch-coat.	Portland cement.	Make mixing-boxes.
78	Preparation of surfaces for scratch-coat of cement plaster or stucco.		Prepare surface waterproofing and apply to masonry walls.
79	Purposes of spots and screeds on surfaces to be brown-coated.		Set spots and screeds on exterior walls.
80	Mixtures of brown-coat materials for exterior walls.		Preparation of materials for brown-coat on exterior walls.
81	Methods of casting mouldings.		Cast mouldings in the mould. Cast an intricate cornice-moulding.
82	Methods of mitring pre-cast mouldings.		Mitre short sections of moulding-cast, plant on inside and outside corners and finish the joints properly.
83	Methods and purposes of cutting to lose on pre-cast mouldings.		Cut to lose, plant and make good the joint on dentil-moulding cast and mitres.
84	Opening out to gain on pre-cast mouldings.		Open out to gain, plant, point and make good the joints on cornice-moulding cast and mitres.
85	Purposes of buttering and methods of setting simple wall or ceiling pre-cast ornaments.	Simple pre-cast ornaments.	Butter and set simple pre-cast wall or ceiling ornaments.
86	Methods of bracing heavy pre-cast ceiling ornaments.	Heavy pre-cast ornaments.	Butter, set and brace heavy pre-cast ceiling ornaments on a straight ceiling.

87	Methods of bracing heavy pre-cast ornaments on curved ceilings or other surfaces.		Butter, set and brace heavy pre-cast ornament on coved ceiling.
88	Lay-out methods for framing plain interior columns.	Lumber; wood lath; metal lath.	Frame and lath a plain 2-by-4 one-inch circular interior column.
89	Methods of scratch-coating a cylinder.		Apply scratch-coat to column framed.
90	Construction and purposes of templates for cylindrical work.		Construct a template for column.
91	Methods and purposes of screeds in cylindrical work.		Screed and apply brown-coat to column.
92	Methods of finish-coating cylindrical work.		Apply finish-coat to column.
93	Methods of plumbing and levelling pre-cast bases for columns.		Prepare lower end of column to receive pre-cast base.
94	Preparation of bed for pre-cast base.		Prepare the bed and set base on column. Prepare upper end of column to receive pre-cast cap.
95	Lay-out methods for diminished octagonal column.		Frame and lath diminished octagonal column.
96	Methods of scratch-coating column.		Apply scratch-coat to column.
97	Construction and purposes of templates for diminished columns.		Construct a template for column.
98	Methods of screeding diminished columns.		Screed and apply brown-coat to columns.
99	Methods of finish-coating diminished columns.		Apply finish-coat (travertine or Caenstone) to column.
100	Lay-out methods for a diminished, fluted, circular column.		Frame and lath a diminished, fluted, circular column.
101	Methods of applying scratch-coat to column.		Apply scratch-coat to column.
102	Methods of brown-coating a column.		Apply brown-coat to column.
103	Methods of finish-coating a column.		Apply finish-coat (travertine or Caenstone) to column.
104	Methods of setting columns to an arc or ellipse in plan.		Lay out an arc or ellipse and locate a series of columns on the arc or ellipse.
105	Methods of preparing a series of beds.		Prepare beds for bases of columns.
106	Methods of levelling a series of columns.		Set bases on beds; level and plumb.

THE APPRENTICESHIP ACT

O. Reg. 11/56.
Designated Trade of Plasterer.
New and Amending Ontario Regulations 220/44 (C.R.O. 378).
Approved—12th January, 1956.
Filed—17th January, 1956.

REGULATIONS MADE BY THE PROVINCIAL
ADVISORY COMMITTEE UNDER
THE APPRENTICESHIP ACT

DESIGNATED TRADE OF PLASTERER

INTERPRETATION

1. In these regulations

- (a) "designated trade" means designated trade of plasterer; and
- (b) "journeyman" means journeyman of the designated trade.

AGE OF APPRENTICES

2. An apprentice in the designated trade upon entering into a contract of apprenticeship shall be a minor at least 16 years of age.

APPRENTICESHIP PERIOD

3. The apprenticeship period for the designated trade shall be 4 years including the probationary period.

NUMBER OF APPRENTICES

4.(1) The number of apprentices who may be apprenticed to each employer in the designated trade shall be

- (a) one, where the employer
 - (i) is a journeyman and does not employ a journeyman, or
 - (ii) is not a journeyman and employs not more than one journeyman, and
- (b) in all other cases, but subject to subregulation 2, one additional apprentice for every additional eight journeymen employed.

(2) The number of apprentices who may be apprenticed to each employer in the designated trade shall not exceed three.

REVOCATION

5. Clause f of regulation 5 and regulations 20, 21, 22, and 23, of Ontario Regulations 220/44 (C.R.O. 378) are revoked.

Commencing at a point on the interprovincial boundary between Quebec and Ontario, where it is intersected by the easterly production of the northerly boundary of the Township of Alice and Fraser of County of Renfrew; thence westerly along that production and the northerly boundary of the Township of Alice and Fraser to the north-west angle thereof; thence southerly along the easterly boundary of the Township of Master in the Territorial District of Nipissing to the south-east angle thereof; thence westerly along the southerly boundaries of the townships of Master and Guthrie to the north-east angle of the Township of Dickens; thence southerly along the easterly boundary of that township to the south-east angle thereof; thence westerly along the southerly boundary of that township to the north-east angle of the Township of Lyell; thence southerly along the easterly boundary of that township to the south-east angle thereof; thence westerly along the southerly boundaries of the townships of Lyell and Sabine to the south-west angle of the last-mentioned township; thence northerly along the westerly boundaries of the townships of Sabine and Airy to the northwest angle of the last-mentioned township; thence westerly along the southerly boundaries of the townships of Sproule, Canisbay, Peck, Finlayson and Sinclair to the north-east angle of the Township of Franklin; thence southerly along the easterly boundaries of the townships of Franklin and Ridout to the south-east angle of the last-mentioned township; thence westerly along the southerly boundary of that township to the north-east angle of the Township of Oakley; thence southerly along the easterly boundary of that township to the south-east angle thereof; thence westerly along the southerly boundary of the Township of Oakley to the south-west angle thereof; thence northerly along the westerly boundary of that township to the south-east angle of the Township of Draper; thence westerly along the southerly boundary of the Township of Draper to the north-east angle of the Township of Ryde; thence southerly along the easterly boundary of the Township of Ryde to the south-east angle thereof; thence westerly along the southerly boundary of the Township of Ryde to the south-west angle thereof; thence southerly along the easterly boundary of the Township of Morrison to the south-east angle thereof; thence westerly along the southerly boundary of that township and the production thereof to the centre of the main channel of the Severn River; thence in a general north-easterly, westerly and northerly direction following the centre of the main channel of the Severn River to Sparrow Lake; thence in a general easterly and southerly direction following the main channel of the Trent Canal system through Sparrow Lake, Severn River, Gloucester Pool and Little Lake to the most easterly extremity of Canary Island in Georgian Bay; thence in a general south-westerly direction following the shore of Canary Island to the most southerly extremity thereof; thence north-westerly in a straight line to the most southerly extremity of Beausoleil Island of Georgian Bay; thence north-westerly in a straight line to the most northerly extremity of Giants Tomb Island of Georgian Bay; thence north-westerly in a straight line to its intersection with a line drawn south astronomically from the north-east angle of the Township of Rutherford where it is intersected by a line drawn east astronomically from the most southerly extremity of Lucas Island; thence west astronomically along the last-mentioned line to its intersection with the international boundary between Canada and the United States of America; thence along the international boundary through Lake Huron, St. Clair River, Lake St. Clair, Detroit River,

Lake Erie, Niagara River, Lake Ontario, and the St. Lawrence River, to the interprovincial boundary between Ontario and Quebec; thence northerly along the interprovincial boundary to the point of commencement.

SCHEDULE 2

FORT FRANCES MINING DIVISION

Commencing where the westerly boundary of the Territorial District of Thunder Bay intersects the international boundary between Canada and the United States of America in Saganaga Lake; thence north astronomically along the boundary of the territorial district to the 48th mile post thereon at the parallel of latitude $49^{\circ} 6'$ north being also the 3rd. base line; thence west astronomically along the 3rd. base line 89 miles 56 chains 90 links, more or less, to the intersection with O.L.S. Niven's 6th. meridian line; thence north astronomically along the meridian line 5 miles 77 chains 25 links to the 24 mile post thereon; thence west astronomically along the base line run by O.L.S. Gillon in 1919 to the north-east angle of the Township of McLarty and continuing west astronomically along the northerly boundaries of the townships of McLarty and Claxton and the westerly production thereof to the high-water mark on the easterly shore of Sabaskong Bay of the Lake of the Woods; thence in a general westerly and south-westerly direction along the southerly shore of that bay and along the easterly shore of the Lake of the Woods to the 49th parallel of latitude, the point of intersection being at the southerly boundary of the Township of Morson; thence west astronomically 15 miles, more or less, to the international boundary between Canada and the United States of America; thence in a general southerly and easterly direction along that boundary to the point of commencement.

SCHEDULE 3

KENORA MINING DIVISION

Commencing at a point in the boundary between the territorial districts of Thunder Bay and Kenora at the southerly limit of the Grand Trunk Pacific Railway Block No. 7; thence south astronomically along that boundary to the 3rd base line; thence west astronomically along the 3rd base line a distance of 89 miles 56 chains and 90 links, more or less, to the intersection with O.L.S. Niven's 6th meridian line; thence north astronomically along the 6th meridian line 5 miles 77 chains and 25 links to the 24 mile post thereon; thence west astronomically along the base line run by O.L.S. Gillon in 1919 to the north-east angle of the Township of McLarty and continuing west astronomically along the northerly boundary of the townships of McLarty and Claxton and the westerly production thereof to the high-water mark on the easterly shore of Sabaskong Bay of the Lake of the Woods; thence in a general westerly and south-westerly direction along the southerly shore of that bay and along the easterly shore of the Lake of the Woods to the 49th parallel of latitude, the point of intersection being at the southerly boundary of the Township of Morson; thence west astronomically 15 miles, more or less, to the international boundary between Canada and the United States of America; thence north-westerly along that boundary to its intersection with the interprovincial boundary between Manitoba and Ontario; thence north astronomically along the last-mentioned boundary to a rock post and stone monument marked No. 105, B.M. No. 33, Mile 90/- 25 chains and 78 links; thence east astronomically 26.5 miles, more or less, to longitude $94^{\circ} 30'$ west; thence south astronomically along that longitude 23 miles, more or less, to the 7th base line run by O.L.S. Phillips and O.L.S. Benner in 1927 and 1928; thence easterly along the 7th base line to its intersection with

the 6th meridian line (near the west end of Lac Seul) run by O.L.S. Patten in 1919; thence south astronomically along the 6th meridian line to the north-west angle of the Township of Rowell; thence southerly along the westerly boundary of that township to the south-west angle thereof; thence easterly along the southerly boundary of that township to the south-east angle thereof; thence southerly along the easterly boundary of the Township of Britton to the south-east angle thereof; thence easterly along the northerly boundaries of the townships of Zealand, Brownridge and Laval to the north-east angle of the last-mentioned township; thence southerly along the easterly boundary of that township to the south-east angle thereof; thence easterly along the northerly boundary of the Township of Hartman, 3.96 chains to the north-east angle thereof; thence southerly along the easterly boundary of that township 85 links to its intersection with the base line run by O.L.S. Phillips and O.L.S. Benner in 1932, the point of intersection being the north-west angle of the Township of MacFie; thence easterly along the base line to the boundary between the territorial districts of Kenora and Thunder Bay; thence south astronomically along the boundary to the point of commencement.

SCHEDULE 4

KOWKASH MINING DIVISION

Commencing at a point on the boundary between the territorial districts of Cochrane and Thunder Bay, being the south-east angle of the Township of Henderson; thence west astronomically along the southerly boundaries of the townships of Henderson, Selwyn, Barlow, Goodwin, Chipman and Raynar to the south-west angle of the last-mentioned township; thence north astronomically along the westerly boundary of the Township of Raynar to its intersection with the base line run by O.L.S. Phillips and O.L.S. Benner in 1934 and 1936, the point of intersection also being the south-east angle of the Township of Fautoux; thence west astronomically along the southerly boundary of that township and the base line run by O.L.S. Phillips and O.L.S. Benner 70 miles, more or less, to the high-water mark on the easterly shore of Lake Nipigon, at or near Humbolt Bay; thence in a general westerly direction following the northerly shore of Lake Nipigon in all its windings to the southerly shore of the Wabinoash River, where it enters Wabinoash Bay of Lake Nipigon; thence in a general north-westerly direction following the southerly shore of Wabinoash River, Wabinoash Lake, Waweig Lake, Nameiben Lake, Vale Lake, and a small unnamed lake immediately north of Vale Lake, and their connecting streams, to the intersection of the southerly shore of the small unnamed lake, with the westerly boundary of the Nipigon Forest Reserve; thence north astronomically along the westerly boundary of the Reserve, and continuing north astronomically to the high-water mark on the southerly shore of the Albany River; thence in a general easterly direction, along the southerly shore of the Albany River and its Lake expansions to the intersection with the northerly production of the meridian line run by O.L.S. Niven in 1907 and 1908; thence south astronomically along the production and the meridian line to the south-east angle of the Township of Henderson, being the point of commencement.

SCHEDULE 5

LARDER LAKE MINING DIVISION

Commencing at a point on the interprovincial boundary between Ontario and Quebec, being also the north-east angle of the Township of Rattray in the Territorial District of Timiskaming; thence west astronomically along the northerly boundaries of the townships of Rattray, Skead, Catharine, Pacaud, Marquis, Blain and Gross to the north-west angle of the last-mentioned township; thence north astro-

nomically along the easterly boundaries of the townships of Holmes and Dunmore to the north-east angle of the last-mentioned township; thence west astronomically along the northerly boundaries of the townships of Dunmore and Sheba to the north-west angle of the last-mentioned township being also the south-east angle of the Township of Michie; thence north astronomically along the easterly boundaries of the townships of Michie and Timmins to the north-east angle of the last-mentioned township; thence west astronomically along the northerly boundary of the Township of Timmins to the north-west angle thereof; thence northerly along the easterly boundaries of the townships of Thomas, Macklen and German to the north-east angle of the last-mentioned township; thence west astronomically along the northerly boundary of the Township of German and its production across Frederick House Lake to the north-west angle thereof; thence north astronomically along the westerly boundary of the Township of Dundonald and its production across Frederick House Lake to the north-west angle thereof; thence east astronomically along the northerly boundary of the Township of Dundonald to the north-east angle thereof; thence north astronomically along the westerly boundary of the Township of Calvert to the north-west angle thereof; thence east astronomically along the northerly boundary of that township to the north-east angle thereof; thence north astronomically along the easterly boundaries of the townships of Aurora, Pyne, Fox, Kennedy, Laughton, Potter and Swartman to the north-east angle of the last-mentioned township; thence west astronomically along the northerly boundaries of the townships of Swartman and Inglis to the north-west angle of the last-mentioned township; thence north astronomically along the easterly boundaries of the townships of Agassiz, McAlpine, Maund, Harewood, Ganong, Lewers, Carss, Depencier, Stapells, Carroll, Ebbitt, Maher, Gaby and Ardagh to the north-east angle of the last-mentioned township; thence continuing north astronomically along the meridian line run by O.L.S.'s Beatty and Beatty in 1932 to its intersection with the southerly shore of James Bay; thence in a general south-easterly, easterly and north-easterly direction along the shore of James Bay to its intersection with the interprovincial boundary between Ontario and Quebec; thence southerly along that boundary to the north-east angle of the township of Rattray being the point of commencement.

SCHEDULE 6

MONTREAL RIVER MINING DIVISION

Commencing at the north-west angle of the Township of Sheba; thence west astronomically along the northerly boundaries of the townships of Robertson, McNeil and Cleaver to the north-west angle of last-mentioned township; thence south astronomically along the easterly boundary of the Township of Geikie to the south-east angle thereof; thence west astronomically along the southerly boundaries of the townships of Geikie, Bartlett, Musgrove, Doyle, Childerhose and Pharand to the south-west angle of the last-mentioned township; thence south astronomically along the westerly boundaries of the townships of Crothers, Northrup, Middleboro, Carter, and Jack to the south-west angle of the last-mentioned township; thence east astronomically along the southerly boundary of that township to the north-west angle of the Township of St. Louis; thence south astronomically along the westerly boundaries of the townships of St. Louis, Benneweis and Vrooman to the south-west angle of the last-mentioned township; thence east astronomically along the southerly boundary of the Township of Vrooman to the north-west angle of the Township of Edinburgh; thence south astronomically along the westerly boundary of the Township of Edinburgh to the south-west angle thereof; thence east astronomically along the southerly boundaries of the townships of Edinburgh, Inverness, Hennessy,

Moffat, Amyot, Browning, Dufferin, Leckie, Corley, Gamble, McGiffin and Rorke to the south-east angle of the last-mentioned township being also the south-west angle of the Township of Leo; thence north astronomically along the westerly boundary of the Township of Leo to the north-west angle thereof; thence east astronomically along the northerly boundary of that township to the north-east angle thereof being also the south-west angle of the Township of Klock; thence north astronomically along the westerly boundaries of the townships of Klock, Auld, Cane, Bryce, Robillard, Savard and Marquis to the north-west angle of the last-mentioned township being also the north-east angle of the Township of Blain; thence west astronomically along the northerly boundaries of the townships of Blain and Gross to the north-west angle of the last-mentioned township; thence north astronomically along the easterly boundaries of the townships of Holmes and Dunmore to the north-east angle of the last-mentioned township; thence west astronomically along the northerly boundaries of the townships of Dunmore and Sheba to the north-west angle of the Township of Sheba being the point of commencement.

SCHEDULE 7

PARRY SOUND MINING DIVISION

Commencing at a point on the interprovincial boundary between Quebec and Ontario, where it is intersected by the easterly production of the northerly boundary of the Township of Alice and Fraser of County of Renfrew; thence westerly along that production and the northerly boundary of the Township of Alice and Fraser to the north-west angle thereof; thence southerly along the easterly boundary of the Township of Master in the Territorial District of Nipissing to the south-east angle thereof; thence westerly along the southerly boundaries of the townships of Master and Guthrie to the north-east angle of the Township of Dickens; thence southerly along the easterly boundary of that township to the south-east angle thereof; thence westerly along the southerly boundary of that township to the north-east angle of the Township of Lyell; thence southerly along the easterly boundary of that township to the south-east angle thereof; thence westerly along the southerly boundaries of the townships of Lyell and Sabine to the south-west angle of the last-mentioned township; thence northerly along the westerly boundaries of the townships of Sabine and Airy to the north-west angle of the last-mentioned township; thence westerly along the southerly boundaries of the townships of Sproule, Canisbay, Peck, Finlayson and Sinclair to the north-east angle of the Township of Franklin; thence southerly along the easterly boundaries of the townships of Franklin and Ridout to the south-east angle of the last-mentioned township; thence westerly along the southerly boundary of that township to the north-east angle of the Township of Oakley; thence southerly along the easterly boundary of that township to the south-east angle thereof; thence westerly along the southerly boundary of the Township of Oakley to the south-west angle thereof; thence northerly along the westerly boundary of that township to the south-east angle of the Township of Draper; thence westerly along the southerly boundary of the Township of Draper to the north-east angle of the Township of Ryde; thence southerly along the easterly boundary of the Township of Ryde to the south-east angle thereof; thence westerly along the southerly boundary of the Township of Ryde to the south-west angle thereof; thence southerly along the easterly boundary of the Township of Morrison to the south-east angle thereof; thence westerly along the southerly boundary of that township and the production thereof to the centre of the main channel of the Severn River; thence in a general north-easterly, westerly and northerly direction following the centre of the main channel of the Severn River to Sparrow Lake; thence in a general easterly and southerly direction following the main channel of the Trent Canal system through Sparrow Lake, Severn River, Gloucester

Pool and Little Lake to the most easterly extremity of Canary Island in Georgian Bay; thence in a general south-westerly direction following the shore of Canary Island to the most southerly extremity thereof; thence north-westerly in a straight line to the most southerly extremity of Beausoleil Island of Georgian Bay; thence north-westerly in a straight line to the most northerly extremity of Giants Tomb Island of Georgian Bay; thence north-westerly in a straight line to its intersection with a line drawn south astronomically from the north-east angle of the Township of Rutherford where it is intersected by a line drawn east astronomically from the most southerly extremity of Lucas Island; thence north astronomically along the last-mentioned line to a point in the high-water mark of Georgian Bay of Lake Huron where it is intersected by the easterly boundary of the Township of Rutherford; thence in a general easterly direction along the north shore of Georgian Bay to the mouth of the French River; thence in a general north-easterly direction up the French River, following the boundary between the territorial districts of Parry Sound and Sudbury to the north-east angle of the Township of Scollard; thence east astronomically along the southerly boundary of the Township of Latchford and its production easterly to the boundary between the territorial districts of Nipissing and Parry Sound; thence easterly along the boundary between the territorial districts to the point where the southerly boundary of the Township of West Ferris meets the high-water mark on the shore of Lake Nipissing; thence northerly along the high-water mark to the southerly boundary of the Township of Widdifield; thence easterly along the southerly boundaries of the townships of Widdifield, Phelps, Orlig and Mattawan to the interprovincial boundary between Ontario and Quebec at the confluence of the Ottawa and Mattawa Rivers near the Town of Mattawa; thence south-easterly along the interprovincial boundary to the point of commencement.

SCHEDULE 8

PATRICIA MINING DIVISION

Commencing at a point in the boundary between the territorial districts of Thunder Bay and Kenora at the southerly limit of the Grand Trunk Pacific Railway Block No. 7; thence east astronomically along the southerly limit of Block No. 7 to the south-east angle thereof; thence north astronomically along the easterly limit of Block No. 7, a distance of 6 miles, more or less, to the base line run by K. G. Ross, O.L.S. in 1922; thence east astronomically along that base line to the westerly boundary of the Nipigon Forest Reserve run by O.L.S. Phillips and O.L.S. Benner in 1920; thence north astronomically along the westerly boundary of the Reserve, and continuing north astronomically to the high-water mark on the southerly shore of the Albany River; thence in a general easterly direction, along the southerly shore of the Albany River and its lake expansions to the mouth of the Albany River on the west shore of James Bay; thence in a general northerly, westerly and north-westerly direction following the west shore of James Bay and the south shore of Hudson Bay to the interprovincial boundary line between Manitoba and Ontario; thence south-westerly along that boundary to its intersection with a line drawn north astronomically from the north-west angle of the Territorial District of Thunder Bay; thence south astronomically along that line to the 10th base line as run by O.L.S. Phillips and O.L.S. Benner in 1929, which extends west astronomically from the south-east angle of the Township of Ponsford; thence west astronomically along the 10th base line to the 4th meridian line, which extends north astronomically from the south-east corner of the Township of Ignace; thence south astronomically along the 4th meridian line to the 7th base line as run by Phillips and Benner in 1927, which extends east astronomically from a point on the boundary between Ontario and Manitoba distant 52.861 chains north of monument No. 90 on

that boundary; thence west astronomically along the 7th base line to the 6th meridian line, which extends north astronomically through the south-west angle of the Township of Rowell; thence south astronomically along the 6th meridian line to the north-west angle of the Township of Rowell; thence southerly along the westerly boundary of that township to the south-west angle thereof; thence easterly along the southerly boundary of that township to the south-east angle thereof; thence southerly along the easterly boundary of the Township of Britton to the south-east angle thereof; thence easterly along the northerly boundaries of the townships of Zealand, Brownridge and Laval to the north-east angle of the last-mentioned township; thence southerly along the easterly boundary of that township to the south-east angle thereof; thence easterly along the northerly boundary of the Township of Hartman, 3.96 chains to the north-east angle of that township; thence southerly along the easterly boundary of that township, 85 links to its intersection with the base line run by O.L.S. Phillips and O.L.S. Benner in 1932, the point of intersection being the north-west angle of the Township of MacFie; thence east astronomically along the base line to its intersection with the boundary between the territorial districts of Kenora and Thunder Bay; thence south astronomically along the boundary to the point of commencement.

SCHEDULE 9

PORCUPINE MINING DIVISION

Commencing at the south-east angle of the Township of Michie; thence north astronomically along the easterly boundaries of the townships of Michie and Timmins to the north-east angle of the last-mentioned township; thence west astronomically along the northerly boundary of the Township of Timmins to the north-west angle thereof; thence north astronomically along the easterly boundaries of the townships of Thomas, Macklen and German to the north-east angle of the last-mentioned township; thence west astronomically along the northerly boundary of the Township of German and its production across Frederick House Lake to the north-west angle thereof; thence north astronomically along the westerly boundary of the Township of Dundonald and its production across Frederick House Lake to the north-west angle thereof; thence east astronomically along the northerly boundary of the Township of Dundonald to the north-east angle thereof; thence north astronomically along the westerly boundary of the Township of Calvert to the north-west angle thereof; thence east astronomically along the northerly boundary of that township to the north-east angle thereof; thence north astronomically along the easterly boundaries of the townships of Aurora, Pyne, Fox, Kennedy, Laughton, Potter and Swartman to the north-east angle of the last-mentioned township; thence west astronomically along the northerly boundaries of the townships of Swartman and Inglis to the north-west angle of the last-mentioned township; thence north astronomically along the easterly boundaries of the townships of Agassiz, McAlpine, Maund, Harewood, Ganong, Lewers, Carss, Depencier, Stapells, Carrol, Ebbitt, Maher, Gaby, and Ardagh to the north-east angle of the last-mentioned township; thence continuing north astronomically along the meridian line run by O.L.S.'s Beatty and Beatty in 1932 to its intersection with the southerly shore of James Bay; thence in a general north-westerly direction along the southerly shore of James Bay to Port Albany; thence in a general south-westerly direction along the southerly shore of the Albany River to its intersection with the northerly production of the westerly boundary of the Township of Mulvey; thence south astronomically along the production to the north-west angle of the Township of Mulvey; thence continuing south astronomically along the westerly boundaries of the townships of Mulvey, Shannon, Devitt and Staunton to the south-west angle of the last-mentioned township; thence east astronomically along the southerly boundary of the Township of Staunton to the north-west

angle of the Township of Orkney, thence south astronomically along the easterly boundaries of the townships of Orkney, Caithness, Doherty and Byng to the south-west angle of the Township of Cromlech; thence east astronomically along the southerly boundaries of the townships of Cromlech, Usnac, Oscar, Concobar, Fenton, Slack, Stringer and Ford to the south-east angle of the last-mentioned township; thence south astronomically along the westerly boundary of the Township of Kirkland to the south-west angle thereof; thence east astronomically along the southerly boundary of that township to the north-west angle of the Township of Wilhelmina; thence south astronomically along the westerly boundaries of the townships of Wilhelmina, Moberly, Byers, Côté, Massey, Whitesides, Keefer, Hillary and Pharand to the south-west angle of the last-mentioned township; thence east astronomically along the southerly boundaries of the townships of Pharand, Childerhose, Doyle, Musgrove, Bartlett and Geikie to the south-east angle of last-mentioned township; thence north astronomically along easterly boundary of that township to the north-west angle of the Township of Cleaver; thence east astronomically along the northerly boundaries of the townships of Cleaver, McNeil and Robertson to the north-east angle of the last-mentioned township, being also the south-east angle of the Township of Michie and the point of commencement.

SCHEDULE 10

PORT ARTHUR MINING DIVISION

Commencing at a point in the boundary between the territorial districts of Thunder Bay and Kenora at the southerly limit of the Grand Trunk Pacific Railway Block No. 7; thence south astronomically along that boundary and the boundary between the territorial districts of Thunder Bay and Rainy River to the northerly shore of Saganaga Lake and the production southerly of that last-mentioned boundary to its intersection with the International Boundary Line between Canada and the United States of America in Saganaga Lake; thence in a general easterly direction along the international boundary to its intersection with a line drawn south astronomically from the point where the high-water mark on the shore of Lake Superior intersects the southerly boundary of the Township of Pic; thence north astronomically to the southerly boundary of that township; thence east astronomically along the southerly boundary of that township to the south-east angle thereof; thence north astronomically along the easterly boundary of that township to the northerly limit of the right of way of the Canadian Pacific Railway; thence easterly along the northerly limit of that right of way to its intersection with the boundary between the territorial districts of Algoma and Thunder Bay; thence north astronomically along that boundary and the boundary between the territorial districts of Cochrane and Thunder Bay, to the south-east angle of the Township of Henderson; thence west astronomically along the southerly boundaries of the townships of Henderson, Selwyn, Barlow, Goodwin, Chipman and Raynar to the south-west angle of the last-mentioned township; thence north astronomically along the westerly boundary of the Township of Raynar to its intersection with the base line run by O.L.S. Phillips and O.L.S. Benner in 1934 and 1936, the point of intersection also being the south-east angle of the Township of Fauteux; thence west astronomically along the southerly boundary of that township and the base line run by O.L.S. Phillips and O.L.S. Benner 70 miles, more or less, to the high-water mark on the easterly shore of Lake Nipigon, at or near Humbolt Bay; thence in a general westerly direction following the northerly shore of Lake Nipigon in all its windings to the southerly shore of the Wabinoash River, where it enters Wabinoash Bay of Lake Nipigon; thence in a general north-westerly direction following the southerly shore of Wabinoash River, Wabinoash Lake, Waweig Lake, Nameiben Lake, Vale Lake, and a small unnamed

lake immediately north of Vale Lake, and their connecting streams, to the intersection of the southerly shore of the small unnamed lake, with the westerly boundary of the Nipigon Forest Reserve, run by O.L.S. Phillips and O.L.S. Benner in 1920; thence south astronomically along the westerly boundary of the Reserve to the intersection of that boundary with the base line run by O.L.S. Ross in 1922; thence west astronomically along the base line to the easterly limit of the Grand Trunk Pacific Railway Block No. 7; thence south astronomically along the easterly limit of Block No. 7, a distance of 6 miles, more or less, to the south-east angle thereof; thence west astronomically along the south limit of Block No. 7 to the point of commencement.

SCHEDULE 11

RED LAKE MINING DIVISION

Commencing at a point in the interprovincial boundary between Manitoba and Ontario where a rock post and stone monument, marked No. 105, B.M. No. 33, Mile 90/-25.78 chains have been planted; thence east astronomically 26.5 miles, more or less, to longitude 94° 30' west; thence south astronomically along that longitude, 23 miles more or less, to the 7th base line run by O.L.S. Phillips and O.L.S. Benner in 1927 and 1928; thence easterly along the 7th base line to its intersection with the 4th meridian line, which extends north astronomically from the south-east angle of the Township of Ignace; thence north astronomically along the 4th meridian line to the 10th base line run by O.L.S. Phillips and O.L.S. Benner in 1929, which extends west astronomically from the south-east angle of the Township of Ponsford; thence east astronomically along the 10th base line to its intersection with a line drawn north astronomically from the north-west angle of the Territorial District of Thunder Bay; thence north astronomically to the interprovincial boundary between Manitoba and Ontario; thence south-westerly and southerly along that boundary to the point of commencement.

SCHEDULE 12

SAULT STE. MARIE MINING DIVISION

Commencing at the point where the high-water mark on the shore of Lake Superior intersects the southerly boundary of the Township of Pic; thence east astronomically along the southerly boundary of that township to the south-east angle thereof; thence north astronomically along the easterly boundary of that township to the northerly limit of the right of way of the Canadian Pacific Railway; thence easterly along the northerly limit of that right of way to the boundary between the territorial districts of Algoma and Thunder Bay; thence north astronomically along that boundary and the boundary between the territorial districts of Cochrane and Thunder Bay to the south-east angle of the Township of Henderson; thence continuing north astronomically along the meridian line run by O.L.S. Niven, in 1907 and 1908, and its production northerly to its intersection with the southerly shore of the Albany River; thence in a general easterly direction along the southerly shore of the Albany River to its intersection with the northerly production of the westerly boundary of the Township of Mulvey; thence south astronomically along the production to the north-west angle of the Township of Mulvey; thence continuing south astronomically along the westerly boundaries of the townships of Mulvey, Shannon, Devitt and Staunton, to the south-west angle of the last-mentioned township; thence east astronomically along the southerly boundary of the Township of Staunton to the north-east angle of the Township of Orkney; thence south astronomically along the easterly boundaries of the townships of Orkney, Caithness, Doherty and Byng to the south-east angle of the last-mentioned township, being also the north-east angle of the Township of Puskuta;

THE DEPARTMENT OF MUNICIPAL AFFAIRS ACT

O. Reg. 25/56.
Municipal Auditors.
New.
Made—2nd February, 1956.
Filed—22nd February, 1956.

REGULATIONS MADE UNDER THE DEPARTMENT OF MUNICIPAL AFFAIRS ACT

MUNICIPAL AUDITORS

INTERPRETATION

1. In these regulations
 - (a) "applicant" means applicant for a licence to perform the duties of a municipal auditor;
 - (b) "population" means
 - (i) when used with respect to a municipality, the number of inhabitants in the municipality as determined by the latest yearly census under section 27 of *The Assessment Act*, and
 - (ii) when used with respect to a local board in an unorganized township or unsurveyed territory, the number of inhabitants in the area served by that local board.

LICENCES

2.(1) A licence to perform the duties of a municipal auditor may be granted only upon written application to the Department.

(2) An applicant who is not the holder of a licence shall make application in Form 1.

(3) Where a person holding a licence with respect to any year desires to be granted a licence with respect to the next succeeding year, without examination, he may make application therefor in Form 2.

3.(1) A licence shall be in Form 3.

(2) A licence is not transferable.

(3) The fee for a licence granted

(a) upon examination is \$7.00, or

(b) without examination is \$2.00.

4.(1) There shall be 4 classes of licences, known respectively as "Class A", "Class B", "Class C", and "Class D".

(2) A Class A licence

(a) may be granted to an applicant

(i) who is a member of a qualifying body under *The Public Accountancy Act* and has taken the regular courses of that body and passed its final examinations or the equivalent thereof recognized by that body, and is a public accountant as defined in Clause e of Section 1 of that Act, or

(ii) who holds a Class B, or a Class C, licence whom the Department deems qualified for a Class A licence; and

(b) shall entitle the holder thereof to perform the duties of a municipal auditor for any municipality.

(3) A Class B licence

(a) may be granted to an applicant who holds a Class C licence whom the Department deems qualified for a Class B licence; and

(b) shall entitle the holder to perform the duties of a municipal auditor for a town, village, township, or improvement district, having a population under 10,000.

(4) A Class C licence

(a) may be granted to an applicant who passes the written examination prescribed under regulation 9; and

- (b) shall entitle the holder to perform the duties of a municipal auditor for a town, village, township, or improvement district, having a population under 5,000.

(5) A Class D licence

- (a) may be granted to any applicant whom the Department deems qualified for that class of licence;
- (b) shall entitle the holder to perform the duties of a municipal auditor for a village, township, or improvement district, having a population of not more than 1,000; and
- (c) may be limited to performing the duties of a municipal auditor for a specified municipality or local board, or two or more specified municipalities or local boards.

(6) Notwithstanding subregulations 3, 4 and 5, where an applicant is, at the time these regulations come into force, already engaged as a municipal auditor by a municipality for the year 1956, or any previous year, he may complete the audit regardless of the class of licence for which he is qualified under these regulations.

5. Every licence shall

- (a) be granted with respect to a specified year ending with the 31st of December, and
- (b) entitle the holder to perform the duties of a municipal auditor
 - (i) during that year,
 - (ii) and thereafter, with respect to that year.

QUALIFICATION

6. Subject to regulations 2 and 7, no licence shall be granted unless the applicant has satisfied the Department as to his qualifications by passing the written examination prescribed under regulation 9.

7.(1) Regulation 6 does not apply to an applicant

- (a) specified in subclause i of clause a of subregulation 2 of regulation 4, or
- (b) who holds a licence granted under these regulations, that has not been revoked, or expired more than 12 months, or
- (c) for a Class D licence, or
- (d) who
 - (i) holds a Class B licence, and has qualified for a Class A licence, or
 - (ii) holds a Class C licence, and has qualified for a Class B, or a Class A, licence.

(2) Notwithstanding the provisions of subregulation 1, the Department may require the holder of any licence to pass a written examination in order to establish or re-establish his qualification.

REFUSAL, SUSPENSION, OR REVOCATION

8.(1) Where the Department deems that a licence should be refused, suspended, or revoked because the applicant or licensee, as the case may be,

- (a) has failed to complete his municipal audit, or audits, on or before the date specified by the Department for completion; or

- (b) is not, or has ceased to be, qualified for the licence applied for, or held; or

- (c) has negligently made

- (i) a careless audit, or
 - (ii) an inaccurate and misleading report, or

- (d) from improper motives, has coloured a report, or

- (e) has abetted, acquiesced in, connived at, or concealed, irregularities

- (i) in the accounting system, books, or accounts, or

- (ii) by any officer, servant, agent, or member, of the council or board,

of a municipality for which he is municipal auditor,

the Minister may, after a hearing, refuse, suspend or revoke that licence.

(2) Clause b of subregulation 1 shall not apply, to refusal to grant a licence after examination under subregulation 1 of regulation 6 or subregulation 2 of regulation 7, where the applicant has failed to obtain the minimum marks prescribed in subregulation 4 of regulation 9.

(3) Before holding a hearing, the Minister shall send, by registered mail, to the applicant or licensee, at his address shown on his application for the licence, a notice

- (a) giving

- (i) the cause or causes under subregulation 1 alleged against him, and

- (ii) the nature of the evidence in support thereof; and

- (b) appointing the date, time, and place, for the hearing.

(4) The Minister shall allow at least 7 clear days between the date of sending the notice and the date for hearing.

(5) If the applicant or licensee fails to attend the hearing on the date and at the time and place appointed, the hearing may proceed and a decision may be made in his absence.

(6) At the hearing, the applicant or licensee shall be entitled to hear the evidence against him, to cross-examine thereon, to call witnesses in his behalf, and to present his argument.

(7) The applicant or licensee may be represented at the hearing by counsel or by an agent.

EXAMINATIONS

9.(1) Written examinations to qualify to perform the duties of a municipal auditor shall be

- (a) held at least twice a year,

- (b) uniform for all candidates presenting themselves at that examination,

- (c) conducted as arranged by the Department, and

- (d) held at such place or places as the Department deems appropriate for that examination.

- (2) Every examination shall consist of 3 papers, for each of which the maximum marks shall be 100.
- (3) The papers shall be with respect to
- (a) accounting,
 - (b) municipal law, and
 - (c) auditing.
- (4) No candidate shall be deemed qualified unless he obtains at least
- (a) 50 per cent on each of the 3 papers, and
 - (b) at least 60 per cent on the total examination.

THE REHABILITATION SERVICES ACT, 1955

O. Reg. 27/56.
General Regulations.
New and Revoking O. Reg. 167/55.
Made—23rd February, 1956.
Filed—27th February, 1956.

REGULATIONS MADE UNDER THE REHABILITATION SERVICES ACT, 1955

INTERPRETATION

1. In these regulations

- (a) "dependant" means the child of a handicapped person, who is
- (i) under 18 years of age, and
 - (ii) wholly dependent upon the handicapped person for support and maintenance, and
 - (iii) under school age, or
 - (iv) attending school, or
 - (v) unable to attend school because of physical or mental impairment;
- (b) "maintenance allowance" means an allowance granted to, or on behalf of, a handicapped person to maintain himself, or himself and his dependants, during the period he is receiving rehabilitation services authorized by the Director; and
- (c) "unmarried person" includes a widow, a widower, a divorced person, a married person who is living separate and apart from his spouse, and the husband of a recipient of an allowance under clause c of subsection 1 of section 2 of *The Mothers' Allowances Act, 1952*.

APPLICATION FOR REHABILITATION SERVICES AND FOR A MAINTENANCE ALLOWANCE

2.(1) An application for rehabilitation services shall be in Form 1.

(2) An application for a maintenance allowance shall be in Form 2.

(3) An application in Form 2 shall be accompanied by a consent to inspect assets in Form 3.

(4) An application in Form 1 shall be accompanied by a report of a duly qualified medical practitioner in Form 4.

(5) The local authority or representative of an approved organization shall fill out and complete an application in Form 1 or 2 in the presence of the applicant and the applicant shall sign the application in the presence of the local authority or representative of the approved organization.

(6) No local authority or representative of an approved organization shall charge any fee to, or receive any remuneration from or on behalf of, any applicant for the completing of an application in Form 1 or 2.

(7) The local authority or representative of an approved organization shall, immediately upon completion of an application in Form 1 or 2, send it to the Director.

(8) Where an applicant by reason of physical or mental impairment is unable to make an application in Form 1 or 2 in person, it may be made in his presence by some responsible person on his behalf.

FURTHER QUALIFICATIONS

3.(1) An unmarried person shall not be eligible for a maintenance allowance at a rate greater than will make his aggregate income equal \$960 a year.

(2) An unmarried person who has dependants shall not be eligible for a maintenance allowance at a rate greater than will make his aggregate income equal \$1,380 a year.

(3) A married person with no dependants who is living with his spouse shall not be eligible for a maintenance allowance at a rate greater than will make the aggregate incomes of the married person and his spouse together equal \$1,560 a year.

(4) A married person with dependants who is living with his spouse shall not be eligible for a maintenance allowance at a rate greater than will make the aggregate incomes of the married person and his spouse together equal \$1,680 a year.

4.(1) Where an unmarried person has in his own right, or held in trust for him, an amount in excess of \$1,000 in liquid assets, he shall not be eligible for a maintenance allowance unless all those assets are applied, in such manner as may be approved by the Director, to provide for a series of future monthly or other periodic payments towards his maintenance.

(2) Where a person is married and is living with his spouse and they, jointly or severally, have in their own right, or held in trust for them, an aggregate amount in excess of \$2,000 in liquid assets, the married person shall not be eligible for a maintenance allowance unless all those assets are applied, in such manner as may be approved by the Director, to provide for a series of future monthly or other periodic payments towards the maintenance of them jointly.

(3) In computing liquid assets the Director shall include cash, bonds, debentures, stocks and any other assets which can readily be converted into cash but shall not include a mortgage receivable or the cash surrender value of insurance policies.

INCOME

5. In computing net revenue from real or personal property, all reasonably necessary expenses for preservation, maintenance, and use, of the property shall be deducted from the gross revenue.

6.(1) The net revenue from real property not used as the residence of the applicant for, or recipient of, a maintenance allowance shall be the gross revenue less taxes, insurance, upkeep and other reasonable expenses.

(2) Where the applicant for, or recipient of, a maintenance allowance has his residence in real property owned by himself, or by his spouse, and the owner receives revenue from other parts of it, the net revenue shall be

- (a) 40 per cent of the gross revenue from board, or board and lodging furnished,
- (b) 50 per cent of the gross revenue from rooms rented furnished or unfurnished, and
- (c) 50 per cent of the gross revenue from use or occupation of any other part.

7.(1) Where an applicant for, or a recipient of, a maintenance allowance, or his spouse, has made, within one year preceding the date of application, or at any time subsequent thereto, makes, an assignment or transfer of real or personal property, the applicant or recipient shall furnish to the Director full particulars concerning the assignment or transfer.

(2) If, from the particulars so furnished, the Director determines that the assignment or transfer was made

- (a) for inadequate consideration, or
- (b) for the purpose of making the applicant or recipient eligible for a maintenance allowance, or for an amount of maintenance allowance greater than he would be otherwise eligible to receive,

the Director may direct that the income or assets be computed as though the assignment or transfer had not been made.

8.(1) In computing income the Director shall include

- (a) any maintenance allowance paid under the Act and these regulations,
- (b) any allowance, assistance, pension or benefit paid to the applicant for, or recipient of, a maintenance allowance, or to his spouse, under
 - (i) *The Blind Persons' Allowances Act, 1951,*
 - (ii) *The Disabled Persons' Allowances Act, 1955,*
 - (iii) *The Old Age Assistance Act, 1951,*
 - (iv) *the Old Age Security Act (Canada),*
 - (v) *the Pension Act (Canada),*
 - (vi) *the Unemployment Insurance Act, 1955 (Canada),*
 - (vii) *the War Veterans Allowance Act (Canada), or*
 - (viii) *The Workmen's Compensation Act,*
- (c) monthly or periodic payments under regulation 4,
- (d) net revenue from real property as computed under regulations 5 and 6,
- (e) any income computed under regulation 7,
- (f) any payments received by the applicant for, or recipient of, a maintenance allowance, or by his spouse, under a mortgage, agreement for sale, or loan agreement,
- (g) regular or periodic payments under any annuity, pension plan, superannuation scheme, or insurance benefit, and
- (h) the value of board and lodging, or board or lodging as determined under regulation 9.

(2) In computing income the Director shall not include

- (a) any payments for rehabilitation services made to, or on behalf of, a handicapped person other than a maintenance allowance,
- (b) real property used as the residence of the applicant for, or recipient of, a maintenance allowance and from which no revenue is derived by him or his spouse,
- (c) allowances paid to a spouse under *The Mothers' Allowances Act, 1952,*
- (d) family allowances paid under the *Family Allowances Act (Canada),*
- (e) cost-of-living allowances or supplemental allowances paid by a municipality to a person in receipt of
 - (i) a maintenance allowance under the Act and these regulations,
 - (ii) any allowance under *The Blind Persons' Allowances Act, 1951,*
 - (iii) any allowance under *The Disabled Persons' Allowances Act, 1955,*
 - (iv) any allowance under *The Old Age Assistance Act, 1951, or*
 - (v) a pension under the *Old Age Security Act (Canada),*
- (f) pay allotted or assigned by a member of the naval, military, or air forces of Canada, serving on active service, except where a dependant's allowance, under any law of Canada respecting armed forces, has been awarded for the applicant for, or recipient of, a maintenance allowance, or for his spouse,
- (g) direct relief, paid out of moneys provided by a municipality or by Ontario,
- (h) donations made by a religious, charitable or benevolent organization,
- (i) contributions from any source to provide special care for the applicant for, or recipient of, a maintenance allowance, or his spouse,
- (j) an amount for the purpose of obtaining the services of a guide received by or for the applicant for, or recipient of, a maintenance allowance, or his spouse, who is blind within the meaning of *The Blind Persons' Allowances Act, 1951, or*
- (k) casual gifts of small value.

9.(1) Where board and lodging or board or lodging is to be, or is, provided free to a recipient of a maintenance allowance, the Director shall consider as income of the recipient, and in the case of a recipient who is married and living with his spouse, of the recipient and his spouse, a monthly amount determined as follows:

	Unmarried recipient \$	Married recipient \$
Lodging	10	15
Board	20	30
Board and Lodging	30	45

(2) Where board and lodging or board or lodging is to be, or is, provided to a recipient of a maintenance allowance for an amount less than the amounts respectively set forth under subregulation 1, the Director shall consider as income of the recipient, and in the case of a recipient who is married and living with his spouse, of the recipient and his spouse, an amount equal to the difference between the amount as determined in subregulation 1 and the amount actually being paid.

ADVISORY COMMITTEE

10. An advisory committee is established consisting of 5 persons to advise the Minister respecting the development and provision of rehabilitation services.

ADVISORY BOARD

11.(1) An advisory board is established consisting of 3 persons, of whom at least one shall be a duly qualified medical practitioner.

(2) The chairman of the advisory board shall be a duly qualified medical practitioner.

12.(1) The advisory board shall assist the Director in determining eligibility of applicants by

- (a) reviewing medical evidence submitted in support of the application,
- (b) obtaining any additional necessary evidence,
- (c) furnishing to the Director a report on the evidence with a specific finding as to whether or not the applicant may benefit from rehabilitation services, and
- (d) where the recommended rehabilitation services include vocational training, furnishing to the Director a report as to whether or not the vocational training and the subsequent employment would likely be detrimental to the health of the applicant.

(2) At such times as requested by the Director, the advisory board shall

- (a) review each case where rehabilitation services are being provided, and
- (b) advise the Director as to whether or not the recipient is benefiting from the rehabilitation services being provided.

KINDS OF REHABILITATION SERVICES AUTHORIZED

13. The kinds of rehabilitation services that may be authorized shall be the rehabilitation services available to a handicapped person under any agreement in writing in force from time to time between the Crown in right of Ontario and the Crown in right of Canada or an approved organization.

POWERS AND DUTIES OF FIELD WORKERS

14.(1) A field worker shall make such investigations and report in writing to the Director on any matter concerning a handicapped person as the Director may require.

(2) In the course of an investigation the field worker shall personally interview the handicapped person.

SUSPENSION OR CANCELLATION OF REHABILITATION SERVICES

15. The Director may suspend or cancel the rehabilitation services being provided for a handicapped person where, in the opinion of the Director, the handicapped person

- (a) fails to comply with the provisions of the Act or these regulations; or
- (b) fails to avail himself of the rehabilitation services authorized; or
- (c) is not benefiting from the rehabilitation services being provided; or
- (d) is not making satisfactory progress towards rehabilitation.

AMOUNT, MANNER AND TIMES OF PAYMENT

16.(1) Where an unmarried handicapped person is eligible for a maintenance allowance, the Director may direct payment of an allowance up to a maximum of \$60 a month, and, where the need is apparent to the Director, he may direct payment of a further sum not to exceed \$15 a month.

(2) Where an unmarried handicapped person has dependants and is eligible for a maintenance allowance, the Director may direct payment of an allowance up to a maximum of \$90 a month, and, where the need is apparent to the Director, he may direct payment of a further sum not to exceed \$15 a month.

(3) Where a married handicapped person is living with his spouse, has no dependants, and is eligible for a maintenance allowance, the Director may direct payment of an allowance up to a maximum of \$105 a month, and, where the need is apparent to the Director, he may direct payment of a further sum not to exceed \$15 a month.

(4) Where a married handicapped person is living with his spouse, has dependants, and is eligible for a maintenance allowance, the Director may direct payment of an allowance up to a maximum of \$115 a month, and, where the need is apparent to the Director, he may direct payment of a further sum not to exceed \$15 a month.

17. A maintenance allowance shall be paid by cheque, monthly in arrears, computed from the first day of the month in which a handicapped person receives rehabilitation services and shall cease to be paid from the first day of the month following the month in which the rehabilitation services are suspended, cancelled, discontinued, terminated, or completed.

18. The Director may direct payment of the cost of medical services to a handicapped person receiving a maintenance allowance provided under any agreement in writing in force from time to time between the Crown in right of Ontario and the Ontario Medical Association.

ADDITIONAL DUTIES OF THE DIRECTOR

19.(1) In determining the eligibility of an applicant for a maintenance allowance and the amount thereof, and in directing payment, the Director shall

- (a) cause an investigation to be made of the facts and of the circumstances of the applicant and spouse, and
- (b) satisfy himself as to
 - (i) the residence and marital status of the applicant,
 - (ii) the ages of the dependants of the applicant, and
 - (iii) the income and assets of the applicant and spouse.

(2) The Director may from time to time rescind or amend any previous determination or direction so that maintenance allowances may conform to any changes in circumstances coming to his notice from investigations, or reports, and information obtained under subregulation 3.

- (3) In order that the Director may rescind or amend any determination or direction each recipient shall
- (a) report forthwith to the Director any increase, or decrease, in the amount of
 - (i) his income and assets, or of the income and assets of his spouse, or
 - (ii) the real property of the recipient, or of his spouse,

- (b) undergo such periodic examinations by duly qualified medical practitioners as the Director may appoint, and
- (c) furnish such information as the Director deems necessary.

REVOCATION

20. Ontario Regulations 167/55 are revoked.

- (e) District 5, comprising the counties of Glengarry and Stormont; and
- (f) District 6, comprising the counties of Carleton, Prescott, Renfrew and Russell.

(2) A producer in a territorial district, the Provisional County of Haliburton, or a county not included in a district mentioned in subsection 1, may become a member of the county association of cheese producers nearest to his place of production.

4. Section 6 of schedule 1 of Ontario Regulations 81/55 is revoked and the following substituted therefor:

COUNTY ASSOCIATION OF CHEESE PRODUCERS

6. Producers in each of the counties named in subsection 1 of section 5 shall form an association of producers to be known as a "county association of cheese producers".

5. Section 8 of schedule 1 of Ontario Regulations 81/55 is revoked and the following substituted therefor:

8.(1) The county association of cheese producers in each county in a district named in subsection 1 of section 5 shall on or before the 31st of December in each year elect from the producers in the county 5 members to the District Cheese Producers Committee.

(2) Where the production of cheese in a county for the 12-month period ending with the 30th of September in any year is more than 4,500,000 pounds, the county association of cheese producers of the county in addition to the election of the members under subsection 1, shall on or before the 31st of December in that year elect from the producers in the county 1 member for each 1,000,000 pounds of cheese by which the production of cheese exceeds 3,500,000 pounds in that period.

6. Sections 9 and 10 of schedule 1 of Ontario Regulations 81/55 are revoked and the following substituted therefor:

ELECTION OF LOCAL BOARD

- 9.(1) Each District Cheese Producers Committee shall on or before the 15th of March in the year 1956 elect from the producers in the district 1 member to the local board.
- (2) The member elected under subsection 1 from each of the districts named
 - (a) in clauses *b* and *c* of subsection 1 of section 5 shall be a member of the local board for a 1-year term,
 - (b) in clauses *a* and *f* of subsection 1 of section 5, shall be a member of the local board for a 2-year term, and
 - (c) in clauses *d* and *e* of subsection 1 of section 5, shall be a member of the local board for a 3-year term.
- (3) When the term for which any member elected to the local board expires in any year, the District Cheese Producers Committee of the district for which he was elected shall, on or before the 15th of March in that year, elect as his successor a producer to the local board for a 3-year term.
- (4) When in any year a District Cheese Producers Committee fails to elect the member to the local board in accordance with subsection 1, or 3, the members of all District Cheese Producers Committees may elect on or before the 31st of March of that year a producer as the member to the local board from that district.

APPOINTMENTS TO LOCAL BOARD

- 10.(1) Subject to subsection 5, when in any year
 - (a) a District Cheese Producers Committee fails to elect a member to the local board in accordance with subsection 1, or 3, of section 9, and
 - (b) the members of all District Cheese Producers Committees fail to elect a member in accordance with subsection 4 of section 9,

the local board at its first meeting after the 31st of March shall appoint such producers as are necessary to complete the local board.

- (2) When a member of the local board dies or resigns before the 1st of January of the year next following the date of his election or appointment, the members of the local board may appoint as his successor a producer until the 31st of December of the year in which the death or resignation occurred.
- (3) Each member appointed to the local board under subsection 1 or 2 shall be a producer in the district for which he is appointed.
- (4) Where the local board makes an appointment under subsection 2 and the term of the member who died or resigned does not expire before the date of ending of the next annual meeting, if any, of producers, the election of a successor for the remainder of the unexpired term shall be made by the District Cheese Producers Committee for the district for which the member was elected.

- (5) Where the District Cheese Producers Committee fails to elect a member under subsection 4 before the 15th of March, the local board shall make the appointment at its first meeting after the 15th of March.

7. Schedule 1 of Ontario Regulations 81/55 is amended by adding thereto the following sections:

ANNUAL MEETING

- 11.(1) The local board may call an annual meeting of all producers.
- (2) The annual meeting shall be held after the 1st of January but not later than the 15th of March.

TERMINATION OF OFFICE

- 12.(1) Subject to subsection 2, where an annual meeting of producers
 - (a) is held in any year, the date and time on that date on which a term of office of a member of the local board ends in that year shall be the date and time at which the annual meeting ends, and
 - (b) is not held in any year, the term of office of a member of the local board ending in that year shall end with the 31st of March.
- (2) Every member of a local board shall continue in office until his successor is elected or appointed in accordance with these regulations.

THE LABOUR RELATIONS ACT

O. Reg. 56/56.

General Amendments.

Amending Regulations 236 of Consolidated Regulations of Ontario, 1950.

Made—12th April, 1956.

Filed—13th April, 1956.

THE LABOUR RELATIONS ACT

RULES MADE BY THE BOARD UNDER
THE LABOUR RELATIONS ACT

1. In these regulations "principal regulations" means Regulations 236 of Consolidated Regulations of Ontario, 1950.

2. The principal regulations are amended by adding thereto the following rule:

4a.(1) An application for a declaration concerning the status of a successor trade union shall be filed in triplicate and shall be in form 24.

(2) The registrar shall serve upon the employer named in the application an appropriate number of copies of a notice of filing of the application in form 25; and the employer shall post those copies immediately upon receipt thereof and keep them posted upon his premises, in conspicuous places where they are most likely to come to the attention of all employees who may be affected by the application, until the expiration of the 8th day from the date of service.

(3) The respondent upon whom a copy of an application and a notice of an application is served shall, within 7 days after service, inclusive of the day of service, file his reply, if any, in triplicate, in form 26.

(4) The registrar shall serve upon the trade union, named in the application as the predecessor trade union, a copy of the application and a notice of filing of application in form 6.

(5) A trade union upon which a copy of an application and a notice of filing of application is served shall, within 7 days after service, inclusive of the day of service, file its intervention, if any, in triplicate, in form 7.

(6) Any employee, or group of employees, affected by the application and not desiring that an affirmative declaration be made, whether or not that desire has been indicated in any other manner, shall inform the Board in writing of the desire before the expiration of the 8th day prescribed in sub-rule 2.

(7) The desire in writing of an employee, or group of employees, shall be signed by the employee or each member of the group of employees, as the case may be, and shall contain an address for service.

(8) The Board may dispose of the application without further notice to any person who

(a) has not filed a desire in writing,

(b) has filed a desire in writing which does not contain an address for service, or

(c) does not appear at the hearing subsequently held in connection with the application,

and without considering his desire in writing.

(9) An employee, or group of employees, may attend and be heard at the hearing by a representative.

2.(1) Upon receipt by the Board of an application or reference made under *The Public Vehicles Act*, *The Public Commercial Vehicles Act*, or any other Act, other than a reference of an operating licence by the Minister with a recommendation that the terms and conditions be reviewed, and subject to regulation 10, the Board shall cause a notice of hearing to be published in *The Ontario Gazette*.

(2) the notice of hearing shall

- (a) state the nature of the application or reference, and
- (b) fix the time, date and place of the hearing.

3. Subject to regulation 4, any person may make representations to the Board in respect of an application or reference.

4.(1) Any person who wishes to oppose the granting of the licence in respect of which an application or reference has been made, shall file an objection.

(2) Subject to regulation 10, the objection shall be filed at least 15 days before the date set for the hearing.

5. A respondent shall serve upon the applicant or person named in the reference, on or before the day on which his objection is filed,

- (a) his objection, and
- (b) a certified copy of his operating licence, if any.

6. The objection shall

- (a) be filed in quadruplicate,
- (b) be signed by the respondent or by his solicitor on his behalf,
- (c) contain a clear and concise statement of the grounds upon which the application is opposed,
- (d) contain the name and address of the respondent and his solicitor, if any, acting for him, and
- (e) contain proof of service under regulation 5.

7.(1) The applicant or person named in the reference may file a reply to each objection.

(2) The reply shall be filed at least 5 days before the date set for the hearing.

8.(1) The applicant or person named in the reference shall serve each respondent with the reply, if any, to his objection on or before the day on which the reply is filed.

(2) The reply shall

- (a) be filed in quadruplicate,
- (b) be signed by the applicant or person named in the reference or by his solicitor on his behalf, and
- (c) contain proof of service under subregulation 1.

9. Where an applicant under the Act or any other Act withdraws his application he shall forthwith

- (a) serve each respondent with a notice of the withdrawal, and
- (b) file the notice of withdrawal and proof of service under clause a.

10.(1) The Board may, in its discretion, publish notice of an application or reference in *The Ontario Gazette* without fixing a day for a hearing.

(2) If no objection is served and filed, in the manner prescribed by regulations 5 and 6, within 10 days of the publication, the Board may dispose of the application or reference summarily.

(3) If an objection is served and filed within 10 days of the publication, the Board shall fix a date for the hearing, on notice to all parties, and the procedure shall thenceforth be the same as for a proceeding to which this regulation does not apply.

REHEARING OR REVIEW

11.(1) Where

- (a) the Minister refers an operating licence to the Board with a recommendation that the terms and conditions be reviewed, or
- (b) the Board rehears an application under section 13 of the Act

the Board shall cause a notice of hearing to be published in *The Ontario Gazette*.

(2) The notice of hearing shall

- (a) name the holder of the operating licence which is the subject of the review, or the applicant in the application being reheard,
- (b) state the nature of the matter to be determined, and
- (c) fix the time, date and place of the hearing.

12. The Board shall cause the notice of hearing to be served upon the person named in the notice of hearing within 5 days of the publication thereof.

13.(1) Any person who wishes to make representations to the Board in respect of a rehearing or review shall file a statement.

(2) The statement shall be filed at least 10 days before the date set for the hearing.

14. The statement shall

- (a) be filed in quadruplicate,
- (b) be signed by the person who wishes to make representations, or by his solicitor on his behalf,
- (c) contain a clear and concise statement of the representations to be made at the hearing, and
- (d) contain the name and address of the person who wishes to make the representations and his solicitor, if any, acting for him.

STATED CASE

15.(1) Where a party to proceedings before the Board applies under subsection 1 of section 16 of the Act for a stated case he shall file

- (a) a clear and concise statement of the facts upon which he applies to have a question of law determined, and
- (b) the question of law which he applies to have determined.

(2) Where the Board directs that a case be stated, it shall cause to be served a copy of the case to be stated upon all parties to the proceedings to which the stated case pertains.

SERVICE AND FILING

16.(1) Where any person is required to serve any notice, document or paper, in proceedings before the Board, he shall serve it personally or by sending a true copy by registered mail to the person to be served at his address for service, or if there is no address for service, at his last-known or usual address.

(2) Where the name and address of a solicitor of a party to a proceeding is endorsed on or is shown in an application, objection or reply, any notice, document or paper required to be served upon the party may be served upon the solicitor personally or by sending a true copy by registered mail to the solicitor at his last-known or usual address, and that service shall be deemed to have been good and sufficient service.

(3) Where

- (a) the number of persons affected by an application is so large that in the opinion of the Board it is not practicable to serve the persons under subregulation 1, or
- (b) the party required to serve any notice, document or paper upon another person proves to the satisfaction of the Board that service cannot be effected or it is not expedient to effect service under subregulation 1,

the Board may direct that service upon the persons or person, as the case may be, be made by publication of the notice, document or paper in a publication set out in the direction of the Board, and the service shall be deemed to be good and sufficient service and to have been made on the date of publication.

17. Any notice, document or paper required to be filed may be filed by

- (a) depositing it at the office of the Board in the City of Toronto, or
- (b) mailing it by registered mail addressed to the Secretary of the Board at its office in the City of Toronto.

18.(1) Service by registered mail shall be deemed to have been made on the date of mailing.

(2) Filing by registered mail shall be deemed to have been made on the date of receipt at the office of the Board.

SUMMONING WITNESSES

19. A summons under subsection 1 of section 8 of the Act shall be in form 1.

AMENDMENTS

20.(1) An application, objection, reply or statement may be amended at the hearing by leave of the Board, upon such terms and conditions as the Board may deem advisable.

(2) No proceeding shall be deemed invalid by reason of any irregularity, or defect in form.

ENLARGING OR ABRIDGING TIME

21.(1) The Board may, if it deems it advisable, adjourn any hearing before it for such time and to such place and upon such terms as it may think fit.

(2) The Board may, upon such terms as it thinks fit, enlarge the time prescribed by these regulations for doing any act, serving, or filing any notice, document or paper or taking any proceeding and may exercise the power although application therefor is not made until after the expiration of the time prescribed.

(3) The Board may, upon such terms and conditions as it thinks fit, abridge the time prescribed by these regulations for doing any act, serving, or filing any notice, document or paper, or taking any proceeding.

GENERAL

22. The Board may direct that service be made upon any person who is not a party to the proceedings, and may add any person as a respondent at any time upon such terms as it deems just.

THE NURSING ACT, 1951

O. Reg. 71/56.
General Regulations.
Amending O. Reg. 48/52.
Made—3rd May, 1956.
Filed—7th May, 1956.

REGULATIONS MADE UNDER THE NURSING ACT, 1951

1. Regulation 1 of Ontario Regulations 48/52 is amended by re-lettering clause *a* as clause *aa* and by adding the following clause:

- (a) "board" means a board of directors, governors, trustees, commission or other governing body or authority of a hospital in which a school is established.

2. Ontario Regulations 48/52 are amended by adding the following regulations:

SCHOOL OF NURSING ADVISORY COMMITTEE

10a. On or before the 1st of July, 1956, the board shall establish a school of nursing advisory committee.

10b. (1) The advisory committee shall be composed of

- (a) the superintendent of the hospital in which the school is established,
- (b) the superintendent of the school,
- (c) the president of the medical staff of the hospital, and
- (d) not less than 4 and not more than 7 members who shall be appointed by the board under subregulations 2 and 3.

(2) The persons appointed by the board under clause *d* of subregulation 1 shall be:

- (a) one member of the board,
- (b) one member of the Alumnae Association, if any, of the school, who is recommended by the Alumnae Association,
- (c) one person who resides in the area served by the hospital, and
- (d) one duly qualified medical practitioner recommended by the medical staff of the hospital.

(3) Where the board appoints more than 4 persons, the fifth member shall be a person who resides in the area served by the hospital, and the sixth and seventh members shall be appointed from persons who reside in the area served by the hospital and from among duly qualified medical practitioners recommended by the medical staff of the hospital.

10c. (1) A member of the advisory committee appointed by the board shall hold office for a term of 2 years, and shall be eligible for re-appointment at the expiration of his term of office for a further term, but shall not thereafter be eligible for re-appointment until the expiration of a further 2 years.

(2) Where a member appointed by the board dies, resigns, or becomes incapacitated, the vacancy so caused shall be filled for the remainder of the term of such member by a person appointed by the board in the manner prescribed in regulation 10b.

10d. (1) The advisory committee shall

- (a) elect annually from its members a chairman and a secretary,
- (b) hold not fewer than 3 meetings a year,
- (c) by resolution determine the time and place of meetings and the procedure for summoning and conducting its meetings,
- (d) investigate and report to the board matters referred to it by the board,
- (e) investigate and make recommendations to the board in regard to any matter relating to the maintenance and management of the school, and
- (f) where the board appoints a superintendent, recommend one or more candidates for the board's consideration.

(2) A majority of the committee shall be a quorum.

SUPERINTENDENT

10e. On and after July 1, 1956, no person shall be appointed superintendent unless that person

- (a) is a registered nurse, and
- (b) has successfully completed a course of at least one year in nursing at a university acceptable to the Council, or the equivalent as determined by the Council.

10f. (1) The superintendent shall

- (a) be present at meetings of the board when matters relating to the policies, organization, administration and conduct of the education programme and management of the school are under discussion, and
- (b) submit annually to the board a report on the operation of the school over the previous year.

(2) The report referred to in clause *b* of subregulation 1 shall contain particulars of

- (a) the teaching staff,
- (b) the teaching programme,
- (c) the adequacy of facilities,
- (d) enrolment of student-nurses,
- (e) the health of student-nurses,
- (f) recommendations of the superintendent concerning the maintenance and conduct of the school, and

(g) such other matters as the superintendent may deem necessary or as the Board may direct.

Stuffed Articles.

Amending O. Reg. 13/44 (C.R.O. 481).

Approved—24th May, 1956.

Filed—28th May, 1956.

REGULATIONS MADE BY THE MINISTER UNDER THE PUBLIC HEALTH ACT

1. In these regulations "principal regulations" means Ontario Regulations 13/44.

2. Clauses *c*, *f*, *ff*, *fff*, *g* and *h* of regulation 1 of the principal regulations are revoked and the following substituted therefor:

(c) "new coloured material" means material which is not second-hand material and which has been dyed or coloured;

(f) "new white material" means material which is not second-hand material and which has not been dyed or coloured;

(g) "renovated" means repaired or renewed;

- (h) "second-hand" when used with reference to material means material which has been used other than in a manufacturing process; and
- (i) "second-hand" when used with reference to an article means an article which has been purchased from a retailer.

3. Regulation 2 of the principal regulations is amended by adding thereto the following subregulation:

- (2) No person shall use second-hand material in the construction, manufacture or renovation of any mattress, pillow, bolster, cushion, feather bed, comforter or upholstered furniture, but where any article is being renovated the material from that article may be used, but any material added for the purpose of the renovation shall be new white material or new coloured material.

4.(1) Subregulation 1 of regulation 3 of the principal regulations is amended by inserting after the word "retail" in the first line the words "or by auction".

(2) Subregulation 2 of regulation 3 of the principal regulations is revoked and the following substituted therefor:

- (2) Subregulation 1 shall not apply to a householder selling his own household articles on his own premises.

5. Regulation 4 of the principal regulations is revoked and the following substituted therefor:

- 4.(1) The label referred to in subregulation 1 of regulation 2 shall be made of muslin or linen, or the equivalent thereof approved by the Department, not less than six square inches in area and securely affixed to a conspicuous part of each article.

- (2) The label shall be lettered in English with

- (a) the name and address of the manufacturer, and

- (b) (i) where the article is filled with new white material exclusively, the words "contains new white material only" on a white label,

- (ii) where the filling of the article includes new coloured materials exclusively or together with new white material, the words "contains new coloured material" on a blue label, and

- (iii) where an article is second-hand, the words "a second-hand article" on a yellow label.

- (3) Where an article has been renovated, the label shall be lettered in English with

- (a) the name and address of the owner and of the renovator, and

- (b) the word "renovated" on a green label.

- (4) The designations "contains new white material only", "contains new coloured material", "a second-hand article" and "renovated" shall be printed in black letters at least $\frac{1}{4}$ inch in height and any other lettering shall be $\frac{1}{8}$ inch in height.

- (5) No other printing shall appear on the label.

6. Regulation 7 of the principal regulations is amended by inserting after the word "manufacture" in the second line the words "or renovation".

7. Regulation 8 of the principal regulations is revoked.

8. Regulation 9 of the principal regulations is amended by deleting the words "sterilized by a process" in the fourth line.

9. Regulation 10 of the principal regulations is amended by deleting the words "whether new or second-hand" in the first and second lines.

10. These regulations shall apply

- (a) to the manufacture and renovation of articles mentioned herein on and after the third day of July, 1956, and
- (b) to the retail sale of articles mentioned herein on and after the thirty-first day of August, 1956.

called

THE "CO-OPERATIVE ASSOCIATION"

OF THE FIRST PART

—and—

THE MINISTER OF AGRICULTURE
OF THE PROVINCE OF
ONTARIO,

hereinafter called

THE "MINISTER"

OF THE SECOND PART

WHEREAS the Co-operative Association has applied to The Co-operative Loans Board of Ontario under *The Co-operative Loans Act, 1956*, for a loan of

Dollars (\$.....) by the Lieutenant-Governor in Council upon the security of the real property of the co-operative association upon which the loan is to be made, more particularly described in Schedule "A" annexed hereto, and upon the security of the chattels of the Co-operative Association described in Schedule "B" annexed hereto.

1. NOW THIS AGREEMENT WITNESSETH that in consideration of the loan being made, THE CO-OPERATIVE ASSOCIATION COVENANTS:

- (a) to execute in favour of the Treasurer of Ontario first mortgage security in accordance with the provisions of the Act;
- (b) to employ a Manager approved of by the Minister, and to continue to employ a Manager so approved until the said loan and interest thereon have been paid in full;
- (c) to carry on the same business as is now by it carried on, but the Minister may consent to a change in the business carried on, but such consent shall not be deemed to permit a further change in the business without his consent;
- (d) to apply the loan for the purpose stated in its application therefor;

- (e) to transfer or sell no asset which is included in the security for the loan, without the consent of the Minister.

2. THE CO-OPERATIVE ASSOCIATION represents that it has complied with the provisions of the said *The Co-operative Loans Act, 1956*, Part V of *The Corporations Act, 1953* and the regulations.

3. PROVIDED that should the Co-operative Association be in breach of any of the covenants in this agreement, or otherwise violate any of the provisions of *The Co-operative Loans Act, 1956*, or the regulations, the balance of principal and interest thereon secured by mortgage given by the Co-operative Association in favour of the Treasurer shall thereupon become due and payable.

AND PROVIDED FURTHER that the provisions of this agreement shall be read along with the said mortgage and shall be deemed a part thereof.

IN WITNESS WHEREOF the Co-operative Association has hereunto affixed its corporate seal attested by its proper officers in that behalf, and the Minister of Agriculture has affixed the seal of the Department attested by his signature.

(2) An applicant for admission to the Pre-Teachers'-College Summer Course, First Year, shall submit his application not later than the 1st of April in the year in which he intends to enter the summer course.

(3) An applicant for admission to the Pre-Teachers'-College Summer Course, Second Year, shall submit his application not later than the 1st of June in the year in which he intends to enter the summer course.

CARDS OF ADMISSION

12.(1) Subject to subregulation 2, where an applicant has complied with the requirements for admission to a Teachers' College course, with the exception of the medical examination, the Deputy Minister shall send him a card of admission in form 4.

(2) Where the number of applicants for admission to the Pre-Teachers'-College Summer Course, First Year, exceeds the number which in the opinion of the Minister is required to meet the anticipated shortage of elementary-school teachers for the next-succeeding school year, the Minister shall determine the basis of selection of eligible applicants to be admitted.

(3) No applicant shall be admitted to a Teachers' College course unless he presents to the principal his card of admission.

COMMITTEES OF SELECTION

13.(1) Subject to regulation 14, the Minister shall annually appoint a committee of selection for each Teachers' College and for each Pre-Teachers'-College Summer Course, First Year.

(2) Each committee of selection for a Teachers' College or summer course shall be composed of

- (a) the principal and instructional staff of the Teachers' College or summer course, as the case may be,
- (b) at least
 - (i) one public school inspector, and
 - (ii) one separate school inspector, and
- (c) at least one representative of the Ontario Teachers' Federation.

(3) The principal of the Teachers' College or of the Pre-Teachers'-College Summer Course, First Year, shall be chairman of the committee of selection for each Teachers' College or summer course, as the case may be.

(4) The recommendation of the committee of selection with regard to an applicant may be based upon an interview conducted by a person or persons appointed by the committee for this duty, and may be based in part upon the results of written tests prescribed by the Minister.

(5) No recommendation for the rejection of an applicant shall be based upon fewer than 2 interviews and at one of these interviews at least 3 members of the committee or selection shall be present.

(6) The recommendations of the committee of selection shall be made to the Minister, whose decisions with regard to them shall be final.

(7) Where an applicant is rejected on the recommendation of a committee of selection, the Minister shall refund to the applicant his transportation costs, board, and lodging in the manner provided in clauses b and c, respectively, of subregulation 6 of regulation 15.

(8) A representative of the Ontario Teachers' Federation appointed by the Minister to interview applicants on behalf of a committee of selection shall be paid at the rate of \$20 for a 6-hour day for each day of duty.

SPECIAL COMMITTEE

14.(1) The Minister shall appoint a special committee to perform the duties of the committee of selection in the case of an applicant who has received his elementary- or secondary-school education outside of Canada, the United Kingdom, or the United States of America.

(2) The special committee shall be composed of

- (a) the Registrar or a person named by him, who shall be chairman,
- (b) the Superintendent of Elementary Education or a person named by him,
- (c) the Superintendent of Secondary Education or a person named by him,
- (d) the Superintendent of Professional Training or a person named by him, and
- (e) a representative of the Ontario Teachers' Federation.

(3) The recommendations of the special committee shall be made to the Minister, whose decisions with regard to them shall be final.

(4) Where an applicant resident in Ontario is required to meet the special committee in Toronto, the minister shall refund to the applicant the cost in excess of \$5 of the return railway or bus fare from the station nearest his place of residence to Toronto and the cost of any necessary meals, sleeping-car accommodation, and lodging.

MEDICAL EXAMINATION

15.(1) An applicant shall not be admitted to a Teachers' College or a Pre-Teachers'-College Summer Course, First Year, until he passes a medical examination conducted by a duly qualified medical practitioner appointed by the Minister.

(2) The principal shall notify the applicant of the time and place at which he is to present himself for the medical examination.

(3) Subject to subregulation 4, the applicant shall pay a fee of \$2.50 for the medical examination.

(4) No fee shall be payable by an applicant who has been honourably discharged from active service in Her Majesty's forces.

(5) Where the practitioner certifies that an applicant has a physical condition which is likely to become aggravated but which is not sufficiently serious to prevent admission, the applicant shall not be admitted

unless he signs a document waiving his right to a pension under sections 28 and 29 of *The Teachers' Superannuation Act*.

(6) Where an applicant is enrolled as a teacher-in-training but fails to pass the medical examination, the Minister shall refund to the applicant

- (a) the fee for the examination,
- (b) the return coach-class railway fare or bus fare between the centre at which the course is offered and the station nearest the applicant's place of residence in Ontario, and
- (c) a sum for board and lodging at the rate of \$1 a day from the date the applicant began attendance at the course until the date he was notified of his exclusion by the principal.

(7) Where an applicant has passed the medical examination under this regulation in a previous year and again presents himself for admission to a Teachers' College or a Pre-Teachers'-College Summer Course, First Year, he may be exempted from another medical examination, but only if not more than 3 years have elapsed since the date of the examination.

16.(1) Where during the course the principal recommends to the Minister that a teacher-in-training be required to undergo a further medical examination, the Minister may

- (a) order a medical examination for the teacher-in-training, and
- (b) appoint a duly qualified medical practitioner to conduct the examination.

(2) Where the medical practitioner certifies that the teacher-in-training is medically unfit, the Minister shall direct the principal to notify the teacher-in-training of his exclusion.

DUTIES OF PRINCIPALS

17. The principal of a Teachers' College or a Pre-Teachers'-College Summer Course, as the case may be, shall

- (a) prescribe the duties of his staff,
- (b) be responsible for the efficiency of his Teachers' College or summer course, and
- (c) prepare such reports as are required from time to time by the Superintendent of Professional Training.

DUTIES OF TEACHERS-IN-TRAINING

18. Every teacher-in-training at a Teachers' College or a Pre-Teachers'-College Summer Course, as the case may be, shall

- (a) attend the classes punctually and regularly, and
- (b) submit to the discipline and authority of the principal.

SUSPENSION AND DISMISSAL OF TEACHERS-IN-TRAINING

19.(1) The principal may, after a hearing, suspend from the Teachers' College or the Pre-Teachers'-College Summer Course, as the case may be, at any time during the course a teacher-in-training whose conduct, progress, or attendance is unsatisfactory.

(2) Where the principal suspends a teacher-in-training he shall notify the Minister, who shall

- (a) remove, confirm, or modify the suspension, or

- (b) dismiss the teacher-in-training from the course.

REFUNDS OF TRAVELLING EXPENSES

20.(1) Where a teacher-in-training at the North Bay Teachers' College is a resident of Ontario, the Minister shall refund the cost in excess of \$5 of the coach-class railway fare or bus fare from the station nearest the place of residence of the teacher-in-training to the college in September and the fare for returning therefrom at the end of the school year.

(2) Where a teacher-in-training at a Pre-Teachers'-College Summer Course is a resident of Ontario, the Minister shall refund the cost in excess of \$5 of the coach-class railway fare or bus fare from the station nearest the place of residence of the teacher-in-training to the summer course centre to which he has been assigned, at the beginning of the course and the fare for returning therefrom at the end of the summer course.

PRACTICE SCHOOLS

21.(1) A principal of a Teachers' College shall, in co-operation with the boards and the inspectors or superintendents of schools concerned, select from the rural and urban schools of the locality teachers of experience and sound judgment who shall be known as "practice teachers".

(2) The practice teachers shall be in charge of the directed observation and practice teaching of the teachers-in-training.

22. The instructional staff of the Teachers' College, in co-operation with the practice teachers, shall determine the final standing of the teachers-in-training in practice teaching.

23. The principals and teachers of the practice schools shall, for the purpose of the Teachers' College concerned, be subject to the authority of the principal of the Teachers' College.

24. The principal of the Teachers' College shall, in co-operation with the principals of the practice schools, arrange the time-table for observation and practice teaching.

25. A practice teacher shall permit teachers-in-training to enter his classroom for observation and practice teaching.

26. Where a dispute arises between the principal of a Teachers' College and the principal or teacher of a practice school in connection with any matter affecting the Teachers' College, it shall be submitted for settlement to the board of the practice school and, in the event of continued disagreement, to the Minister, whose decision shall be final.

SESSIONAL RECORDS

27.(1) The instructional staff of a Teachers' College or of a Pre-Teachers'-College Summer Course, as the case may be, shall keep a record of the term work of each teacher-in-training, to be known as a "sessional record".

(2) A sessional record of a teacher-in-training of a Teachers' College shall be based on

- (a) observation in practice schools,
- (b) oral and written class tests,
- (c) practical work,
- (d) practice in valuing answer papers of practice-school pupils, and
- (e) term examinations.

(3) The instructional staff of a Teachers' College shall take into consideration in determining the sessional record of a teacher-in-training his attitude to his work and his adaptability to teaching.

(4) A sessional record of a teacher-in-training of a Pre-Teachers'-College Summer Course shall be based upon oral and written class tests.

28. Where a teacher-in-training obtains a sessional record of at least 66 per cent in a subject, the principal may exempt him from writing the final examination in that subject.

FINAL EXAMINATIONS

29.(1) The final examinations of the Teachers' Colleges and the Pre-Teachers'-College Summer Courses shall be conducted under the supervision of the Superintendent of Professional Training in accordance with a time-table determined by the Minister.

(2) The question papers for the final examinations shall be prepared by the instructional staff of each Teachers' College or Pre-Teachers'-College Summer Course, as the case may be.

(3) The answer papers for the final examinations shall be marked by the staff of each Teachers' College or Pre-Teachers'-College Summer Course, as the case may be.

(4) The Minister may direct the principal of a Teachers' College to admit to the final examinations a teacher-in-training who has previously failed in one or more subjects of a Teachers' College course.

EXAMINATION RESULTS

30.(1) Subject to subregulation 3, the maximum number of marks for each subject shall be 200 of which 100 shall be for the sessional record and 100 for the final examination.

(2) The maximum number of marks for practice teaching shall be 1000.

(3) The standing of extramural teachers-in-training shall be determined by the final examinations in which case the maximum number of marks for each subject shall be 200.

31. Where a teacher-in-training in the One-year Course, or in the second year of the Two-year Course, or in the Completing Year of the In-service Course

- (a) has complied with the requirements for admission to the course,
- (b) has obtained at least 600 marks in practice teaching, and
- (c) has, for each subject of the course,
 - (i) been exempted under regulation 28 from writing the final examination, or
 - (ii) obtained a total of at least 120 marks for the sessional record and the final examination,

the principal of the Teachers' College and the Superintendent of Professional Training shall report to the Deputy Minister that the teacher-in-training has successfully completed the course.

32. Where a teacher-in-training in the Primary School Specialist's Course

- (a) has complied with the requirements for admission to the course,
- (b) has obtained at least 600 marks in practice teaching, and

(c) has, for each subject of the course,

- (i) been exempted under regulation 28 from writing the final examination, or
- (ii) obtained a total of at least 120 marks for the sessional record and the final examination,

the principal of the Teachers' College and the Superintendent of Professional Training shall report to the Deputy Minister that she has successfully completed the course.

33. Where a teacher-in-training in the Intermediate Art and Crafts Certificate Course

- (a) has also been a teacher-in-training in the One-year Course at the Toronto Teachers' College,
- (b) has completed successfully the special practice teaching and term assignments required in the course, and
- (c) has obtained at least 60 marks in the special final examination in art for the course,

the principal of the Teachers' College and the Superintendent of Professional Training shall report to the Deputy Minister that he has successfully completed the course.

34. Where the principal of a Teachers' College and the Superintendent of Professional Training are unable to report under regulation 31, 32, or 33 that a teacher-in-training has successfully completed his course, the teacher-in-training may repeat in a subsequent year the course in which he was enrolled but he shall be exempted from attendance during the months of September, October, November, and December.

35. Where a teacher-in-training in the Pre-Teachers' College Summer Course, First Year,

- (a) has complied with the requirements for admission to the course, and
- (b) has, for each subject of the course,
 - (i) been exempted under regulation 28 from writing the final examination, or
 - (ii) obtained a total of at least 120 marks for the sessional record and the final examination,

the Minister shall, upon the recommendation of the principal and the Superintendent of Professional Training, grant him a Temporary Certificate in form 5.

36. Where a teacher-in-training in the Pre-Teachers'-College Summer Course, Second Year,

- (a) has complied with the requirements for admission to the course, and
- (b) has, for each subject of the course,
 - (i) been exempted under regulation 28 from writing the final examination, or
 - (ii) obtained a total of at least 120 marks for the sessional record and the final examination,

the Registrar shall, upon the recommendation of the principal and the Superintendent of Professional Training, endorse his Temporary Certificate in item 2.

ADMISSION TO SECOND YEAR OF TWO-YEAR COURSE

37. Where a teacher-in-training in the first year of the Two-year Course

- (a) has obtained at least 600 marks in practice teaching, and
- (b) has, for each subject of the course,
- (i) been exempted under regulation 28 from writing the final examination, or
 - (ii) obtained a total of at least 120 marks for the sessional record and the final examination,

the Minister shall grant him admission to the second year of the course.

38.(1) Where a teacher-in-training in the first year of the Two-year Course

- (a) has obtained at least 600 marks in practice teaching, and
- (b) has failed to obtain at least 120 marks for the sessional record and the final examination in not more than 2 subjects of the course,

the Minister shall grant him conditional admission to the second year of the course.

(2) A teacher-in-training who has been granted conditional admission to the second year of the Two-year Course under subregulation 1 shall not be granted standing for the first year until he has passed the final examinations of a Teachers' College in one or more subsequent years in the subject or subjects in which he previously failed.

(3) Subject to subregulation 1, a teacher-in-training who has failed to obtain the standing necessary for admission to the second year of the Two-year Course may repeat the course by re-attending in the first year at any Teachers' College.

APPEALS

39.(1) Where a teacher-in-training in a Teachers' College passes in practice teaching but fails to pass the final examination in one or more subjects, or where a teacher-in-training in a Pre-Teachers'-College Summer Course fails to pass the final examination in one or more subjects, his case shall be re-considered if within 2 weeks after the examination results are announced he submits to the Deputy Minister

- (a) an appeal,
- (b) a statement of the grounds upon which the appeal is based, and
- (c) a fee of \$2 for each paper appealed.

(2) The appeal fee shall be refunded to a teacher-in-training whose appeal is successful.

- (c) "composite school" means a school used jointly by vocational-school pupils and high-school or collegiate-institute pupils;
- (d) "department" means a division of the organization of a secondary school wherein the equivalent of the full time of 2 teachers is employed in teaching the courses of study in one or more subjects by 3 or more teachers, under the direction and supervision of one of them;
- (e) "head of a department" means the teacher appointed to direct and supervise the work of other teachers in the department;
- (f) "Interim High School Assistant's Certificate, Type B" includes an Interim High School Assistant's Certificate granted under the Act before the 1st of July, 1945, and a Permanent High School Assistant's Certificate;

(g) "Interim High School Assistant's Certificate, Type A" includes an Interim High School Specialist's Certificate granted under the Act before the 1st of July, 1945, and a High School Specialist's Certificate;

(h) "Interim Vocational Certificate, Type B" includes an Interim Ordinary Vocational Certificate granted under the Act before the 1st of January, 1956, and a Permanent Vocational Certificate;

(i) "Interim Vocational Certificate, Type A" includes an Interim Vocational Specialist's Certificate granted under the Act before the 1st of January, 1956, and a Vocational Specialist's Certificate;

(j) "parent" includes guardian; and

(k) "shop director" means the teacher who is in charge of shop-work subjects in a vocational or composite school.

SITE, ACCOMMODATION, AND EQUIPMENT

2. The plans of a secondary school to be erected, added to, or altered shall be submitted to the Minister for his approval together with the details of the site thereof.

3. The architect's working drawings and specifications shall indicate clearly details of the construction, lighting, plumbing, heating, and ventilating.

4. The board shall furnish the Minister with

- (a) the architect's preliminary sketch-plans of the proposed school building or alterations in or additions to an existing school building,
- (b) a blue-print of the architect's preliminary sketch-plans,
- (c) a blue-print of the architect's completed working-drawings, and
- (d) a copy of the architect's specifications.

MAXIMUM ENROLMENT OF PUPILS

5. Where a secondary school has 5 or more teachers, there shall be not less than one teacher for every 30 pupils enrolled in the school.

SCIENCE ROOMS

6. Where a secondary school has 3 or more teachers, at least one classroom shall be equipped for the teaching of science.

DAILY SESSIONS

7.(1) The number of school hours of instruction in each day shall be not less than 5.

(2) Subject to subregulation 1, the board may authorize morning, noon, and afternoon recesses.

(3) The noon recess for pupils and teachers shall be not less than 40 minutes.

(4) Except with the approval of the Minister, classes shall not be held before 8 a.m. or after 5 p.m.

GRADE 13 COURSES OF STUDY

8. Where a secondary school has fewer than 4 full-time teachers, Grade 13 courses of study shall not be taught except with the approval of the Minister.

APPRENTICES IN INDUSTRY

9. With the approval of the Minister, a board may provide related training for apprentices in industry in day or evening courses of study.

EVENING COURSES OF STUDY

10.(1) A board may establish evening courses of study.

(2) With the approval of the Minister, a board may establish evening courses of study in post-Grade 12 technical subjects.

11. Where a board operates one or more vocational schools, all evening courses of study therein shall be conducted by the committee.

12. The accommodations and equipment of a day secondary-school may be used for evening courses of study.

13.(1) The subjects for evening courses of study shall be chosen by the board.

(2) The school year for evening courses of study shall consist of 2 terms which shall commence and end on dates determined by the board.

14.(1) Unless otherwise approved by the Minister, the minimum enrolment of pupils in an evening class at the commencement of a term shall be 15.

(2) Subject to subregulation 3, where the average attendance of pupils in an evening class for the first term is under 10, the class shall not be continued in the second term without the consent of the Superintendent of Secondary Education.

(3) In the case of a class in English and Citizenship or French and Citizenship, or both, for newcomers to Canada, where the average attendance of pupils for the first term is under 6, the class shall not be continued in the second term without the consent of the Superintendent of Secondary Education.

15.(1) The principal of an evening course of study shall

- (a) be responsible for the admission of pupils, and
- (b) determine the class or classes to which a pupil may be admitted.

(2) A pupil who attends a day elementary- or secondary-school shall not be admitted to an evening course of study except with the approval of the principal of the day school.

16.(1) Where, with the approval of the Minister, a board or committee establishes an evening course of study in post-Grade 12 technical subjects, the Minister shall, upon the recommendation of the principal of the school, grant a certificate to a pupil who has successfully completed the course.

(2) The certificate shall

- (a) specify the course taken and the subjects thereof,
- (b) state the length of the course, and
- (c) be signed by the Minister, the principal of the school, and the chairman of the board.

TEXT-BOOKS

17. The text-books approved under clause *zf* of subsection 1 of section 12 of the Act shall be used in Grades 9, 10, 11, and 12 of secondary schools.

18.(1) Subject to the approval of the board by resolution, the principal shall select the text-books for use in Grades 9 to 13, both inclusive, from the list of text-books approved under clause *e* of subsection 2 of section 10, or clause *zf* of subsection 1 of section 12 of the Act, as the case may be.

(2) When the inspector makes his official visit to a school, the principal shall furnish him with a copy of each of the text-book resolutions dated and certified by the secretary of the board.

REFERENCE BOOKS FOR GRADES 9 TO 13

19. Upon the recommendation of the principal and with the approval of the inspector, the board shall provide the school library with reference books in single copies or in numbers sufficient for class use by pupils in Grades 9 to 13, both inclusive.

NATIONAL ANTHEM

20. The national anthem shall be part of the daily opening exercises in a secondary school.

RELIGIOUS EXERCISES AND INSTRUCTION

21. A secondary school shall be opened each school day with religious exercises consisting of the systematic reading of the scriptures and the repeating of the Lord's Prayer.

22.(1) A board may by resolution direct the principal to choose the scripture passages from the Bible or from *Bible Readings for Schools*, issued by the Department.

(2) Where the board does not pass a resolution, the principal shall, after notifying the board, select the scripture passages from the Bible or from *Bible Readings for Schools*, issued by the Department.

(3) The scripture passages selected by the principal may be changed by resolution of the board for other passages from the Bible or from *Bible Readings for Schools*, issued by the Department.

23. As part of the religious exercises the board may direct

- (a) the teacher and pupils to read scripture passages at the close of the school day, and
- (b) the principal to suggest Bible passages to be memorized by the pupils.

24. A clergyman or any person designated by him may be authorized by resolution of the board to give religious instruction to pupils of his own denomination at times during the school day allotted by the principal, but the time so allotted by the principal shall not exceed one hour a week for any one class.

25. The clergymen of a number of denominations may be authorized by resolution of the board to select a person to give religious instruction to the pupils of those denominations at times during the school day allotted by the principal, but the time so allotted by the principal shall not exceed one hour a week for any one class.

6. Where

- (a) more than one clergyman obtains the board's permission to give religious instruction, and
- (b) the school accommodation is insufficient for the instruction to be given at the same time,

the board shall by resolution determine the day of the week that accommodation will be available for each denomination.

27. Religious instruction under these regulations shall be given in the school building.

EXEMPTION OF PUPILS AND TEACHERS

28.(1) Where a parent objects to his child taking part in religious exercises or instruction, the child may leave the classroom during the exercises or instruction or remain therein as the parent may direct.

(2) Before the teacher commences a religious exercise, the pupils on whose behalf objection has been made shall be allowed to leave the classroom.

29. Where a teacher notifies the board in writing that he has conscientious objection to holding religious exercises, the board shall make other provision for the holding of the exercises.

RELIGIOUS EMBLEMS

30. No religious emblem of a denominational nature shall be exhibited in a secondary school during school hours, except in the time allotted by the principal to religious instruction.

PRINCIPALS AND TEACHERS

31.(1) The head teacher of a secondary school shall be called the principal.

(2) Every teacher shall be qualified in accordance with these regulations.

32.(1) Where a high school has at least 5 teachers each of whom holds an Interim High School Assistant's Certificate, Type A, or a High School Specialist's Certificate, the Minister may designate the high school as a collegiate institute.

APPOINTMENT OF UNQUALIFIED PERSONS AS TEACHERS

58.(1) A board may in case of emergency appoint an unqualified person as a teacher for a period not exceeding 2 weeks.

(2) Where a board, after advertising at least 3 times in a newspaper having a provincial circulation and stating a salary, is unable to obtain a qualified teacher, the Minister, upon the application of the board, may accept other qualifications he deems equivalent thereto under clause *b* of subsection 1 of section 11 of the Act.

(3) Where the Minister accepts the qualifications of an unqualified person as a teacher, he may grant a letter of permission authorizing the board to employ that person for the period set forth in the letter, but not exceeding one year.

GUIDANCE OFFICERS

59. An officer appointed under clause *w* of section 33 of *The Schools Administration Act, 1954*, shall hold a Vocational Guidance Certificate or a Specialist's Certificate in Guidance.

DUTIES OF PRINCIPALS

60. A principal shall

- (a) have charge of his school and, where a public or separate school and a secondary school jointly occupy or use a school building or school grounds, have charge of those parts of the accommodations which the schools occupy or use in common,
- (b) refuse admission to
 - (i) a pupil not eligible for admission, or
 - (ii) a pupil who has been enrolled in another school and who does not present a statement of standing signed by the principal thereof,
- (c) be responsible for
 - (i) the registration, enrolment, and assignment of pupils to classes,
 - (ii) the keeping of records and the making of such attendance reports as the board or the Minister may require,
 - (iii) the transfer and promotion of pupils from one class or grade to another,
 - (iv) the maintenance of a school record for each pupil,
 - (v) the guiding and counselling of pupils with respect to their duties, the courses of study, the vocations to which the courses of study lead, and the requirements for admission thereto, and
 - (vi) the maintenance of close co-operation with the homes, industry, and business of the community,
- (d) arrange accommodation for pupils permitted to use the school building before or after school hours or during the noon recess,
- (e) provide supervision in the school building and on the school grounds during school hours, and over any other school activity authorized by the board,

- (f) supervise the cleanliness, temperature and ventilation of the school and report to the board any unsatisfactory conditions affecting the health or comfort of the pupils and staff,
- (g) assign suitable quarters for the lunch period,
- (h) report promptly to the board and the local medical officer of health
 - (i) any infectious or contagious disease in the school, and
 - (ii) any insanitary conditions in the school building, lavatories, or school grounds,
- (i) suspend a pupil for persistent truancy or opposition to authority, habitual neglect of duty, the use of profane or improper language, or conduct injurious to the morals of other pupils,
- (j) recommend to the board the appointment of additional teachers, where in his opinion additional teachers are necessary,
- (k) at the request of the board recommend appointments to the teaching staff,
- (l) allot the subjects of the time-table to the teachers,
- (m) assign to the teachers their supervisory duties,
- (n) supervise the instruction in the school and, assisted by the heads of departments, advise and assist the teachers,
- (o) make allowance in the time-table for special duties required of heads of departments and other teachers,
- (p) develop co-operation among the members of the staff by
 - (i) delegating duties to vice-principals, heads of departments, and the shop director,
 - (ii) calling meetings of the teachers to discuss matters relating to the management and organization of the school, and
 - (iii) formulating plans for obtaining the necessary co-ordination of effort,
- (q) report to the board on the efficiency of the teaching staff,
- (r) recommend to the board,
 - (i) the promotion of teachers, and
 - (ii) the demotion or dismissal of a teacher whose work or attitude is unsatisfactory, but only after warning the teacher in writing, giving him assistance, and allowing him a reasonable time to improve,
- (s) supervise the care of school property and equipment,
- (t) maintain a current inventory of school equipment,
- (u) submit to the board an annual budget for supplies and equipment,
- (v) approve proper requisitions from his teaching-staff for supplies and equipment,
- (w) at the request of the Minister, the board, or the inspector, furnish information with respect to the school premises, school discipline, the progress of pupils, or any other matter affecting the interests of the school,

- (x) report the progress of a pupil to the parent at least once each term,
- (y) report promptly to the parent any serious neglect of duty or infraction of the school rules by a pupil, and
- (z) issue a statement of standing to a pupil withdrawing from the school.

61. Where a school is under the jurisdiction of a superintendent of secondary schools, the principal's reports and recommendations to the board shall be transmitted to the board through the superintendent.

SUSPENSION OF PUPILS

62.(1) Where a pupil is suspended, the principal shall promptly notify the parent and the board.

(2) The parent may, after consultation with the principal, appeal to the board which may confirm, remove, or modify the suspension.

INJURY TO SCHOOL PROPERTY

63. Where a pupil injures or destroys school property and the pupil or parent does not compensate the board therefor within a reasonable time, the principal shall submit the matter to the board.

CLOSING SCHOOLS FOR CONFERENCES

64. A principal may close his school for not more than 2 days in any calendar year to allow members of his staff to attend a regional educational conference, and, at least one week before the conference, shall notify the resident or district secondary-school inspector.

DUTIES OF HEADS OF DEPARTMENTS

65. The head of a department shall

- (a) assist the principal, in co-operation with heads of other departments, in the general organization and management of the school,
- (b) be responsible to the principal for the organization and direction of his department,
- (c) supervise the preparation of
 - (i) details of the courses of study, and
 - (ii) the examinations for his department,
- (d) assist teachers in his department to improve their methods of instruction,
- (e) call meetings of the teachers in his department to discuss matters relating to the department and to exchange ideas on teaching problems,
- (f) prepare and furnish the principal with an annual budget for supplies and equipment for his department,
- (g) requisition, through the principal, equipment and supplies for his department,
- (h) maintain a current inventory of the equipment in his department,
- (i) be responsible for the maintenance and care of equipment and supplies under his charge,
- (j) teach during such periods as the principal may require,
- (k) assist the principal
 - (i) to plan additions or alterations to school buildings, and

- (ii) to recommend appointments to the teaching staff of the departments under his jurisdiction,
- (l) retain on file up-to-date copies of outlines of courses of study with sufficient detail to permit the effective co-ordination of those courses, and
- (m) assist teachers in maintaining proper standards and keeping adequate records of student work.

DUTIES OF SHOP DIRECTORS

66. A shop director shall

- (a) perform the duties of a head of a department as set forth in regulation 65,
- (b) supervise work performed by the pupils which has educational value and which does not conflict with any local labour-policy or with the courses of study,
- (c) be responsible to the principal for time-table allotments with respect to the subjects under his jurisdiction, and
- (d) comply with industrial safety-requirements for the departments under his jurisdiction.

DUTIES OF TEACHERS

67.(1) A teacher shall

- (a) be responsible for effective instruction and training in the subjects assigned to him, the management of his classes, and discipline in his classroom,
- (b) co-operate with the head of his department and the principal in securing a suitable selection, arrangement, and correlation of the subject-matter and materials of instruction,
- (c) prepare for use in his classes a teaching outline of the courses of study,
- (d) assist in maintaining discipline in the school and in fostering school spirit and morale, and
- (e) carry out the supervisory duties assigned by the principal.

(2) During an inspection the teacher shall submit to the inspector, on request, the teaching outline of the courses of study.

REQUIREMENTS RESPECTING PUPILS

68. A pupil shall

- (a) attend classes punctually and regularly,
- (b) submit to such discipline as would be exercised by a kind, firm, and judicious parent, and
- (c) be neat and clean in his person and habits, diligent in his studies, kind and courteous to his fellow-pupils, and obedient and respectful to the teachers.

69. Where a pupil returns to school after an absence, his parent shall, orally or in writing as the principal may require, give the reason for the absence.

70.(1) A pupil may temporarily retire from school at any time at the oral or written request of his parent.

(2) Where the principal believes that an unjustifiable use is being made of the privilege of retiring from school, he shall promptly notify the board.

71. Every pupil shall be responsible to the principal for his conduct on the school premises.

INSPECTION

72.(1) Notwithstanding regulation 61, during his official visit the secondary-school inspector shall

- (a) be in charge of the school, and
- (b) investigate

- (i) the qualifications and efficiency of the teachers,

- (ii) the adequacy and suitability of the school accommodations and equipment, and

- (iii) all matters affecting the progress, health, and comfort of the pupils.

(2) During his official visit the inspector may

- (a) direct teachers and pupils in regard to school exercises and discipline, and

- (b) consult with and advise the principal, teachers, and board on the organization, teaching, and administration of the school.

(3) Within 10 days after his official visit the inspector shall report to the Minister

- (a) the results of his investigations, and
- (b) his recommendations.

(4) The inspector shall report to the Minister promptly, and in any event within 10 days, any violation of the school Acts or regulations which comes to his attention.

REVOCATION OF REGULATIONS

73. The following are revoked:

- (a) Regulations 25, 37, 42, 44, 49, 52, and 73 of Consolidated Regulations of Ontario 1950,
- (b) Ontario Regulations 59/51, 296/51, and regulations 7, 8, 9, 10, and 11 of Ontario Regulations 319/51,

SCHEDULE 3

1. In the Township of Clarence and in the Town of Rockland, in the County of Russell, being

- (a) part of lots 31 to 37, both inclusive, concession 1 old survey in the Township of Clarence,
- (b) part of lots 23 to 30, both inclusive, in the Township of Clarence, now in the Town of Rockland,
- (c) part of lots 19 to 23, both inclusive, concession 1 old survey in the Township of Clarence,
- (d) part of the road allowance between the townships of Clarence and Cumberland,
- (e) part of the Montreal and Ottawa road, and
- (f) part of Edwards Street in the Town of Rockland,

and being a strip of land 100 feet wide lying between two lines drawn parallel to, on opposite sides of and distant 50 feet measured perpendicularly from a centre line and centre line produced, and, premising that all bearings are astronomic and are referred to the meridian through the south-east angle of lot 1 concession 1 old survey in the Township of Clarence, the centre line may be located as follows:

Commencing at a point in the centre line of the road allowance between the townships of Clarence and Cumberland, the centre line being the westerly limit of the herein-described land, the point being located by beginning at the intersection of the southerly limit of the Montreal and Ottawa road with the westerly limit of lot 37 concession 1 old survey, thence south 21° 44' 30" east along the westerly limit 129.75 feet, thence south 129.75 feet, thence south 71° 28' 30" west 33.05 feet to the point of commencement, thence north 71° 28' 30" east 1949.93 feet; thence north-easterly 1105.83 feet on a curve left of 5729.58 feet radius, the chord equivalent being 1104.12 feet measured north 65° 56' 45" east; thence north 60° 25' east 573.16 feet to a point in the line between lots 34 and 35 concession 1 old survey 102.04 feet measured south 21° 20' 30" east along the line from the southerly limit of the Montreal and Ottawa road; thence north 60° 25' east 2971.03 feet; thence north 57° 54' 30" east 672.99 feet; thence north-easterly 1526.25 feet on a curve left of 1832.40 feet radius, the chord equivalent being 1455.07 feet measured north 27° 23' east; thence north 3° 08' 30" west 595.38 feet; thence north-easterly 2710.78 feet on a curve right of 3370.34 feet radius, the chord equivalent being 2638.30 feet measured north 19° 54'

THE JUDICATURE ACT

O. Reg. 118/56.

Rules of Practice and Procedure.
Amending O. Reg. 261/44 (C.R.O. 464).
Made—1st June, 1956.
Approved—27th June, 1956.
Filed—9th July, 1956.

AMENDMENTS to the Rules of Practice and Procedure of the Supreme Court of Ontario including the Appendix of Forms and the Tariff of Disbursements made by the Rules Committee on the 1st day of June, 1956, under *The Judicature Act*.

1. Rule 91 of Ontario Regulations 261/44 is repealed and the following substituted therefor:

91.(1) An infant may sue or counterclaim by his next friend; and may defend by his guardian appointed for that purpose, or by the Official Guardian, as the case may be.

(2) Where the Official Guardian is guardian ad litem for an infant he may act as next friend for the purpose of asserting a counterclaim on behalf of the infant.

2. Rule 93 of Ontario Regulations 261/44 is repealed and the following substituted therefor:

93. Where the appointment of a guardian other than the Official Guardian to defend an action or matter is desired, the Court may appoint a guardian for that purpose upon being satisfied by affidavit that the proposed guardian is a fit and proper person and has no adverse interest; and the Court may examine the proposed guardian or the person making the affidavit, *viva voce*, or require further evidence to be adduced until satisfied of the propriety of the appointment.

3. Rules 246 to 252, both inclusive, of Ontario Regulations 261/44 as amended by Ontario Regulations 7/51 and 42/52 are repealed and the following rules substituted therefor, such repeal and substitution to be effective January 1st, 1957, save as to actions which have been entered or set down for trial or for which notice of trial has been served prior to that date:

246. After the close of pleadings any party may set the action down for trial.

247. When interlocutory judgment has been signed against any defendant for default of appearance or pleading, the plaintiff may thereupon set the action down for assessment of damages.

248.(1) The party setting an action down for trial or for assessment of damages at that time shall file a record containing a certified copy of the pleadings and particulars and of any order containing directions respecting the trial.

(2) Such record shall contain the full style of cause, and shall show the date when the writ was issued, and shall give the names of the solicitors for the several parties, and shall show, if such be the case, that judgment has been signed or the pleadings have been noted closed as against any parties in default.

NOTE—Where there is a jury notice, a copy shall be attached to the record.—The Judicature Act, R.S.O. 1950, c. 190, s. 57 (2).

249.(1) Notice of trial or of assessment of damages (Forms 32 and 33) shall be given by the party setting down the action within 10 days thereafter, and he shall forthwith file such notice and proof of service thereof with the officer with whom the action was set down.

(2) Where interlocutory judgment has been signed against any defendant for default of appearance or pleadings notice of assessment of damages shall be served upon him personally unless otherwise ordered.

(3) Except in actions in the Supreme Court to be tried at Toronto without a jury, notice of trial or of assessment of damages shall be served 10 days before the day fixed for the commencement of the sittings for which such notice is given and unless otherwise ordered by a Judge shall be filed not later than 6 clear days before the first day of such sittings.

(4) Any party who has been served with notice of trial or of assessment of damages may forthwith file in like manner the notice served upon him with proof of service thereof.

(5) When notice of trial or of assessment of damages with proof of service thereof on all parties required to be served is filed the action shall forthwith be placed on the list of cases for trial at the sittings for which the action was set down.

(6) If two or more parties have set the action down for trial, it shall be tried in the order of the first entry.

250. An action to be tried without a jury elsewhere than at Toronto may be set down for trial at any sittings appointed for the place named for the trial of such action.

251.(1) Except in actions in the Supreme Court to be tried at Toronto without a jury and actions in the County Court of the County of York to be tried without a jury, an action not tried or disposed of at the sittings for which it has been set down shall not be heard at any subsequent sittings unless the action is again set down for trial and further notice of trial is given or is dispensed with by a Judge presiding at such prior sittings.

(2) Where an action has been again set down under the provisions of this Rule no fee shall be payable for such setting down.

(3) Actions in the County Court of the County of York to be tried without a jury not tried or disposed of at the sittings for which they are set down shall continue on the list of actions set down for trial until disposed of and it shall not be necessary to serve or file further notice of trial.

4. Sub-paragraph (1) of Rule 491 of Ontario Regulations 261/44 is amended, effective January 1st, 1957, by striking out the words "in all cases other than an appeal from an interlocutory order" and substituting therefor the words "unless otherwise provided," so that sub-paragraph (1) of Rule 491 shall read as follows:

491.(1) Unless otherwise provided, an appeal to the Court of Appeal or a motion for a new trial shall be made by notice of motion served upon all parties interested within 15 days after the date of the judgment or order appealed from. (Form No. 122.)

5. Sub-paragraph (4) of Rule 493 of Ontario Regulations 261/44 is amended, effective January 1st, 1957, by adding after the word "given" the words, "notice of appeal shall be served and"; and by striking out the word "three" and substituting therefor the word "seven"; and by striking out the words "without further notice of appeal" so that the sub-paragraph (4) of Rule 493 shall read as follows:

493.(4) If leave is given, notice of appeal shall be served and the appeal shall be set down within seven days after the granting of leave, and appeal books shall be put in within a week thereafter.

6. Sub-paragraph (5) of Rule 493 of Ontario Regulations 261/44 is amended, effective January 1st, 1957, by striking out the words "the preceding rule" and substituting therefor the following "rules 491 and 492" so that sub-paragraph (5) of Rule 493 shall read as follows:

493.(5) Save as aforesaid the provisions of rules 491 and 492 shall apply.

7. Rule 494 of Ontario Regulations 261/44 is repealed and the following substituted therefor, such repeal and substitution to be effective January 1st, 1957,

494. Unless otherwise provided, in an appeal under a Statute where leave to appeal is necessary, leave to appeal shall be obtained on notice to the parties interested within fifteen days from the pronouncing of the order appealed from, or within such further time as a Judge shall allow and if leave is given notice of appeal shall be served and the appeal shall be set down for hearing within seven days after the granting of leave and save as aforesaid the provisions of Rules 491 and 492 shall apply.

8. Sub-paragraph (5) of Rule 733 of Ontario Regulations 261/44 is repealed and the following substituted therefor:

733.(5) Money paid into Court to the credit of an absentee may be paid out to the person entitled thereto upon order of a Judge to be obtained upon notice to the Official Guardian.

9. Rule 787 of Ontario Regulations 271/48 amending Ontario Regulations 261/44 is repealed, effective January 1st, 1957.

10. Sub-paragraph (11) of Rule 807 of Ontario Regulations 26/50 amending Ontario Regulations 261/44 and 271/48 is amended, effective January 1st, 1957, by striking out the words and numbers "Rules

248 and 250" and substituting therefor the word and number "Rule 246", and by striking out the words "entered or" so that sub-paragraph (11) of Rule 807 shall read as follows:

807.(11) Notwithstanding the provisions of Rule 246, no action shall be set down for trial until the disputes have been filed or the time for filing disputes has expired.

11. Sub-paragraph (12) of Rule 807 of Ontario Regulations 26/50 amending Ontario Regulations 261/44 and 271/48 is amended, effective January 1st, 1957, by striking out the number "249" and substituting therefor the number "248" so that sub-paragraph (12) of Rule 807 shall read as follows:

807.(12) The record required by Rule 248 shall include at the end thereof a copy of the report and the supporting affidavit, any dispute filed and any order made pursuant to sub-paragraph (8).

12. Form No. 32 of the Appendix of Forms of Ontario Regulations 261/44 is repealed and the following form substituted therefor, such repeal and substitution to be effective January 1st, 1957,

No. 32.

Notice of Trial (General) Rule 249.

239/55, 12/56 and 38/56.

Made—11th July, 1956.

Filed—16th July, 1956.

REGULATIONS MADE UNDER
THE CHILD WELFARE ACT, 1954

PART I

OFFICERS—SOCIETIES

BY-LAWS

1.(1) The by-laws of a children's aid society shall provide that no person be appointed local director of the society unless that person has attained the age of 30 years and has

- (a) the degree of Bachelor of Social Work from a university in Ontario, and has had experience of at least 4 years in social work in Ontario with a children's aid society, or
- (b) the degree of Master of Social Work from a university in Ontario, and has had experience of at least 3 years in social work in Ontario with a children's aid society, or
- (c) any other degree from a university in Ontario or a diploma in social work from the University of Toronto, and has had experience of at least 5 years in social work in Ontario with a children's aid society, or
- (d) a degree or diploma from any other university, and has had experience in social work in or outside Ontario which in the opinion of the Director is equivalent to the degree, diploma or experience, prescribed in clause *a*, *b*, or *c*.

(2) Subregulation 1 shall not apply to a person who on the first of January, 1955, was local director of a children's aid society.

(3) A copy of the by-laws of a society and any amendments thereto to be filed with the director under subsection 2 of section 6 of the Act shall be certified by its secretary or by any other officer authorized by resolution of its board of directors.

RECORDS AND RETURNS

2. A children's aid society shall forward to the Minister

- (a) before the 21st day of each month a statistical record of the preceding month, in form 1, and
- (b) before the 15th day of February in each year a financial report for the preceding year, in form 2.

ANNUAL GRANTS

3.(1) There shall be paid to a children's aid society an annual grant calculated at the rate of

- (a) \$100 a month multiplied by the equivalent number of employees as determined in subregulation 2, or
- (b) \$150 a month,

whichever is the greater.

(2) The equivalent number of employees under clause *a* of subregulation 1 shall be the number of employees in the employ of the society on the last day of the month for which the instalment is being paid multiplied by the percentage balance of time units not used in the calculation of B for that year for that society under clause *c* of regulation 23.

(3) In determining the number of employees under subregulation 2, each part-time employee shall be counted as one-half an employee.

(4) The annual grant to each children's aid society under subregulation 1 shall be paid in twelve monthly instalments.

4.(1) Before the 21st day of each month a society shall make an application for the monthly instalment on its annual grant, for the preceding month, in triplicate in form 3, and the application shall be accompanied by the monthly statistical record mentioned in clause *a* of regulation 2.

(2) Where a society fails to apply as provided in subregulation 1, it shall not be entitled to receive that instalment on its annual grant.

(3) Subregulation 2 shall not apply for the months of April to July, 1956, inclusive.

GRANTS FOR BUILDINGS

5. An application for payment under subsection 1*a* of section 9 of the Act shall be made by a society in triplicate in form 4.

ADDITIONAL GRANTS

6.(1) Additional grants under subsection 2 of section 9 of the Act payable to a society in a territorial district and having jurisdiction in territory without municipal organization, where the population of the territory without municipal organization as determined in subregulations 2 and 3,

- (a) is 15000 or over..... \$5,000
- (b) is 10000 or over, but under 15000... \$3,500
- (c) is 7500 or over, but under 10000... \$2,500
- (d) is 5000 or over, but under 7500... \$2,000
- (e) is under 5000..... \$1,500

(2) Subject to subregulation 3, the population of the territory without municipal organization shall be the population of the territorial district in which the society has jurisdiction, according to the last published census of Canada, after excluding therefrom the population according to that census of all municipalities therein.

(3) For the purpose of subregulation 1, the population of territory without municipal organization under the jurisdiction of

- (a) The Kapuskasing and District Children's Aid Society shall be 17,000;
- (b) The Porcupine and District Children's Aid Society shall be 2,000;
- (c) The Children's Aid Society of the Electoral District of Port Arthur shall be 11,000; and
- (d) The Children's Aid Society of the Electoral District of Fort William shall be 3,000.

INSPECTION

7. The Director shall at all times have access to, and may inspect or supervise the inspection of, any property controlled, operated, or owned by a children's aid society to which a grant is paid, and he or his nominee may from time to time inspect any or all of its records.

PAYMENTS TO MUNICIPALITIES

21.(1) An application by a municipality for payment under section 21 or subsection 2 of section 24 of the Act shall be in form 22.

(2) The application shall be verified by a statement of the local director and the certificate of the auditor of the society named in the application in form 23.

22. An application for a special grant under section 22 of the Act shall be made in form 24.

THE RATE

23. In this regulation and in regulation 24

(a) "A" means the cost to a society in one year of providing for the welfare of all children or wards under eighteen years of age while living in an institution or home other than the home of a parent, and includes

(i) maintenance care and supervision in a boarding home, including amounts expended not exceeding \$4 a month for each child or ward, from money received from family allowance funds,

(ii) maintenance and operation of a receiving home,

(iii) retaining fees for boarding homes,

(iv) clothing,

(v) medical, surgical, dental, optical and other health services,

(vi) drugs and drug supplies,

(vii) hospitalization and hospital services, where not reimbursed directly from another source,

(viii) special needs of children or wards.

(b) "administrative cost" means the cost to a society, necessarily and reasonably incurred in connection with the work of the society, for

(i) salaries paid to administrative, supervisory, field, clerical and maintenance staffs and other persons directly employed by the society,

(ii) pensions, insurance of personnel and training of staff,

(iii) travelling, including mileage allowances, allowances for the operation and depreciation of vehicles, and the cost of attending conferences and conventions,

(iv) accommodation, including rent, taxes, property insurance, light, heat, water, maintenance of buildings and depreciation,

(v) general office expenses, including telephone, telegraph, stationery, office supplies, postage, repairs to office furnishings, depreciation on office furnishings, and classified advertising,

(vi) professional services,

(vii) publicity,

(viii) membership fees of the society in organizations, and subscriptions to periodicals, connected with the work of the society,

(ix) bank charges, and

(x) minor miscellaneous services and supplies.

(c) "B" means an amount which bears the same relation to the administrative cost as the time units spent by field workers of a society in providing for the welfare of children or wards under eighteen years of age while living in an institution or home other than the home of a parent, bears to the total time units spent by field workers in performing all services provided by the society.

- (d) "C" means the amount received by a society from family allowance funds, not exceeding \$4 a month for each child or ward.
- (e) "child-care cost" means A plus B minus C.
- (f) "D" means the deferred balance for a year and the deferred balances accumulated from 1954 to the previous year, inclusively.
- (g) "deferred balance" means the child-care cost to a society in a year less the rate multiplied by E for the same year.
- (h) "E" means the total in a year of the numbers of days in which a society provides for each child or ward under eighteen years of age who lives in an institution or home other than the home of a parent, but excluding days during which
- (i) care or wardship is terminated,
 - (ii) wards may live in the home of a parent,
 - (iii) wards live in an institution and are maintained there at no expense to the society,
 - (iv) wards are in hospital for treatment and maintained therein at no expense to the society, and
 - (v) children who are not wards are on probation for adoption under clause *a* of section 73 of the Act.
- (i) "time units" means the time, measured in units of fifteen minutes, worked by field workers during the months of January, June and October in a year.

24.(1) The rate established under subsection 1 of section 25 of the Act shall be in accordance with the following formula:

$$(a) \text{ where D is a plus quantity } \frac{A+B-C+D}{E} = \text{the rate;}$$

$$(b) \text{ where D is a minus quantity } \frac{A+B-C-D}{E} = \text{the rate.}$$

(2) A, B, C, D, and E, shall be those for the year ending with the 31st of December preceding the year for which the rate is established.

25.(1) An application under section 25 of the Act for an order establishing the rate shall be in form 25.

(2) An application in form 25 shall be accompanied by a statement showing the computation of the rate in form 26.

(3) Copies of forms 25 and 26 shall be served upon the municipalities mentioned in section 25 of the Act, and filed with the Director, at least 7 days before the hearing.

(4) An order establishing the rate shall be in form 27.

4. The term of office of any person appointed a member of the Advisory Board, other than those by ex-officio appointment, shall be not more than 3 years but may be appointed for a further period of 3 years.

5.(1) The powers and duties of the Advisory Board shall be

- (a) to receive and consider the recommendations of the Advisory Committees respecting the organization and facilities of the Colleges for the provision of education, research, extension and advisory services in relation to changing needs in Ontario;
- (b) to submit to any Advisory Committee, for study and report, any question respecting the provision of education, research, extension and advisory services;
- (c) after consideration of the recommendations and reports of the Advisory Committees, to formulate policies respecting the provision of education, research, extension and advisory services;
- (d) to recommend to the Minister policies respecting the operation and development of the Colleges;
- (e) when deemed expedient, to examine the expenditures of the Colleges;
- (f) to consider the estimate of each College as recommended by its Advisory Committee;
- (g) to consider and recommend to the Minister ways and means of integrating the financial arrangements of the Colleges with a view to economy and efficiency;
- (h) to recommend to the Minister the annual estimates of the expenditures of each College;
- (i) to encourage the establishment of endowments, scholarships, bursaries, fellowships, and grants for the advancement of education and research;
- (j) to consider any other matter that may appear to be relevant to the sound management of the Colleges, and to make recommendations thereon to the Minister.

(2) Where the Minister delegates duties to the Advisory Board the duties so delegated may be sub-

delegated to an Advisory Committee but the Advisory Board shall be responsible for the carrying out of the duties.

6. The Advisory Board shall meet at the call of the chairman or vice-chairman or the Minister.

7.(1) The members of the Advisory Board shall elect annually at a meeting called during the month of September, a chairman and a vice-chairman.

(2) The secretary of the Advisory Board shall be appointed by the Chairman and Vice-chairman of the Advisory Board and the secretary shall not be a member of the Advisory Board.

8. The Advisory Board shall prepare an annual report for each year ending with the 30th of June giving a summary of the work of the Board for the year.

9. The Advisory Board shall review the annual and other estimates of expenditures for each of the Colleges and shall make such alterations in the estimates as it deems appropriate and shall submit the estimates, or the estimates as altered, to the Minister together with such explanations as it considers necessary and advisable.

10.(1) When the Advisory Board makes a decision on a recommendation from an Advisory Committee it shall instruct the secretary to append to the recommendation a memorandum of the decision and retain it in the records of the Advisory Board.

(2) The Advisory Board may require that an Advisory Committee furnish such information as the Advisory Board requires before a decision is made.

(3) When a decision is made approving a recommendation in whole or in part the recommendation or part thereof approved shall be sent to the Minister by the secretary.

(4) The Advisory Board shall be responsible for every recommendation made to the Minister.

(5) Where the Advisory Board makes a recommendation in part it shall have regard to the probable results of the recommendation as made in part in relation to the recommendation.

11. Out of the appropriation for ordinary expenditures of the Department of Agriculture each member of the Advisory Board shall be paid remuneration at the rate of \$25 a day for each day in attendance at meetings of the Advisory Board, together with necessary travelling and living expenses actually incurred for such attendance.

- (d) in the case of an applicant for an exterminator's licence

(i) furnishes a certified copy of an insurance policy of the amount and type prescribed in regulation 24, and

(ii) has been the holder of an assistant exterminator's licence, and has served as an assistant exterminator of the same class as the class of exterminator for which he is the applicant for a period of one year or more, or submits evidence of experience which, in the opinion of the Director, is equivalent to service as an assistant exterminator for a period of one year, and

(e) complies with the Act and regulations.

(2) An applicant for an exterminator's licence in form 4 is exempt from subclause ii of clause d of sub-regulation 1.

16. Where the examiners recommend that an assistant exterminator's licence be issued to an applicant, the Director shall issue the licence in the form recommended by the examiners.

17. A licence expires with the 15th day of February next following its date of issue.

18. A person who, at the time these regulations come into force, is the holder of a valid

- (a) fumigator's licence,
- (b) exterminator's licence,
- (c) apprentice fumigator's licence, or
- (d) apprentice exterminator's licence

issued under *The Public Health Act*, is deemed to be the holder of a licence

- (e) in form 2,
- (f) in form 3,
- (g) in form 6, or
- (h) in form 7,

respectively, expiring with the 15th of February, 1957.

RENEWAL

19. An application to renew a licence shall be made

- (a) in the case of an application to renew an exterminator's licence, in form 10, and
- (b) in the case of an application to renew an assistant exterminator's licence, in form 11,

to the medical officer of health for the area as determined in regulation 8.

20. The medical officer of health may, in his discretion, require the applicant to provide the certificate of a legally qualified medical practitioner as to the physical fitness of the applicant to conduct an extermination.

21. Upon receipt of an application to renew a licence the medical officer of health shall

- (a) complete Part II of form 10 or 11, as the case may be, and
- (b) forward the application to the Director together with the medical certificate, if any.

22. Before renewing a licence the Director may, in his discretion, require the applicant to undergo the examination prescribed in regulation 13.

23. Where

- (a) an examination has been required under regulation 22 and the examiners recommend the renewal of the licence, and
- (b) in the case of an application to renew an exterminator's licence, the applicant has deposited with the Director a certified copy of the policies of insurance, or certificate of renewal thereof, required to be furnished by regulation 24 covering the renewed term of the licence, and
- (c) the applicant has complied with the Act and regulations, the Director shall renew the applicant's licence.

INSURANCE

24.(1) The holder of a licence in form 1, 2, 3, or 4 or his employer, shall carry insurance in a form approved by the Superintendent of Insurance under *The Insurance Act*, against his liability for death or injury arising from the conduct of exterminations in the amount of

- (a) \$5,000. for each employee, or \$15,000. for three or more employees, and
- (b) \$15,000. for one person and \$30,000 for two or more persons who are not employees.

(2) When the business of the holder of a licence in form 1, 2, 3, or 4, or his employer, is subject to Part I of *The Workmen's Compensation Act* clause a of sub-regulation 1 shall not apply.

GROUP A SUBSTANCES

25. Regulations 26 to 36 apply to exterminations in which a group A substance is used.

26.(1) No person shall commence an extermination in which a group A substance is used in a vehicle, building, or group of attached buildings having a common owner, without a permit from the medical officer of health for the area in which the building or vehicle is situated.

(2) An application for a permit shall be made in form 12.

(3) A permit shall be in form 13.

27.(1) Where the medical officer of health is satisfied that the applicant

- (a) is the holder of a licence in form 1, 2 or 4,
- (b) is mentally and physically capable of performing the extermination, and
- (c) proposes to perform the extermination in accordance with the Act and regulations

he shall issue a permit.

(2) Where the medical officer of health refuses to issue a permit he shall state his reasons for refusal in writing to the applicant and send a copy to the Director.

28. Upon issuing a permit the medical officer of health shall notify the police and fire department in whose jurisdiction the premises are situated, of the issuance.

29. The exterminator shall perform the extermination in accordance with the details set out in his application for the permit, subject to the Act and regulations.

30. Where the medical officer of health who has issued a permit has reason to believe that the extermination in respect of which the permit was issued is being performed in a manner in breach of the Act or regulations, he shall cancel the permit.

31. Where the gas being used for the purpose of an extermination is not a warning gas, the exterminator shall release a warning gas with the release of the gas being used in the extermination.

32. Before an extermination is performed in a building or vehicle, the exterminator shall

- (a) seal all openings into the area in which the extermination is to be performed, including drains, ducts, vents and cracks, in a manner sufficient to make the area gas-tight, and
- (b) remove from the area all water and food likely to absorb the gases being used.

33.(1) Before beginning an extermination the exterminator shall post a placard at least 14 inches long and 10 inches wide

- (a) at all entrances to the building or vehicle and land on which the extermination is to be performed, and bearing the word DANGER in red letters at least $2\frac{1}{2}$ inches high on a white background, and indicating that an extermination is being performed on the premises;
- (b) at all entrances to buildings designated in clause b of subsection 1 of section 7 of the Act, and bearing the word DANGER in green letters at least $2\frac{1}{2}$ inches high on a white background, and
- (c) indicating that an extermination is being performed in an adjoining building.

(2) The exterminator shall cause the placards posted under subregulation 1 to be illuminated from sundown to sunrise.

(3) The exterminator shall ensure that

- (a) no placard is removed, and
- (b) the building or vehicle is not re-occupied before 6 a.m. on the day following the day in which the gas was last released in the extermination.

34.(1) No person shall enter or remain in a building or vehicle after an extermination therein is commenced and before the airing out is completed in accordance with regulation 36 except;

- (a) the exterminator,
- (b) an assistant exterminator,
- (c) a full-time fire fighter as defined by *The Fire Departments Act*,
- (d) a member of any police force established under *The Police Act*.

(2) During the period mentioned in subregulation 1, the exterminator shall

- (a) lock by a lock supplied by the exterminator, all doors and entrances to the building or vehicle in which the extermination is being performed, and
- (b) post adult guards in a manner sufficient to prevent any person, other than those mentioned in subregulation 1 and section 8 of the Act, from entering the building or vehicle.

35.(1) No person shall enter or remain in a building or vehicle after an extermination therein is commenced and before the airing out is completed under regulation 36 unless

- (a) he wears
 - (i) a gas mask fitted with a canister capable of absorbing all poisonous gases present, or
 - (ii) a self-contained apparatus providing an independent supply of oxygen, and
- (b) he is accompanied by at least one other adult person.

36.(1) Where an extermination is completed the exterminator shall

- (a) remove and burn or bury under at least 2 feet of earth all substances used for the extermination or for sealing openings,
- (b) shake or beat in the open air all moveable fabrics contained in the building or vehicle during the extermination, for a sufficient time to remove all gases used in the extermination,
- (c) circulate fresh air for at least 12 hours to every air space in the buildings or vehicles described in subsection 1 of section 7 of the Act, and
- (d) where methyl bromide or hydrocyanic acid were used in the extermination, make the test prescribed in subregulations 2 or 3, as the case may be.

(2) Where methyl bromide was used in the extermination, the exterminator shall make tests by means of a halide leak-detector for the detection of the presence of methyl bromide gas at the floor level of each room, basement, closet, attic and any other enclosed space in the building or vehicle in which the extermination was performed.

(3) Where hydrocyanic acid was used in the extermination, the exterminator shall make tests for the detection of the presence of hydrocyanic acid gas in the building or vehicle in which the extermination was performed by means of methyl-orange litmus paper held for at least 2 minutes against

- (a) each wall in every room, closet or other enclosed space,
- (b) each floor and wall in the basement, and
- (c) each ceiling and wall of every attic room.

(4) The airing-out of the building or vehicle shall be deemed not completed

- (a) where methyl-bromide has been used, if the flame of the halide-leak detector changes to a greenish colour, or
- (b) where hydrocyanic acid has been used, if the methyl-orange litmus paper changes to a red or pink colour.

GROUP B SUBSTANCES

ANTU

37.(1) An exterminator shall not use antu for extermination, in any part of a building while that part is

- (a) inhabited as a dwelling,
- (b) accessible to persons who are not made aware of the presence of antu and its danger,
- (c) accessible to a person under 16 years of age, or
- (d) used for the storage, preparation or serving of food or drink.

(2) An exterminator shall not apply antu as a powder within 15 feet of a room in which food or drink is stored, prepared or served.

38.(1) The exterminator shall keep, for a period of 6 months after the extermination is completed, a record of the number and location of baits in which antu is used.

(2) Any medical officer of health or an officer of any board of health may examine the record required by sub-regulation 1 at any time.

39. The exterminator shall remove all antu remaining after an extermination is completed.

CHLORDANE

40. An exterminator shall not use chlordane for extermination

- (a) as a suspension in air in any building, or
- (b) as a deposit applied to an area greater than 10 percent of the floor space of the room in which it is applied,
- (c) in a building used by an animal which produces milk for human consumption, or
- (d) in such a manner as to come in contact with, or be likely to come in contact with, food or drink for human consumption.

ALDRIN, DIELDRIN AND ENDRIN

41.(1) An exterminator shall not use aldrin, dieldrin or endrin in an extermination

- (a) in a building while it is inhabited as a dwelling or
- (b) in such a manner as to come in contact with, or be likely to come in contact with
 - (i) any person
 - (ii) a building or area other than the building or area in which the extermination is being performed, or
 - (iii) food or drink for human consumption.

(2) Clause *a* of subregulation 1 shall not apply to dieldrin where

- (a) the concentration of dieldrin in a liquid medium does not exceed 0.5 per cent
- (b) the concentration of dieldrin in a dust medium does not exceed 2 per cent, and
- (c) the mixture containing dieldrin is applied to an area less than 10 per cent of the area of the floor of the room in which it is applied.

42. All persons engaging in an extermination in which aldrin, dieldrin or endrin is used shall

- (a) wear protective clothing, and
- (b) upon leaving the site of the extermination, bathe, and wash the clothing and equipment being taken from the site.

LINDANE

43. An exterminator shall not use lindane in other than vapour form

- (a) in a room while it is used for human habitation where the concentration of lindane in a medium exceeds 2 per cent, or
- (b) in such a manner as to come in contact with or be likely to come in contact with food or drink for human consumption.

44.(1) An exterminator shall not use lindane in vapour form

- (a) in a room while it is used for sleeping purposes, or
- (b) in premises where any person may be exposed to contact with the lindane for more than 8 hours in each 24-hour period.

(2) Where a room contains inflammable gas, an appliance for the generation of lindane vapour shall not be used.

45. Where lindane in vapour form is used in an extermination in a building while it is occupied

- (a) the building shall not be sealed so as to impede the normal change of air,
- (b) the amount of vapour released in a 24-hour period shall not exceed that produced by 1 gram of lindane for each 15,000 cubic feet of space in the room in which the vapour is generated,
- (c) the point from which the lindane vapour is generated shall be more than
 - (i) 3 feet from the underside of any horizontal surface above the point of generation,
 - (ii) 6 inches from the nearest vertical surface, and
 - (iii) 7 feet from the floor, or surrounded by a protective barrier extending for 2 feet from the point of generation.

46. No person shall release lindane in vapour form in an extermination at a rate greater than that set out in clause *b* of regulation 45 unless

- (a) the area in which the extermination is performed is vacant from the time the vapour is released until the area has been aired out by means of a free circulation of air for one hour,
- (b) all surfaces in the area likely to come into contact with food, are washed, and
- (c) there has been no release of vapour during the 2-week period immediately preceding the extermination.

ORGANIC PHOSPHOROUS COMPOUNDS

47. No person shall engage in an extermination in which an organic phosphorous compound is used who is not wearing protective clothing.

48. No exterminator shall use an organic phosphorous compound as a suspension in air or water in an extermination unless he is accompanied by at least one exterminator or assistant exterminator.

49. Any person who engages in an extermination in which an organic phosphorous compound is used shall, upon leaving the site of the extermination, forthwith

- (a) remove all clothing,
- (b) bathe, and
- (c) wash and air all clothing removed.

50.(1) Before an extermination is performed in which an organic phosphorous compound as a suspension in air is used, the exterminator shall

- (a) lock from the outside all doors, except one, leading into the building in which the extermination is to be performed,
- (b) place on the outside of all doors leading into the building a placard
 - (i) at least 14 inches long and 10 inches wide, and

- (ii) bearing the words DANGER—POISONOUS SUBSTANCES BEING USED INSIDE in red block letters at least 2½ inches in height on a white background, and

(c) ensure that the building is vacant.

(2) After an organic phosphorous compound as a suspension in air is released in a building, the exterminator shall lock the door excepted in clause *a* of subregulation 1.

51. The exterminator who performs an extermination in a building by the use of an organic phosphorous compound as a suspension in air shall not permit any person to enter the building within one week after the release of the compound unless the building has been ventilated with fresh air for at least one hour.

52. Where an organic phosphorous compound is applied in an extermination outdoors an exterminator shall not apply the compound

- (a) in a manner likely to expose any person to contact with it,
- (b) from an air-borne machine, or
- (c) in such a way as to cause the compound to fall outside the area in which it is intended to perform the extermination.

53. When an extermination with an organic phosphorous compound is completed, the exterminator shall immediately

- (a) wash all clothing and equipment used in the extermination in a solution of soap and water, and
- (b) burn all material being discarded, or bury the material under at least 2 feet of earth.

54. An exterminator who has an organic phosphorous compound in his custody or control shall ensure that

- (a) the room in which it is stored is ventilated to outside atmosphere,
- (b) a placard is affixed and maintained on the outside of each door leading into the room in which it is stored bearing the words DANGER—POISONOUS SUBSTANCES STORED INSIDE in red block letters at least 2½ inches in height on a white background,
- (c) no person can enter the room in which it is stored without his express permission, and
- (d) the organic phosphorous compound is stored in a gas-tight container.

(2) Where the container in which an organic phosphorous compound kept in storage is not gas-tight, the exterminator having custody or control of the compound shall

- (a) burn the container and its contents,
- (b) bury the container and its contents under at least 2 feet of earth, or
- (c) replace the container with a glass or metal gas-tight container.

SODIUM FLUORIDE

55. Where an exterminator uses or stores sodium fluoride, he shall ensure

- (a) that it is coloured blue, and

- (b) that it is not used or stored in a room in a building

(i) in which food or drink for human consumption is stored, prepared or served, or

(ii) to which a person under 16 years of age has access.

DDT AND TDE

56. DDT and TDE shall not be used in an extermination

- (a) in such a way as to come in contact with or be likely to come in contact with food or drink for human consumption, or
- (b) in a room used for human habitation where the concentration of DDT or TDE in a medium is more than 10 percent.

OTHER GROUP B SUBSTANCES

57. Where an extermination is performed in which

- (a) ethylene dichloride,
- (b) propylene dichloride,
- (c) ethylene dibromide, or
- (d) carbon tetrachloride,

is used, every person performing the extermination shall

- (e) wear protective clothing, and
- (f) be accompanied by at least one exterminator or assistant exterminator.

58. Arsenic trioxide, thallium sulphate, strychnine, or zinc phosphide shall not be used for extermination

- (a) in a room while it is being used for human habitation,
- (b) in an area to which entry by any person cannot be barred, or
- (c) nearer to food or drink for human consumption than 18 inches.

59.(1) Where a substance listed in regulation 58 is used in a bait in an extermination, the exterminator shall

- (a) keep, for a period of 6 months after the extermination is completed, a record of the number and locations of the baits used in the extermination, and
- (b) remove every bait from the area when the extermination is completed.

(2) Any medical officer of health or an officer of any board of health may examine the record required by subregulation 1 at any time.

GROUP C SUBSTANCE

1080

60. No person shall use 1080 in an extermination which is performed in a place other than an enclosed building or vehicle.

61.(1) No person shall commence an extermination in which 1080 is used

- (a) without a permit from the medical officer of health for the area in which the building or vehicle is situated, or

- (b) within 24 hours of the issuance of the permit therefor.
 - (2) An application for a permit shall be in form 14.
 - (3) The permit shall be in form 15.
- 62.** An application for a permit in form 15 shall be accompanied by
- (a) a sketch of the building or vehicle showing in detail the areas in which 1080 is to be used, and
 - (b) instructions in form 16 signed by all occupants of the building in which the extermination is to be performed, acknowledging that they have read them.
- 63.**(1) Where it appears to the medical officer of health that the exterminator proposes to conduct the extermination safely and in accordance with these regulations he shall issue a permit in form 15.
- (2) The exterminator shall not conduct the extermination except in accordance with the information contained in his application for a permit and subject to these regulations.
- (3) Where the medical officer of health who has issued a permit has reason to believe that the extermination in respect of which the permit was issued is being performed in a manner in breach of the Act or these regulations, he shall cancel the permit.
- 64.** An exterminator shall not store 1080 except in a locked closet or cabinet to which no person except the exterminator or a person designated by him in writing has access.
- 65.** No person shall handle 1080 unless he is wearing latex-rubber gloves.
- 66.**(1) Where 1080 is used for extermination it shall be
- (a) moved to the site of the extermination in an unbreakable and enclosed container,
 - (b) in liquid form and coloured black,
 - (c) applied
 - (i) at floor level,
 - (ii) not nearer to food or drink for human consumption than 18 inches, and
 - (iii) in containers from which the liquid will not be likely to spill and through which it will not seep in a 3-day period.
- (2) The exterminator shall destroy immediately any 1080 which spills from a container.
- 67.** 1080 shall not be used for extermination
- (a) in a part of a building other than a part used only for commercial or industrial purposes,
 - (b) in a room in which food or drink for human consumption is stored in an uncovered container, or
 - (c) in an area in a building or vehicle from which entry of persons cannot be barred.
- 68.** An exterminator shall
- (a) exclude all persons from, and
 - (b) lock, and
 - (c) keep in his possession the keys to

all rooms in which a container of 1080 is placed.

69.(1) An exterminator who uses 1080 in an extermination shall keep, for one year after the extermination is completed, a record of

- (a) the amount of 1080 moved to the site of the extermination, and
 - (b) the amount of 1080 returned from the site of the extermination.
- (2) Any medical officer of health or an officer of any board of health may examine the record at any time.

70. When an extermination in which 1080 is used is completed, the exterminator shall

- (a) remove and burn in an incinerator
 - (i) all combustible containers in which 1080 has been placed, and
 - (ii) the carcasses of all rodents or other pests in the building or vehicle in which the extermination has been performed,
- (b) bury the residue of 1080 beneath at least 2 feet of earth, and
- (c) before storing, wash all equipment which has been in contact with 1080.

EXEMPTIONS

71. Where a person

- (a) is a householder and performs an extermination in the house which he occupies, or
- (b) is engaged in plant or animal production and performs an extermination on the premises on which he engages in the plant or animal production,

by the use of a group B substance, he is exempt from subsection 1 of section 2 of the Act and regulations 37 to 59 inclusive.

72. Where a person performs an extermination on the premises of a person engaged in plant or animal production

- (a) on that part of the premises which is used for plant or animal production, and
- (b) by the use of group B substance,

he is exempt from subsection 1 of section 2 of the Act.

73. Where a class 4 exterminator performs an extermination by the use of a group B substance he is exempt from subsection 1 of section 2 of the Act.

74. Where a person engaged in plant or animal production performs an extermination of fungi or vegetation in soil on the premises on which he engages in the plant or animal production, by the use of methyl bromide or chloropicrin, he is exempt from subsection 1 of section 2 of the Act.

75. Where an inspector under *The Bees Act, 1954*, is engaged in destroying bees by extermination under the authority of that Act by the use of hydrocyanic acid gas or cyanide compounds, or methyl bromide, and

- (a) wears a gas mask capable of absorbing the poisonous gas present,
- (b) performs the extermination in open air,
- (c) prevents all persons from coming into contact with the poisonous gases, and

- (d) remains at the site of the extermination during the time that any poisonous gases are present,

he is exempt from subsection 1 of section 2 of the Act and from regulations 25 to 36, inclusive.

76. Where a person engages in an extermination in or upon an installation or machinery which is a fixture in a building by the use of chloropicrin, and

- (a) performs the extermination in a building
 - (i) which is not attached to any other building, and
 - (ii) in which no part is used for human habitation,
- (b) previously notifies the medical officer of health for the area in which the building is situated, of the extermination,
- (c) is accompanied during the extermination by at least one person who is over the age of 18 years,
- (d) wears a gas mask, and
- (e) excludes all persons not engaged in the extermination from the building during the extermination,

he is exempt from subsection 1 of section 2 of the Act, and these regulations.

77. Where an exterminator is engaged in the extermination of rodents in burrows in the ground by the use of a group A substance, and

- (a) the burrows do not open into a building, and
- (b) the exterminator or assistant exterminator wears a gas mask during the extermination,

he is exempt from regulation 25 to 36 inclusive.

78. Where an exterminator engages in an extermination by the use of a group A substance in an enclosed space or vault which is

- (a) gas-tight,
- (b) where inside or opening into a building, equipped in accordance with subregulation 2, and
- (c) approved by the Department in accordance with subregulation 3,

and if the exterminator

- (d) has a gas mask readily available at all times
- (e) before a gas is released, searches the enclosed space or vault to ensure that it contains no person, locks the door by a padlock and keeps the keys in his possession,
- (f) is present during the airing out period, and
- (g) performs the tests prescribed in subregulations 2, 3 and 4 of regulation 36 to determine when the airing out period is completed,

he is exempt from regulations 25 to 35 inclusive.

(2) The enclosed space or vault which is inside, or opens into a building, referred to in subregulation 1, shall be equipped with

- (a) a sheet-metal lining of which the joints are soldered, and covering the walls and ceiling,

- (b) a concrete floor, or wooden floor of which the joints are made gas-tight by means of tar,

- (c) a rubber gasket around the perimeter of all doors,

- (d) an exhaust fan controlled by a switch from outside the enclosed space or vault, capable of giving 10 changes of air per hour, and discharging exhaust gases into outside atmosphere at a point removed from any door, windows, or openings, and

- (e) provision to introduce gas from outside the enclosed space or vault.

(3) Before the initial use of the enclosed space or vault referred to in subregulation 1, for an extermination, the exterminator shall notify the Department and shall not proceed with the extermination until the Department approves the construction and equipment of the enclosed space or vault as required by this regulation.

79.(1) Where an exterminator engages in an extermination in which a group A substance is used and the gas is enclosed under a tarpaulin, and the extermination takes place

- (a) outside a building, and while
 - (i) the exterminator and at least one other exterminator or assistant exterminator are present during the airing out, and
 - (ii) gas masks are worn by all present during the introduction of the gas and the airing out period, or
- (b) inside a building which is separate from any other building
 - (i) in which no person other than persons engaged in the extermination is present during the extermination and airing out,
 - (ii) in which no part is used for human habitation,
 - (iii) the exterminator and at least one other exterminator or assistant exterminator are present during the airing out, and
 - (iv) while gas masks are worn by all present during the introduction of gas and airing out

he is exempt from regulations 25 to 35, inclusive.

80. Where an exterminator is exempt from subsection 1 of section 2 of the Act, his employees shall be exempt from subsection 2 of section 2 of the Act.

81. An employee of an exterminator, whose duties are exclusively clerical or managerial and who does not take part in an extermination, shall be exempt from subsection 2 of section 2 of the Act and these regulations.

82. An assistant exterminator who is the holder of an exterminator's licence is exempt from subsection 2 of section 2 of the Act.

83. The employer of a class 4 exterminator is exempt from subsection 1 of section 2 of the Act.

REVOCATIONS

THE MOTHERS' ALLOWANCES ACT, 1952

O. Reg. 194/56

General Regulations.

New and Revoking O. Regs. 199/52, 254/52, 143/53, 173/53, 158/54 and 160/55.

Made—18th October, 1956.

Filed—19th October, 1956.

REGULATIONS MADE UNDER
THE MOTHERS' ALLOWANCES ACT, 1952

ADVISORY BOARD

1.(1) The Minister shall appoint an advisory board composed of 3 or more persons at least one of whom is a duly qualified medical practitioner.

(2) The Minister shall designate a medical practitioner appointed under subregulation 1 as chairman of the board.

2. The advisory board shall investigate the eligibility of a person who is in receipt of an allowance or by whom or on whose behalf application has been made for an allowance, granted or applied for under clause *c* of subsection 1, subsection 5, or subsection 5*a*, of section 2 of the Act, and for this purpose shall

- (a) review medical evidence submitted in support of the application,
- (b) obtain any additional evidence necessary to make a complete report under clauses *c* and *d*,
- (c) report to the Director whether or not the husband or father by or in respect of whom an allowance is applied for is employable, or under what conditions he would become employable, and
- (d) review annually or as the Director may direct, the mental and physical condition of a husband or father to or in respect of whom an allowance is being paid, and report to the Director any change.

MAXIMUM ALLOWANCES

3.(1) The maximum amounts of allowances are

- (a) to a mother, or to the mother of a child born out of wedlock, or to a permanently unemployable father referred to in subsection 5*a* of section 2 of the Act,
 - (i) \$50 a month towards the support of one child, and \$10 a month towards the support of each additional child, and a further sum not to exceed \$20 a month where the need is apparent to the Director, and
 - (ii) the monthly cost of fuel, not to exceed \$24 a month during the months of September in each year to March in the following year, inclusively; but where the beneficiary resides in rented premises which are heated by the landlord the monthly cost of the fuel is deemed to be 10 per cent of every month's rent paid by the beneficiary, or \$14 a month, whichever is the lesser;
- (b) to a foster mother
 - (i) \$24 a month towards the support of one foster child, or \$48 a month towards the support of two foster children, and an additional \$10 a month towards the support of each foster child over two, and

further sum not to exceed \$20 a month where the need is apparent to the Director, and

- (ii) the amount by which the applicant's monthly cost of fuel, determined as in sub-clause ii of clause *a*, is increased by reason of caring for the foster child or children;

- (2) A beneficiary shall without cost be entitled to
 - (a) medical services provided under any agreement in writing in force from time to time between the Crown and the Ontario Medical Association, and
 - (b) dental services provided under any agreement in writing in force from time to time between the Crown and the Royal College of Dental Surgeons of Ontario.

(3) The maximum amount of an additional allowance paid to a mother or foster mother in respect of a husband or father who is permanently unemployable is \$10.

APPLICATIONS FOR ALLOWANCES

4.(1) An application for an allowance shall be made to the Director.

(2) An investigator shall fill out and complete the application in the presence of the applicant and the applicant shall sign the application in the presence of the investigator.

(3) The investigator shall immediately send the completed application and material in support of the application to the Director.

5.(1) An application by a mother, the mother of a child born out of wedlock, or a permanently unemployable father under subsection 5*a* of section 2 of the Act shall be in form 1.

(2) An application by a foster mother shall be in form 2.

6.(1) An application in form 1 shall be accompanied by a consent to inspect assets in form 3.

(2) An application under clause *b* of subsection 1 of section 2 of the Act shall be accompanied by a statutory declaration of the applicant, in form 4.

(3) An application under clause *d* of subsection 1 of section 2 of the Act shall be accompanied by a statutory declaration of the applicant, in form 5.

(4) The application of a permanently unemployable father, or of an applicant who claims an additional allowance in respect of a permanently unemployable father or husband, shall be accompanied by a report of a duly qualified medical practitioner in form 6.

(5) The application of a mother whose child was born out of wedlock shall be accompanied by a statutory declaration of the applicant in form 7.

7.(1) Where a mother who has divorced the father of her child or children applies for an allowance she shall submit with her application the final decree or judgment or the Act dissolving the marriage, or a copy thereof certified by the proper officer.

(2) An applicant shall furnish to the satisfaction of the Director

- (a) proof of the date of birth of a child or foster child in respect of whom an allowance is applied for,

- (b) in the case of a mother whose child or children were not born out of wedlock, proof of her marriage, and
- (c) where the death of the spouse of the applicant or parent of a child or foster child in respect of whom an allowance is applied for is indicated in the application, proof of such death.

INVESTIGATORS

8. Administrators and staffs of district offices of the Department of Public Welfare, and supervisors of field workers are designated as investigators.

9. An investigator shall not charge any fee to, or receive any remuneration from or on behalf of, any beneficiary or applicant for an allowance in respect of any duty performed or service rendered under the Act or regulations.

10. An investigator shall

- (a) at the request of the Director
 - (i) investigate the statements in an application for an allowance,
 - (ii) investigate the circumstances under which the child or children in respect of whom the allowance is applied for are being cared for, and
 - (iii) investigate the suitability of the applicant to receive an allowance,
- (b) investigate and report on any matter concerning a beneficiary, or a child or person in respect of whom an allowance is paid, as the Director or the Minister may request,
- (c) submit annually to the Director 2 reports at 4-month intervals from the time the application is granted, and an annual report, on the circumstances during the interval which might affect the continuance or otherwise of payment of the allowance to a beneficiary assigned to him by the Director, and
- (d) by friendly advice assist each beneficiary assigned to him in any matter relating to the allowance and expenditure thereof.

SUSPENSION AND CANCELLATION OF ALLOWANCES

11. Where a beneficiary does not expend the whole of an allowance towards the care of the child or children in respect of whom the allowance is paid the Director may

- (a) suspend or cancel the allowance, or
- (b) direct that the allowance or part thereof be paid to any other person approved by the Director and approved in writing by the beneficiary as a trustee upon trust to expend the allowance towards the care of the child or children.

12. The Director may suspend or cancel an allowance for any reason that an application therefor would be refused.

PROPERTY QUALIFICATIONS FOR ALLOWANCES

13.(1) In this regulation "liquid assets" means cash, bonds, debentures, stocks, and any other assets which can be converted readily into cash, and includes the beneficial interest in assets held in trust and available to be used for maintenance, but does not include a debt owing on the security of a mortgage, the cash surrender value of an insurance policy, or an amount due or paid pursuant to a judgment for damages in favour of a child or children in respect of whom an allowance is applied for or allowed.

(2) An applicant in form 1 who owns an interest or estate in real property, other than real property being used as a dwelling by the applicant, is not entitled to an allowance unless the applicant agrees to such arrangement or disposition of the interest or estate as the Director deems advantageous for the care of the applicant's child or children.

(3) Where an applicant in form 1 and the applicant's child or children own total liquid assets in excess of \$1,000, the applicant is not entitled to an allowance unless the liquid assets are applied for a series of future monthly or other periodic payments towards the support of the child or children in such manner as may be approved by the Director.

(4) Where a foster mother applies in form 2 for an allowance and liquid assets in excess of \$400 are owned by a foster child in respect of whom the allowance is applied for, the applicant is not entitled to an allowance in respect of the child unless the liquid assets are applied to provide for a series of future monthly or other periodic payments towards the support of the child in such manner as may be approved by the Director.

TIME AND MANNER OF PAYMENT OF ALLOWANCES

14.(1) Subject to subregulations 2 and 3, an allowance shall be paid by cheque, monthly in arrears, computed from the 1st day of the month following the month in which the allowance is granted.

(2) Where an allowance is granted after the last day of the month in which the application was received by the Director, and delay in making the grant is caused by circumstances wholly beyond the control of the applicant, the Director may direct that the payments shall commence on an earlier date to be set by him, but that date shall not be before the date on which the Director receives the application, or more than 4 months before the date on which he grants the allowance, whichever is the later.

(3) Where the Director cancels an allowance for the reason that the child or children in respect of whom the allowance has been paid have ceased to be in the care of the beneficiary, and prior to the cancellation an application has been made by another person for an allowance in respect of the same child or children, the Director may direct that payment of the allowance granted on the application commence on the first day of the month following the month in which the cancelled allowance is cancelled.

GENERAL

15. Ontario Regulations 199/52, 254/52, 143/53, 173/53, 158/54, and 160/55 are revoked.

(2) An applicant may substitute for the requirements under clause b of subregulation 1 evidence that

- (a) he holds a degree from a university in the Commonwealth of Nations in a course of study the Minister deems equivalent to the requirements in clause b of subregulation 1, under clause b of subsection 1 of section 11 of the Act, or
- (b) he has completed successfully the First Year at the University of Ottawa, but only if the courses of English 1, 1a, 1b, and Français 1 in the calendar of that university have been included, or
- (c) he has completed successfully a course the Minister deems equivalent to the course in clause b, under clause b of subsection 1 of section 11 of the Act.

(3) An applicant may substitute for evidence of grade 13 standing in music

- (a) the following certificates from the Royal Conservatory of Music of Toronto:
 - (i) grade II theory and grade VIII in a practical subject, or
 - (ii) grade IV theory, or

- (b) a certificate the Minister deems equivalent to the certificate in subclause i or ii of clause a, under clause b of subsection 1 of section 11 of the Act.

(4) Where an applicant

- (a) has been honourably discharged from active service in Her Majesty's forces, and
- (b) submits evidence of grade 12 standing in English, French for French-speaking candidates, history, and mathematics,

he may substitute evidence of 6 or 12 or 24 or 30 or 36 or 42 or 48 months of active service for evidence of grade 13 standing in 1 or 2 or 3 or 4 or 5 or 6 or 7 or 8, respectively of the papers specified in clause b of subregulation 1.

(5) Where an applicant submits evidence that he has obtained at least 40 marks on one or more of the grade 13 papers in English composition and English literature, French composition and French literature for French-speaking candidates, history, and algebra and geometry, he shall not be required to submit

evidence of corresponding grade 12 standing in English, French for French-speaking candidates, history, or mathematics, respectively, under subregulation 4.

(6) An applicant for admission to the Elementary-School Teacher's Certificate Course who holds an Interim Primary School Specialist's Certificate and whose university course included the courses of English 1, 1a, 1b, and Français 1 in the calendar of the University of Ottawa, or a course the Minister deems equivalent thereto under clause *b* of subsection 1 of section 11 of the Act, shall be exempted from attendance during the months of September, October, November, and December.

(7) An applicant for admission to the Elementary-School Teachers' Certificate Course who holds an Interim High School Assistant's Certificate, Type B, and whose university degree included the courses of English 1, 1a, 1b, and Français 1 in the calendar of the University of Ottawa, or a course the Minister deems equivalent thereto under clause *b* of subsection 1 of section 11 of the Act, shall be exempted from attendance during the months of September, October, November, and December.

(8) An applicant for admission to the Elementary-School Teacher's Certificate Course who

- (a) complies with the requirements of subregulation 1, and
- (b) holds an Interim Ordinary Vocational Certificate or an Interim Vocational Certificate, Type B,

shall be exempted from attendance during the months of September, October, November, and December.

ADMISSION REQUIREMENTS FOR THE DEFERRED ELEMENTARY-SCHOOL TEACHER'S CERTIFICATE COURSE

7. An applicant for admission to the Deferred Elementary-School Teacher's Certificate Course shall

- (a) comply with the requirements of regulation 5,
- (b) submit to the Deputy Minister evidence that he holds grade 13 standing in
 - (i) English composition or English literature,
 - (ii) French composition or French literature for French-speaking candidates, and
 - (iii) 3 additional papers.

ADMISSION REQUIREMENTS FOR THE SECOND CLASS CERTIFICATE COURSE

8. An applicant for admission to the Second Class Certificate Course shall

- (a) comply with the requirements of regulation 5, and
- (b) submit to the Deputy Minister evidence that he holds the Secondary School Graduation Diploma of the General Course with at least 3 options, one of which shall be composed of French composition and French literature for French-speaking candidates.

ADMISSION REQUIREMENTS FOR THE IN-SERVICE COURSE

9. (1) An applicant for admission to the Summer Session, First Year, shall

- (a) comply with the requirements of regulation 5,
- (b) submit to the Deputy Minister evidence that

(i) he holds the Secondary School Graduation Diploma of the General Course with at least 3 options, one of which shall be composed of French composition and French literature for French-speaking candidates, and

(ii) he has taught for at least 6 months in an elementary school where French is a subject of instruction with the approval of the Minister, certified by the inspector concerned.

(2) An applicant for admission to the Summer Session, Second Year, shall submit to the Deputy Minister his Deferred Interim Second Class Certificate, with item 1 thereon completed and signed by the inspector concerned.

(3) An applicant for admission to the Summer Session, Third Year, shall submit to the Deputy Minister his Deferred Interim Second Class Certificate with item 3 thereon completed and signed by the inspector concerned.

DATES OF APPLICATIONS

10. (1) Subject to subregulation 2 and 3, an applicant for admission to a University of Ottawa Teachers' College course shall submit his application not later than the 23rd of August in the year in which he intends to enter the course.

(2) An applicant for admission to the Summer Session, First Year, shall submit his application not later than the 1st of April in the year in which he intends to enter the summer session.

(3) An applicant for admission to the Summer Session, Second Year, or the Summer Session, Third Year, shall submit his application not later than the 1st of June in the year in which he intends to enter the summer session.

CARDS OF ADMISSION

11. (1) Subject to subregulation 2, where an applicant has complied with the requirements for admission to a University of Ottawa Teachers' College course, with the exception of the medical examination, the Deputy Minister shall send him a card of admission in form 4.

(2) Where the number of applicants for admission to the Summer Session, First Year, exceeds the number which in the opinion of the Minister is required to meet the anticipated shortage of teachers for the elementary schools in which French is a subject of instruction with the approval of the Minister, for the next succeeding school year, the Minister shall determine the basis of selection of eligible applicants to be admitted.

(3) No applicant shall be admitted to a University of Ottawa Teachers' College course unless he presents to the principal his card of admission.

COMMITTEES OF SELECTION

12. (1) The Minister shall annually appoint a committee of selection for the University of Ottawa Teachers' College and for the Summer Session, First Year.

(2) The committee of selection for the University of Ottawa Teachers' College or the summer session, as the case may be, shall be composed of

- (a) the principal and instructional staff of the Teachers' College or summer session, as the case may be,
- (b) at least one elementary-school inspector, and

(c) at least one representative of the Ontario Teachers' Federation.

(3) The principal of the University of Ottawa Teachers' College or of the Summer Session, First Year, shall be chairman of the committee of selection for the Teachers' College or summer session, as the case may be.

(4) The recommendation of the committee of selection with regard to an applicant may be based upon an interview conducted by a person or persons appointed by the committee for this duty, and may be based in part upon the results of written tests prescribed by the Minister.

(5) No recommendations for the rejection of an applicant shall be based upon fewer than 2 interviews and at one of these interviews at least 3 members of the committee of selection shall be present.

(6) The recommendations of the committee of selection shall be made to the Minister, whose decisions with regard to them shall be final.

(7) Where an applicant is rejected on the recommendation of a committee of selection, the Minister shall refund to the applicant his transportation costs, board and lodging in the manner provided in clauses b and c, respectively, of subregulation 6 of regulation 14.

(8) A representative of the Ontario Teachers' Federation appointed by the Minister to interview applicants on behalf of a committee of selection shall be paid at the rate of \$20 for a 6-hour day for each day of duty.

SPECIAL COMMITTEE

13. (1) The Minister shall appoint a special committee to perform the duties of the committee of selection in the case of an applicant who received his elementary- or secondary-school education outside of Canada, the United Kingdom, or the United States of America.

(2) The special committee shall be composed of

- (a) the Registrar, or a person named by him, who shall be chairman,
- (b) the Superintendent of Elementary Education or a person named by him,
- (c) the Superintendent of Secondary Education or a person named by him,
- (d) the Superintendent of Professional Training or a person named by him, and
- (e) a representative of the Ontario Teachers' Federation.

(3) The recommendations of the special committee shall be made to the Minister, whose decisions with regard to them shall be final.

(4) Where an applicant resident in Ontario is required to meet the special committee in Toronto, the Minister shall refund to the applicant the cost in excess of \$5.00 of the return railway or bus fare from the station nearest his place of residence to Toronto and the cost of any necessary meals, sleeping-car accommodation, and lodging.

MEDICAL EXAMINATION

14. (1) An applicant shall not be admitted to attendance at a University of Ottawa Teachers' College course until he passes a medical examination conducted by a duly qualified medical practitioner appointed by the Minister.

(2) The principal shall notify the applicant of the time and place at which he is to present himself for the medical examination.

(3) Subject to subregulation 4, the applicant shall pay a fee of \$2.50 for the medical examination.

(4) No fee shall be payable by an applicant who has been honourably discharged from active service in Her Majesty's forces.

(5) Where the practitioner certifies that an applicant has a physical condition which is likely to become aggravated but which is not sufficiently serious to prevent admission, the applicant shall not be admitted unless he signs a document waiving his right to a pension under sections 28 and 29 of *The Teachers' Superannuation Act*.

(6) Where an applicant is enrolled as a teacher-in-training but fails to pass the medical examination, the Minister shall refund to the applicant,

- (a) the fee for the examination,
- (b) the return coach-class railway fare or bus fare between the centre at which the course is offered and the station nearest the applicant's place of residence in Ontario, and
- (c) a sum for board and lodging at the rate of \$1 a day from the date the applicant began attendance at the course until the date he was notified of his exclusion by the principal.

(7) Where an applicant has passed the medical examination under this regulation in a previous year and again presents himself for admission to a University of Ottawa Teachers' College course, he may be exempted from another medical examination, but only if not more than 3 years have elapsed since the date of the examination.

15. (1) Where during the course the principal recommends to the Minister that a teacher-in-training be required to undergo a further medical examination, the Minister may

- (a) order a medical examination for the teacher-in-training, and
- (b) appoint a duly qualified medical practitioner to conduct the examination.

(2) Where the medical practitioner certifies that the teacher-in-training is medically unfit, the Minister shall direct the principal to notify the teacher-in-training of his exclusion.

DUTIES OF PRINCIPALS

16. The principal of the University of Ottawa Teachers' College or a summer session, as the case may be, shall

- (a) prescribe the duties of his staff,
- (b) be responsible for the efficiency of his Teachers' College or summer session, and
- (c) prepare such reports as are required from time to time by the Superintendent of Professional Training.

DUTIES OF TEACHERS-IN-TRAINING

17. Every teacher-in-training in a University of Ottawa Teachers' College course shall

- (a) attend the classes punctually and regularly, and
- (b) submit to the discipline and authority of the principal.

SUSPENSION AND DISMISSAL OF TEACHERS-IN-TRAINING

18. (1) The principal may, after a hearing, suspend from the University of Ottawa Teachers' College or a summer session, as the case may be, at any time during the course a teacher-in-training whose conduct, progress, or attendance is unsatisfactory.

(2) Where the principal suspends a teacher-in-training, he shall notify the Minister, who shall

- (a) remove, confirm, or modify the suspension, or
- (b) dismiss the teacher-in-training from the course.

FINANCIAL ASSISTANCE

19. (1) Where a teacher-in-training who is in attendance at the University of Ottawa Teachers' College during the school year is unable to reach the Teachers' College from his place of residence daily by street car or by the use of commutation tickets on a railway, the Minister, may, upon the recommendation of the principal, grant him financial assistance.

(2) The financial assistance shall be

- (a) the amount in excess of \$5.00 of the coach-class railway fare or bus fare from the station nearest the place of residence of the teacher-in-training to the Teachers' College in September and the fare for returning therefrom at the end of the school year, and
- (b) an amount not exceeding 70 cents a day for board and lodging for the days, including Saturdays and Sundays, on which the teacher-in-training is in residence in Ottawa for the purpose of attending Teachers' College.

(3) The financial assistance in clause *b* of sub-regulation 2 shall be paid by a loan to the teacher-in-training, secured by a promissory note from the teacher-in-training to the principal, with adequate security.

(4) Where the teacher-in-training teaches in elementary schools in which French is a subject of instruction with the approval of the Minister, for 1 or 2 or 3 or 4 years, he shall be exempted from repaying one-quarter, one-half, three-quarters, or the whole amounts, respectively, of the loan.

(5) Financial assistance under this regulation shall be granted to a teacher-in-training for only one year.

REFUNDS OF TRAVELLING EXPENSES SUMMER SESSIONS

20. Where a teacher-in-training at a summer session is a resident of Ontario, the Minister shall refund the cost in excess of \$5 of the coach-class railway fare or bus fare from the station nearest the place of residence of the teacher-in-training to the Teachers' College, at the beginning of the summer session and the fare for returning therefrom at the end of the summer session.

PRACTICE SCHOOLS

21. (1) The principal of the University of Ottawa Teachers' College shall, in co-operation with the boards and the inspectors or superintendents of schools concerned, select, from the rural and urban schools in which French is a subject of instruction with the approval of the Minister, teachers of experience and sound judgment who shall be known as "practice teachers".

(2) The practice teachers shall be in charge of the directed observation and practice teaching of the teachers-in-training.

22. The instructional staff of the University of Ottawa Teachers' College in co-operation with the

practice teachers, shall determine the final standing of the teachers-in-training in practice teaching.

23. The principals and teachers of the practice schools shall, for the purposes of the University of Ottawa Teachers' College, be subject to the authority of the principal of the Teachers' College.

24. The principal of the University of Ottawa Teachers' College shall, in co-operation with the principals of the practice schools, arrange the timetable for observation and practice teaching.

25. A practice teacher shall permit teachers-in-training to enter his classroom for observation and practice teaching.

26. Where a dispute arises between the principal of the University of Ottawa Teachers' College and the principal or teacher of a practice school in connection with any matter affecting the Teachers' College, it shall be submitted for settlement to the board of the practice school and, in the event of continued disagreement, to the Minister, whose decision shall be final.

SESSIONAL RECORDS

27. (1) The instructional staff of the University of Ottawa Teachers' College shall keep a record of the term work of each teacher-in-training, to be known as a "sessional record".

(2) A sessional record of a teacher-in-training of the University of Ottawa Teachers' College shall be based on

- (a) observation in practice schools,
- (b) oral and written class tests,
- (c) practical work,
- (d) practice in valuing answer papers of practice-school pupils, and
- (e) term examinations.

(3) The instructional staff of the University of Ottawa Teachers' College shall take into consideration in determining the sessional record of a teacher-in-training his attitude to his work and his adaptability to teaching.

28. Where a teacher-in-training of the University of Ottawa Teachers' College obtains a sessional record of at least 66 per cent in a subject, the principal may exempt him from writing the final examination in that subject.

FINAL EXAMINATIONS

29. (1) The final examinations of the University of Ottawa Teachers' College and the summer sessions shall be conducted under the supervision of the Superintendent of Professional Training in accordance with a timetable determined by the Minister.

(2) The question papers for the final examinations shall be prepared by the instructional staff of the Teachers' College or summer session, as the case may be.

(3) The answer papers for the final examination shall be marked by the staff of the Teachers' College or summer session, as the case may be.

(4) The Minister may direct the principal of the University of Ottawa Teachers' College to admit to the final examinations a teacher-in-training who has previously failed in one or more subjects of a University of Ottawa Teachers' College course.

30. (1) Subject to subregulation 3 and 4, the maximum number of marks for each subject shall be 200 of which 100 shall be for the sessional record and 100 for the final examinations.

(2) The maximum number of marks for practice teaching shall be 1000.

(3) The standing of extramural teachers-in-training shall be determined by the final examinations, in which case the maximum number of marks for each subject shall be 200.

(4) The standing of teachers-in-training in the summer sessions shall be determined by the final examinations, in which case the maximum number of marks for each subject shall be 200.

31. Where a teacher-in-training in the Elementary-School Teacher's Certificate Course, or the Deferred Elementary-School Teacher's Certificate Course, or the Second Class Certificate Course

- (a) has complied with the requirements for admission to the course
- (b) has obtained at least 600 marks in practice teaching, and
- (c) has, for each subject of the course,
 - (i) been exempted under regulation 28 from writing the final examination, or
 - (ii) obtained a total of at least 120 marks for the sessional record and the final examination,

the principal of the University of Ottawa Teachers' College and the Superintendent of Professional Training shall report to the Deputy Minister that the teacher-in-training has successfully completed the course.

32. Where the principal of the University of Ottawa Teachers' College and the Superintendent of Professional Training are unable to report under regulation 31 that a teacher-in-training has successfully completed his course, the teacher-in-training may repeat in a subsequent year the course in which he was enrolled, but he shall be exempted from attendance during the months of September, October, November, and December.

33. Where a teacher-in-training in the Summer Session, First Year,

- (a) has complied with the requirements for admission to the summer session, and
- (b) has, for each subject of the course, obtained at least 120 marks on the final examination,

the Minister shall, upon the recommendation of the principal and the Superintendent of Professional Training, grant him a Deferred Interim Second Class Certificate in form 5.

34. Where a teacher-in-training in the Summer Session, Second Year,

- (a) has complied with the requirements for admission to the summer session, and
- (b) has, for each subject of the course, obtained at least 120 marks on the final examination,

the Registrar shall, upon the recommendation of the principal and the Superintendent of Professional Training, endorse his Deferred Interim Second Class Certificate in item 2.

35. Where a teacher-in-training in the Summer Session, Third Year,

- (a) has complied with the requirements for admission to the summer session, and
- (b) has, for each subject of the course, obtained at least 120 marks on the final examinations,

the principal of the summer session and the Superintendent of Professional Training shall report to the Deputy Minister that he has successfully completed the In-service Course.

APPEALS

36. (1) Where a teacher-in-training in the University of Ottawa Teachers' College passes in practice teaching but fails to pass the final examination in one or more subjects, or where a teacher-in-training in a summer session fails to pass the final examination in one or more subjects, his case shall be re-considered if within 2 weeks after the examination results are announced he submits to the Deputy Minister

- (a) an appeal,
- (b) a statement of the grounds upon which the appeal is based, and
- (c) a fee of \$2 for each paper appealed.

(2) The appeal fee shall be refunded to a teacher-in-training whose appeal is successful.

THE JUNIOR FARMER ESTABLISHMENT
ACT, 1952

O. Reg. 211/56.

Debenture Issue.

New.

Made—25th October, 1956.

Filed—30th October, 1956.

TO THE HONOURABLE LOUIS ORVILLE BREITHAUP, LL.D., Lieutenant-Governor of the Province of Ontario.

Report of a Committee of the Executive Council on Matters referred to their consideration.

Approved and Ordered 25th day of October 1956.
L. O. Breithaupt.

ON MATTERS OF STATE

May it please your Honour

The Committee of Council have had under consideration the report of the Honourable the Minister of Agriculture, dated October 24th 1956, wherein he states that,

WHEREAS The Ontario Junior Farmer Establishment Loan Corporation (hereinafter called the "Corporation") by Resolution of its Board of Directors passed the 21st day of September, 1956, has authorized, subject to the approval of your Honour in Council, the raising of money by way of loan by the issue and sale of Debentures of the Corporation in the principal amount of \$15,000,000 payable in the manner and on the terms set forth in the said Resolution for the purpose of repaying in full temporary loans of the Corporation and for the purpose of carrying out the object of the Corporation;

AND WHEREAS the Corporation has made application for the approval of your Honour in Council of the raising of money by way of loan by the issue and sale of the said Debentures of the Corporation as set forth and provided in its said Resolution and has further requested that payment of the principal of and interest on the said Debentures be guaranteed by the Province of Ontario;

The Honourable the Minister of Agriculture therefore recommends that:

1. Pursuant to the provisions of *The Junior Farmer Establishment Act, 1952*, being Statutes of Ontario, 1952, Chapter 45 and amendments thereof, the Corporation be authorized for the purpose of repaying in full temporary loans of the Corporation and for the purpose of carrying out the object of the Corporation to raise money by way of loan by the issue and sale of Debentures of the Corporation in the principal amount of \$15,000,000 bearing interest at the rate of Four and one-half per centum per annum payable half-yearly on the 1st day of April and on the 1st day of October in each year of their currency and payable on the 1st day of October, 1976, subject to redemption at the option of the Corporation as a whole or in part on the 1st day of October, 1975 or on any date thereafter upon payment of the principal amount thereof together with interest accrued thereon to the date of redemption; the principal of and interest on the said Debentures to be payable in lawful money of Canada at the office of the Treasurer of Ontario in the City of Toronto.

2. The said Debentures be issued originally in the form of Fully Registered Debentures without coupons in denominations of \$100,000 or any multiple or multiples thereof but exchangeable for Coupon Debentures in the denomination of \$1,000 as provided in said Resolution; such Debentures when issued in

the form of Fully Registered Debentures shall be dated the 1st day of October, 1956 or such later date or dates as the Corporation may determine and shall bear interest from the date thereof if it be a 1st day of October or 1st day of April and if not, from the 1st day of October or 1st day of April, whichever is later, next preceding the date thereof, such Debentures when issued in the form of Coupon Debentures in exchange for Fully Registered Debentures shall be dated the 1st day of October, 1956 but if any interest coupons have matured prior to the date of issue and delivery of any such Coupon Debentures, the same shall be cancelled and detached prior to such delivery.

3. The said Fully Registered Debentures and the said Coupon Debentures and the interest coupons attached to the said Coupon Debentures be substantially in the respective forms and be executed in the manner provided in the said Resolution of the Corporation.

4. The Treasurer of Ontario be authorized to guarantee payment by the Province of Ontario of the principal of and interest on the said Debentures of the Corporation in the principal amount of \$15,000,000 (and whether issued originally or in exchange for or upon the transfer of other Debentures comprising part of said issue of Debentures of the Corporation) payable in the manner and upon the terms in the said Resolution of the Corporation set forth and the respective forms of said guarantee be as set out below:

FULLY REGISTERED DEBENTURES GUARANTEE BY THE PROVINCE OF ONTARIO

By virtue of the powers conferred by the Legislature of the Province of Ontario, and of an Order of the Lieutenant-Governor in Council, the Province of Ontario hereby guarantees to the registered holder of this Debenture due payment of the principal of this Debenture and of the interest thereon according to the tenor of the said Debenture.

5. The said guarantee be endorsed or enfaced on the said Debentures (whether issued originally or in exchange for or upon the transfer of other Debentures comprising part of said issue of Debentures of the Corporation) and be executed on behalf of the Province by the Treasurer of Ontario holding office at the date of this Order-in-Council under his engraved, lithographed, or printed facsimile signature and be counter-

signed as to the whole or any part of said issue by Hugh Edward Brown, or Hugh Harold Walker, or Alfred William Davies, or Hugh Elmer Munro, or Lorne David Gagen, or Ernest Boyd Cumming, or Ruby Kathleen Bailey, or Joan Florence Shearer, each of whom is hereby constituted and appointed an officer of the Treasury Department and hereby designated for such purpose (or by any other duly constituted and appointed officer of the Treasury Department who may hereafter be designated for such purpose) and that the said Hugh Edward Brown be authorized to sign as H. E. Brown, and that the said Hugh Harold Walker be authorized to sign as H. H. Walker and that the said Alfred William Davies be authorized to sign as A. W. Davies and that the said Hugh Elmer Munro be authorized to sign as H. E. Munro and that the said Lorne David Gagen be authorized to sign as L. D. Gagen and that the said Ernest Boyd Cumming be authorized to sign as E. B. Cumming and that the said Ruby Kathleen Bailey be authorized to sign as R. K. Bailey and that the said Joan Florence Shearer be authorized to sign as J. F. Shearer and that such respective forms and manner of execution of said guarantee be hereby approved and determined.

6. The raising of money by way of loan by the said Corporation for the purposes aforesaid and the issue and sale of its said Debentures therefor as aforesaid be and the same are hereby approved.

7. The Resolution of the Corporation and Schedules A and B, hereto attached as Appendix 1, forms part hereof.

8. The foregoing be made as a regulation of your Honour in Council under the authority of the said *The Junior Farmer Establishment Act, 1952*, being Statutes of Ontario, 1952, Chapter 45 and amendments thereof.

The Committee of Council concur in the recommendation of the Honourable the Minister of Agriculture and advise that the same be acted on.

RESPECTFULLY SUBMITTED,

DANA PORTER
Chairman.

APPENDIX I

September 20th, 1956.

Extract from Minutes of a Meeting of the Board of Directors of The Ontario Junior Farmer Establishment Loan Corporation duly called and held on the 21st day of September, 1956.

WHEREAS under and by virtue of *The Junior Farmer Establishment Act, 1952*, being Statutes of Ontario, 1952, Chapter 45, and amendments thereof, The Ontario Junior Farmer Establishment Loan Corporation (hereinafter called the "Corporation") has power with the approval of the Lieutenant-Governor in Council to raise money by way of loan in the aggregate amount therein mentioned for the purposes and subject to the terms, conditions and provisions therein contained;

AND WHEREAS the Corporation has heretofore raised money by way of temporary loans amounting as of the 19th day of September, 1956, to the sum of Ten Million, Four Hundred and Thirteen Thousand, Eight Hundred and Fourteen Dollars and Sixty Cents (\$10,413,814.60) and it is desirable to raise money by way of loan to repay in full the said temporary loans and to carry out the object of the Corporation;

BE IT RESOLVED:

1.—That for the purpose of repaying in full the said temporary loans of the Corporation and for the purpose of carrying out the object of the Corporation, the Corporation, subject to the approval of the Lieutenant-Governor in Council, do raise money by way of loan by the issue and sale of Debentures of the Corporation in the principal amount of Fifteen Million Dollars (\$15,000,000.00).

2.—That such Debentures be issued originally in the form of Fully Registered Debentures without coupons in denominations of \$100,000 or any multiple or multiples thereof but exchangeable for Coupon Debentures in the denomination of \$1,000 as hereinafter provided; that such Debentures when issued in the form of Fully Registered Debentures shall be dated the 1st day of October, 1956 or such later date or dates as the Corporation may determine and shall bear interest from the date thereof if it be a 1st day of October or 1st day of April and if not, from the 1st day of October or 1st day of April, whichever is later, next preceding the date thereof; that such Debentures when issued in the form of Coupon Debentures in exchange for Fully Registered Debentures shall be dated the 1st day of October, 1956 but if any interest coupons have matured prior to the date of issue and delivery of any such Coupon Debentures, the same shall be cancelled and detached prior to such delivery; that the said Debentures shall bear interest at the rate of Four and one-half per centum ($4\frac{1}{2}\%$) per annum payable half-yearly on the 1st days of April and October in each year and shall be payable on the 1st day of October, 1976 or on such earlier date as the said Debentures may be redeemed in accordance with the provisions hereinafter contained; and that the principal of and interest on the said Debentures be payable in lawful money of Canada at the office of the Treasurer of Ontario in the City of Toronto.

3.—That the Corporation shall have the right at its option to redeem the said Debentures as a whole or in part on the 1st day of October, 1975, or on any date thereafter, at the place where and in the money in which the said Debentures are expressed to be payable, upon payment of the principal amount thereof together with interest accrued thereon to the date of redemption, and upon giving previous notice of such redemption by advertising once in the Ontario Gazette and once in a daily newspaper of general circulation published in the City of Toronto, such notice to be advertised as aforesaid at least thirty days before the date fixed for redemption.

4.—That the Corporation do cause to be kept by the Secretary of the Corporation at the office of the Corporation in the City of Toronto, Canada, a register in which shall be entered the names and addresses of the holders of the Fully Registered Debentures and particulars of the Debentures held by them respectively, and in which transfers of Fully Registered Debentures may be registered, and a register in which the holders of Coupon Debentures may register the same as to principal only, and in which transfers of Coupon Debentures so registered may be registered; and that one or more Fully Registered Debentures of this issue (when accompanied by an instrument of transfer in form approved by the Corporation, executed by the registered holder or by his duly authorized attorney) may be exchanged for Coupon Debentures of this issue of the same aggregate principal amount in the denomination of \$1,000 each with all unmatured coupons attached, such exchange to be effected at the said office of the Corporation in the City of Toronto, provided that the Corporation shall not be required to make any exchanges, registrations or transfers of Fully Registered Debentures within fifteen days prior to an interest payment date.

5.—That the said Fully Registered Debentures be substantially in the form set forth in Schedule "A" hereto annexed and that the said Coupon Deben-

tures be substantially in the form set forth in Schedule "B" hereto annexed and that the said Fully Registered Debentures be subject to the conditions endorsed thereon as set forth in the said form of Fully Registered Debenture and that all of the said conditions be hereby approved.

6.—That the said Fully Registered Debentures and the said Coupon Debentures shall be under the Seal of the Corporation and shall be signed by the Chairman or Vice-Chairman of the Corporation and by the Secretary of the Corporation and the interest coupons attached to the Coupon Debentures shall be signed by the Secretary of the Corporation; that the signature of the Chairman or Vice-Chairman of the Corporation upon the said Fully Registered Debentures and upon the said Coupon Debentures and the signature of the Secretary of the Corporation upon the said interest coupons may be engraved, lithographed, printed or otherwise mechanically reproduced and any such engraved, lithographed, printed or mechanically reproduced signature shall be deemed for all purposes the signature of such officer and shall be binding upon the Corporation; that the said signatures shall be the signatures of the Chairman or Vice-Chairman of the Corporation and of the Secretary of the Corporation respectively holding office at the time each such signature is respectively affixed (either manually or by mechanical reproduction as aforesaid) to said Fully Registered Debentures, said Coupon Debentures, and said interest coupons respectively, and notwithstanding any change in any of the persons holding the said offices between the time when such signatures are so affixed and the date of delivery of said Debentures and notwithstanding the fact that the person whose signature is so affixed may not have held office at the date of the said Debentures or at the date of delivery thereof, the said Fully Registered Debentures, the said Coupon Debentures, and the said interest coupons so signed shall be valid and binding upon the Corporation.

7.—That application be made to the Lieutenant-Governor in Council for authority to issue Debentures of the Corporation as hereinbefore provided for the purposes hereinbefore mentioned.

8.—That the Lieutenant-Governor in Council be requested to authorize the Treasurer of Ontario to guarantee payment by the Province of Ontario of the principal of and the interest on the Debentures of the Corporation authorized to be issued as aforesaid.

9.—That the proceeds of the sale of the said Debentures be applied first to the repayment in full of the said outstanding temporary loans of the Corporation and thereafter to the extent of the balance of such proceeds to carry out the object of the Corporation.

10.—That the proper officers of the Corporation be and they are hereby authorized and directed to execute all such instruments and to do all such other acts and things as to them may seem necessary or advisable in order to give effect to the foregoing.

WE, John Charles Steckley and Thomas Ross Ewart, Chairman and Secretary respectively of The Ontario Junior Farmer Establishment Loan Corporation do hereby certify under the Seal of the Corporation that the above resolution was duly passed at a meeting of the Board of Directors of the said Corporation duly called and held on the 21st day of September, 1956, at which all of the members of the Board were personally present and voted unanimously in favour of said resolution.

REGULATIONS MADE BY THE BOARD
UNDER THE MILK INDUSTRY ACT, 1954PERMITS FOR CONSTRUCTION OR ALTERATION OF
A BUILDING

1.(1) An application for a permit for the construction or alteration of a building intended for use as a plant or for the alteration of a plant the operation of which is licensed under Part III of the Act shall be in form 1.

(2) An application in form 1 shall be accompanied by 2 copies of drawings and specifications for the construction or alteration of the building, or alteration of the plant.

2. A permit for the construction or alteration of a building intended for use as a plant or for the alteration of a plant the operation of which is licensed under Part III of the Act, shall be in form 2.

3. A permit in form 2 is issued on the terms and conditions that

(a) the location of the plant is on land that is well drained and readily accessible,

(b) the building being constructed or altered or the plant being altered has a supply of clean, fresh water, and has facilities for disposal of sewage, sufficient for the purposes of the operation of the plant as constructed or altered,

(c) the construction or alteration of the building or alteration of the plant is carried out in accordance with the drawings and specifications submitted with the application in form 1,

(d) the applicant has complied with the provisions of municipal by-laws and Acts or regulations applicable to the construction or alteration being made.

4.(1) An application for a licence to operate a plant, or renewal thereof, shall be in form 3.

(2) A licence to operate a plant shall be in form 4.

(3) A licence is valid for the period from and including the 1st of April or the date of issue, whichever is the later, to the 31st of March next following.

(4) A licence may be limited to one or more classes of plants.

(5) The fee for a licence is \$1 and shall accompany the application therefor.

(6) A licence is not transferable.

5. A licence is issued on the terms and conditions that

(a) in the case of a creamery the buttermaking is in charge of a person who holds a buttermaker's certificate, and

(b) in the case of a cheese factory the cheesemaking is in charge of a person who holds a cheesemaker's certificate.

(c) the holder of the licence does not permit any employee to work in the plant

(i) while the employee has a communicable disease, or

(ii) who is not wearing outer clothing that is clean and light in colour.

6. The construction or alteration of a building intended for use as a plant shall be made so that

(a) the floors of all rooms in which milk or milk products are handled, processed or stored are of concrete or other material impervious to liquids, and drained,

(b) each wall in a room in which milk or milk products are handled, processed or stored has a base at least 6 inches above the floor level made of concrete or other waterproof material, and the joint between the floor and the base is water-tight,

(c) the ceiling of a room in which processing is done is at least 10 feet above the floor,

(d) the surfaces of the walls and ceilings of all rooms in which milk or milk products are handled, processed or stored are of washable and moisture-proof material,

(e) there is provision for equipping all openings with screens, proof against flies or other insects and all doors with self-closing devices, or equivalent method of ensuring that flies or other insects do not enter,

(f) rooms where milk and cream are handled or processed contain provision for lighting, ventilating and heating,

(g) the ceilings in the plant are insulated and sealed against infiltration of dampness or vapour, with free circulation of air between the insulation and the roof,

(h) a water-closet does not open directly into a room where milk or milk products are handled or processed,

(i) sewage is carried from the building by pipes, each of which contains a trap in an accessible location and connecting with a municipal sewer or a septic tank,

(j) any heating unit is located in a room having a concrete floor and not used for the handling, processing or storing of milk or milk products,

(k) (i) in the case of a cheese factory, there is a curing-room large enough for the operation intended,

(ii) in the case of a creamery, there is a cold storage room of a size large enough to hold at least seven days' production of butter, and

(iii) in the case of building intended for use as a plant for the manufacture of milk products other than butter or cheese, there are storage rooms large enough for the operation intended,

capable of being equipped with an automatic temperature-control system,

(l) receiving rooms for milk and cream are enclosed and of sufficient size to permit freedom of movement in receiving, grading, sampling and handling of milk and cream and the washing of containers, and

(m) rodents and other vermin do not enter or remain on the premises.

7.(1) Plants shall be equipped with

(a) screens capable of preventing the entry of flies or other insects covering every opening into the plant, or other equivalent equipment, and a self-closing device on each outside door of the plant, and on each door of a water-closet,

(b) a wash basin in each room where milk or milk products are handled,

(c) a temperature-control system capable of automatically controlling the temperature in each curing-room, cold-storage room or storage room for efficient processing or preserving of milk or milk products therein,

(d) a boiler or other equipment capable of maintaining a supply of hot water or steam sufficient for processing milk and cream and hot water for cleaning and sterilizing the equipment and rooms used in receiving, handling, processing or storing milk or milk products,

(e) (i) thermometers of shatter-proof material, and

(ii) thermometers on equipment used in processing, cleaning or sterilizing milk or milk products, capable of registering the temperature of the milk or milk product.

(2) A creamery shall be equipped with a pasteurizer having a capacity of at least 300 gallons and a churn capable of manufacturing at least 1000 pounds of butter at one time.

SANITATION

8.(1) Any part of a plant, including piping, pumps, containers, tanks and other equipment which is in contact with or likely to be in contact with milk or milk products shall be scoured of particles of milk or milk products by scrubbing or by a solvent and rinse

(a) at least once every 24 hours, and

(b) before there is a change in the kind of milk or milk product in contact with or likely to be in contact with the part of the plant.

(2) The floor of each room in a plant in which milk or milk products are handled or processed shall be scrubbed and rinsed with fresh water at least once every 24 hours.

(3) The walls and ceiling of each room in a plant in which milk or milk products are handled, processed or stored, and the floor of each room in a plant in which milk or milk products are stored shall be scrubbed and rinsed with fresh water at least once every 6 months, and at such other times as may be necessary to remove any noticeable accumulation.

9.(1) Where equipment or containers for handling, processing or storing milk or milk products are of metal, the surfaces likely to come in contact with milk or milk products shall be

(a) smooth and anti-corrosive,

(b) without open seams,

(c) accessible at all points for scrubbing,

(d) without joints which are not flush with adjoining surfaces.

(2) Wooden equipment used in a plant shall be of sound material with smooth surfaces, and joints or seams shall be sealed.

10. Tanks used for storing skim-milk, buttermilk or whey in a plant shall not be located in contact with earth and shall be of metal construction.

11.(1) The handling, processing or storing of milk or milk products shall be carried on in such a location and in such a manner that no matter foreign to the milk or milk product being handled, processed or stored can enter the milk or milk product.

(2) A room in which milk or milk products are stored shall not be used for storing other products or other milk or milk products that may contaminate or deteriorate the milk or milk products being stored.

(3) A plant shall not contain odours other than those resulting from the handling, processing or storing of fresh milk, or fresh milk products.

42. Notwithstanding regulations 37, 38, 39, 40 and 41, a cheesemaker who did not hold a cheesemaker's certificate in the year immediately preceding the date of his application but did hold a cheesemaker's permit or certificate under Ontario Regulations 233/44, or under these regulations, within 5 years before the date of his application may be issued a cheesemaker's certificate of the same class he last held.

43. A variety cheesemaker's certificate, a first class cheesemaker's certificate, a second class cheesemaker's certificate and a beginner cheesemaker's certificate are valid from the date of issue to the 31st of March next following.

44. Notwithstanding regulation 37, upon application therefor a beginner cheesemaker's certificate shall be issued to a person who

- (a) (i) is the holder of a diploma described in sub-clause i of clause a of regulation 37, or
- (ii) has been the holder of a cheesemaker's permit or certificate under Ontario Regulations 233/44, other than a Special Permit for Cheesemakers, or under these regulations, and
- (b) was employed in a cheese factory for at least 3 months in the 2-year period immediately before the date of his application,
- (c) is a milk tester and milk grader, and
- (d) is recommended in writing for the certificate by a first class cheesemaker.

45.(1) A cheesemaker's certificate is issued on the terms and conditions that the holder of the certificate

- (a) conforms to the requirements of the Act and regulations pertaining to his duties, and
- (b) conspicuously displays the certificate in the room in the plant in which he is usually employed.

(2) The Board may, after a hearing, suspend, or revoke a cheesemaker's certificate for any breach of the terms and conditions upon which the certificate is issued.

SELECTING AND REJECTING OF MILK

46. Milk rejected at a plant shall be known as "rejected milk".

47. The milk grader at a plant shall select or reject milk delivered by each producer immediately after the lid of the container is removed and before any of the milk of the producer is removed from the container other than for testing purposes.

48. The milk grader at a plant shall reject milk delivered by a producer which

- (a) is not sweet, or
- (b) has an objectionable flavour or odour, or
- (c) shows evidence of being watery, flaky, stringy, bloody, thick or adulterated or insanitary.

49. The milk grader at a plant shall reject milk delivered by a producer in a container which is not

- (a) metal, or
- (b) in good condition, or
- (c) free from rust, open seams and other defects, or
- (d) covered by a secure lid.

TESTING FOR SEDIMENT CONTENT OF MILK

50.(1) The grades for milk when tested for sediment content of the milk are

- (a) grade A, consisting of milk that contains not more than 0.25 milligrams of sediment to 16 ounces of milk,
- (b) grade B, consisting of milk that contains not more than 1.5 milligrams of sediment to 16 ounces of milk,

(c) grade C, consisting of milk that contains not more than 2.5 milligrams of sediment to 16 ounces of milk, and

(d) grade D, consisting of milk that contains more than 2.5 milligrams of sediment to 16 ounces of milk.

(2) Tests made for sediment content of milk shall be known as "sediment tests".

51.(1) An operator of a plant shall provide the following equipment for making sediment tests:

- (a) at least one sediment tester having a capacity of 16 ounces of milk,
- (b) an additional head for each sediment tester,
- (c) two holders of clamp type,
- (d) a quantity of lintine cotton discs, having a diameter of $1\frac{1}{4}$ inch, and
- (e) charts of sediment standards.

(2) The milk grader at a plant shall maintain equipment for making sediment tests in good repair and shall from time to time examine the equipment to ensure that when a sediment tester is used the sample of milk drawn for each test is at least 16 ounces.

(3) The milk tester shall, for purposes of testing, draw each sample of milk by a sediment tester from the bottom of the container of milk so that the head of the sediment tester passes diametrically across the bottom of the container as the sample of milk is drawn into the sediment tester.

52.(1) A milk grader shall make at least one sediment test of milk delivered to a plant by a producer in each half-month period.

(2) When a sediment test is made, the test shall be made of the milk in at least one container received from the producer and selected at random, before any of the milk received from the producer on that day is removed from its containers.

(3) The milk grader shall make the sediment test of the milk immediately after the lid of the container is first removed and before any of the milk is removed from the container.

(4) Where a sediment test is made of the milk in one container delivered by a producer and the sediment test shows that the milk is grade C or grade D, the grader shall

- (a) make a sediment test of the milk in every container of milk received from the producer on the day of the test,
- (b) make a sediment test of every container of milk subsequently delivered by that producer until all of the milk received from that producer on a subsequent day complies with the standards of at least grade B or all of the milk delivered by that producer is rejected under regulation 53,
- (c) where he finds by a sediment test that any milk is grade D, reject the milk, and
- (d) where he finds by a sediment test that any milk is grade C,
 - (i) where the container is owned by the producer, attach to the container a warning tag on which is recorded the particulars of the delivery and the grade and return the container promptly to the producer, or

- (ii) send by prepaid post or deliver a notice to the producer of the particulars of the delivery of milk and the grade.

53.(1) Where a milk grader finds by sediment tests that milk delivered to a plant by a producer fails to comply with at least grade B on more than 6 days in any 15-day period he shall reject all milk from that producer for the next ensuing 15 days unless the producer shows that the milk he delivers complies with the requirements of at least grade B.

(2) Where a milk grader rejects milk under sub-regulation 1, the milk grader shall send by prepaid post or deliver a notice to the producer of the particulars of the delivery of milk and the cause of the rejection and return to the producer at his expense any milk delivered thereafter during the next ensuing 15 days unless the producer shows that the milk he delivers complies with the requirements of at least grade B.

54. Where a milk grader rejects milk he shall

- (a) attach to the container in which the milk was delivered a rejection tag bearing the words "rejected milk",
- (b) state on the rejection tag the cause for the rejection,
- (c) add to the milk a harmless food colouring, and
- (d) return the milk in the container in which it was delivered to the producer as soon as practicable.

55. A producer shall not sell, offer for sale, transport or deliver the rejected milk for use as food, or in the preparation of food, for human consumption.

TESTING FOR BACTERIAL ACTIVITY IN MILK

56.(1) The milk grader at a plant shall make at least one test for bacterial activity in milk delivered to the plant by a producer in each 30-day period.

(2) The test for bacterial activity in milk shall be

- (a) a Methylene Blue reduction test, or
- (b) a Resazurin reduction test.

57.(1) The operator of a plant shall provide equipment for making

- (a) Methylene Blue reduction tests, or
- (b) Resazurin reduction tests.

(2) The operator of a plant shall provide the following equipment for making tests for bacterial activity:

- (a) one pipette or dipper having a capacity of 10 millilitres,
- (b) one pipette or burette having a capacity of .1 millilitre,
- (c) culture tubes,
- (d) culture-tube racks,
- (e) culture-tube closures,
- (f) a water bath with a cover capable of excluding light, and with a means of heating that is thermostatically controlled so that the contents of culture tubes in the bath are heated to at least 96 degrees Fahrenheit in a period of not more than 10 minutes and then maintained at a temperature between 96 and 99 degrees Fahrenheit during the test period,

(g) where a Methylene Blue reduction test is performed, a quantity of methylene blue thiocyanate tablets each containing 8.8 milligrams of dye,

(h) where a Resazurin reduction test is performed, a quantity of resazurin tablets, each containing 11 milligrams of dye,

(i) a quantity of distilled water,

(j) one thermometer,

(k) one china-marking pencil,

(l) one graduate cylinder of such capacity as required for holding and measuring quantities of 50 millilitres and 200 millilitres of liquids,

(m) one glass bottle of amber or other colour having low actinic properties, of 500 millilitre capacity, and suitable for holding a solution of Methylene Blue thiocyanate, and

(n) one container for holding hot water for the sterilization of pipettes, dippers and burettes during milk-sampling operations.

(3) For purposes of making a Methylene Blue reduction test, or a Resazurin reduction test, a milk grader shall prepare a blue dye solution, or a resazurin dye solution, as the case may be.

58. Where milk is tested for bacterial activity by a Methylene Blue reduction test and the sample of milk for purposes of test is added to the blue dye solution, the grades for milk are

- (a) grade 1, for milk of which the sample is not discolored within a period of 3½ hours,
- (b) grade 2, for milk of which the sample is not discolored within a period of 2½ hours but is discolored within a period of 3½ hours,
- (c) grade 3, for milk of which the sample is not discolored within a period of 30 minutes but is discolored within a period of 2½ hours, and
- (d) grade 4, for milk of which the sample is discolored within a period of 30 minutes.

59. Where milk is tested for bacterial activity by a Resazurin reduction test and the sample of milk for purposes of test is added to the resazurin dye solution, the grades for milk are

- (a) grade 1, for milk of which the sample does not change in colour from blue grey to more than purplish blue in a period of 3 hours,
- (b) grade 2, for milk of which the sample changes in colour from blue grey to not more than purplish blue in a period of 2 hours, but to more than purplish blue in a period of 3 hours,
- (c) grade 3, for milk of which the sample changes in colour from blue grey to not more than purplish blue in a period of 1 hour, but to more than purplish blue in a period of 2 hours, and
- (d) grade 4, for milk of which the sample changes in colour from blue grey to more than purplish blue in a period of 1 hour.

60. Where a milk grader finds by a Methylene Blue reduction test or a Resazurin reduction test that the milk delivered by a producer is grade 3 or grade 4 he shall make a Methylene Blue reduction test, or a Resazurin reduction test, of the milk of that producer at least once each week until he finds that the milk is at least grade 2 or the milk is rejected under regulation 61.

61.(1) Where a milk grader finds by a Methylene Blue reduction test or a Resazurin reduction test that the milk delivered by a producer failed to comply with at least grade 2 on more than 3 tests in any 30-day period he shall reject all milk from that producer for the next ensuing 15 days unless the producer shows that the milk he delivers complies with the requirements of at least grade 2.

(2) Where a milk grader finds by a bacterial activity test that the milk is grade 3 or grade 4 he shall notify, within 24 hours, the producer of the results of the test.

(3) Where a milk grader rejects milk under sub-regulation 1, the milk grader shall send by prepaid post or deliver a notice to the producer of the particulars of the delivery of milk and the cause for the rejection and return to the producer at his expense any milk delivered thereafter during the next ensuing 15 days unless the producer shows that the milk he delivers complies with the requirements of at least grade 2.

62.(1) A producer whose milk or cream is rejected at a plant and who delivers milk to another plant within 15 days of the rejection shall notify the operator of the plant of the rejection and the cause for the rejection given on the rejection tag or in a notice to the producer.

(2) The operator of a plant shall reject milk delivered by a producer whose milk or cream was rejected at a plant within the preceding period of 15 days unless the milk is tested by sediment test and found to be at least grade B, and by Methylene Blue reduction test or Resazurin reduction test and found to be at least grade 2.

63. A milk grader shall test milk for sediment content and bacterial activity, delivered by a producer

- (a) who has not delivered milk to the plant during the 15-day period preceding the date of delivery, and
- (b) whose milk or cream has been rejected by a plant during the 15-day period preceding the date of delivery.

EQUIPMENT FOR SAMPLING AND TESTING MILK

64. An operator of a plant shall provide

- (a) containers of at least 8-ounce capacity with close-fitting tops or stoppers to hold composite samples of milk of producers delivering milk to the plant,
- (b) equipment for obtaining a sample of milk from the milk received from a producer, and
- (c) a tank of sufficient size to be a tempering bath for samples of milk in the making of a test for milk-fat content of the milk.

65. The operator of a plant shall provide the following equipment for making Babcock-tests of milk:

- (a) Babcock-test bottles and pipettes,
- (b) one acid measure for measuring sulphuric acid and pouring it into Babcock-test bottles,
- (c) a quantity of sulphuric acid having a specific gravity of not less than 1.82 or more than 1.83 at a temperature of 68 degrees Fahrenheit,
- (d) a centrifuge which is
 - (i) in sound mechanical operating condition,

(ii) capable of being operated at speeds required for tests without appreciable vibration,

(iii) equipped with a speed indicator or other means of readily determining the speed, and

(iv) properly mounted.

(e) a means of heating the centrifuge to a temperature of at least 130 degrees Fahrenheit and maintaining the temperature at not less than 130 degrees during the period of the test,

(f) a set of calipers in sound mechanical operating condition, and

(g) a water bath with a means of heating the water to a temperature of at least 130 degrees Fahrenheit and maintaining the temperature at not less than 130 degrees or more than 140 degrees Fahrenheit during the period of the test and a thermometer capable of measuring readily the temperature of the water.

WEIGHING OF MILK AND SAMPLING OF MILK FOR BABCOCK-TEST

66.(1) After milk delivered by a producer to a plant is graded, the milk grader shall

(a) weigh the milk and record the weight to the nearest pound, and

(b) take a sample of at least 10 millilitres of the milk from

(i) each container after the milk is thoroughly mixed in the container, or

(ii) each quantity of milk weighed in one weighing thereof after it is thoroughly mixed in the weighing-tank.

(2) The milk grader shall make a composite sample of milk received from one producer by putting each sample of milk received from the producer in a period of not more than 16 days into one container.

(3) Where a sample of milk is added to a composite sample the milk grader shall mix the sample with the composite sample.

(4) The milk grader shall add to each composite sample of milk such amounts of mercuric chloride, or other preservative equivalent for the purpose, as may be necessary to preserve the composite sample.

(5) A milk grader shall maintain each composite sample of the milk he is grading at a temperature of not lower than 40 degrees or higher than 60 degrees Fahrenheit until the composite sample is tested for milk-fat content.

(6) No person shall put into a sample of milk

(a) subject to subregulation 4, any foreign substance, or

(b) any milk other than other samples of milk from the same producer in accordance with this regulation.

67.(1) A milk tester shall, at the plant where the milk was accepted, test each composite sample of the milk for milk-fat content within 5 days after the last sample was added to the composite sample.

(2) The milk tester shall make each test for milk-fat content of milk by the Babcock-test.

(3) The milk tester shall maintain every composite sample of milk which he tests for milk-fat content at a temperature not lower than 40 degrees or higher than 60 degrees Fahrenheit for a period of at least 12 days after the test.

68. The milk-fat content of a composite sample is deemed to be the milk-fat content of the milk from which the samples were taken.

GRADES FOR CREAM

69. The grades for cream are

- (a) Special Grade, consisting of cream that
 - (i) is clean,
 - (ii) is without taint in flavour,
 - (iii) contains no foreign substance,
 - (iv) is not curdy or lumpy,
 - (v) is capable of being stirred to a uniform consistency,
 - (vi) at the time of grading has a content of lactic acid not exceeding 0.25 per cent of the cream,
 - (vii) has a milk-fat content of at least 30 per cent of the cream;
 - (b) First Grade, consisting of cream that is not Special Grade, and that
 - (i) is not curdy or lumpy,
 - (ii) is capable of being stirred to a uniform consistency,
 - (iii) contains no foreign substance,
 - (iv) at the time of grading has a content of lactic acid not exceeding 0.60 per cent of the cream,
 - (v) has no flavour rendering it unfit for the making of First Grade butter; and
 - (c) Second Grade, consisting of cream that is not Special Grade or First Grade, and that
 - (i) has no odour or flavour of gasoline, oil, leaks, or any other odour or flavour that renders the cream unfit for making at least Second Grade butter,
 - (ii) contains no insanitary or foreign substance, or
 - (iii) at the time of grading has a content of lactic acid not exceeding 0.80 per cent of the cream.
70. Cream rejected at a plant shall be known as "rejected cream".
71. The operator of a plant shall reject cream delivered to a plant
- (a) that is not Special Grade, First Grade or Second Grade,
 - (b) by a producer whose milk or cream has been rejected at a plant within a period of 15 days preceding the delivery, unless the cream is at least First Grade Cream, or
 - (c) in a container which is not

- (i) metal,
- (ii) in good condition,
- (iii) free from leaks, rust, open seams and other defects, or
- (iv) covered by a secure lid.

72. A cream grader who rejects cream at a plant shall

- (a) attach to the container in which the cream was delivered a rejection tag bearing the words "rejected cream",
- (b) state on the rejection tag the cause for the rejection,
- (c) add to the cream a harmless food colouring, and
- (d) return the cream in the container in which it was delivered to the producer as soon as practicable.

73. A producer whose milk or cream is rejected at a plant and who within 15 days of the rejection delivers cream to any plant shall notify the operator of the rejection and the cause for the rejection given on the rejection tag.

74. No person shall buy, sell, offer for sale, or ship or transport rejected cream as food, or in the preparation of food, for human consumption.

GRADING

75. No person shall remove cream delivered to a plant from its container, other than a cream grader for the purpose of grading, until the cream has been graded.

76. A cream grader shall

- (a) thoroughly mix, grade and weigh to the nearest pound, cream delivered to a plant, and
- (b) take a sample of at least three times the amount of cream the cream tester requires to perform a test for milk-fat content.

77.(1) A cream tester shall, at the plant where the cream is accepted,

- (a) test each sample of cream for milk-fat content within 42 hours after the delivery of the cream to the plant, and
- (b) maintain each sample of cream at a temperature not lower than 40 degrees or higher than 60 degrees Fahrenheit until 2 p.m. on the day next following the date on which the test is made, but where the date on which the test is made is a Saturday he shall maintain the sample until 2 p.m. on the Monday next following.

(2) An inspector may require a cream tester to maintain samples of cream for such period of time longer than the time prescribed in subregulation 1 as he considers necessary for the purpose of a further test.

(3) The cream tester shall make each test for milk-fat content of cream by the Babcock-test.

EQUIPMENT FOR SAMPLING AND TESTING CREAM

78. The operator of a plant shall provide,

(a) in addition to the equipment named in clauses a to g, both inclusive, of regulation 65, the following equipment for making Babcock-tests of cream:

(i) cream-weighing scales and 9-gram and 18-gram weights, and

(ii) a quantity of glymol or mineral oil having a specific gravity of 0.85 at a temperature of 68 degrees Fahrenheit,

(b) containers of at least 2-ounce capacity with close-fitting tops or stoppers to hold samples of cream of all producers delivering cream to the plant,

(c) equipment for obtaining a sample of cream from each container of the cream received from a producer, and

(d) a tank of sufficient size to be a tempering bath for samples of cream in preparation for a test for milk-fat content of the cream.

PROHIBITION

79. No person shall mix Second Grade cream received at a plant for manufacture into butter with Special Grade or First Grade cream.

80. No person shall put any foreign substance into a sample of cream, and no person other than the cream grader or cream tester shall add cream to a sample of cream.

PAYMENT FOR CREAM

81. The differential in payment for cream for manufacture into a milk product shall be

(a) at least 1 cent more for Special Grade than for First Grade, and

(b) at least 5 cents more for First Grade than for Second Grade cream

for each pound of milk-fat content.

82. Where a producer delivers cream to a plant and the operator of the plant declines to accept delivery, the operator shall record the date of the refusal and where graded, the grade given to the cream.

LABELLING SAMPLES

83.(1) A container in which a sample of milk or cream is placed shall be plainly labelled or marked with the name of, or a number to identify, the producer who delivered the milk or cream to the plant.

(2) No person shall put a sample of milk or cream

(a) in a container that is not labelled, or

(b) in a container other than one bearing the label for the producer who delivered the milk or cream to the plant.

RE-TESTING

84.(1) An inspector may test, or require a milk tester or cream tester at a plant to test in his presence any sample of milk or cream that has been tested for milk-fat content.

(2) Where an inspector finds that a test for milk-fat content made by a milk tester or cream tester is in error he shall report the particulars of the error in writing to the operator of the plant.

(3) Payment for milk or cream shall be made on the basis of the results of the re-test reported by the inspector.

85. Upon the request of a producer or his representative the operator of a plant shall

(a) furnish to the producer a statement of the milk-fat content of the producer's milk or cream delivered to the plant before the samples are destroyed, and

(b) re-test the milk or cream in the presence of the producer or person representing him,

CONTAINERS

86.(1) No person shall transport milk or cream for manufacture into a milk product except in a container

(a) that is marked, branded, or labelled to identify

(i) the owner of the container, and

(ii) the owner of the contents, and

(b) in the case of cream, that shows the net weight to the nearest half-pound of the container without its lid,

(c) that is free from rust, open seams and other mechanical defects, and

(d) that is used for no other purpose.

(2) No person shall remove or conceal any mark, brand or label on a container, other than the owner thereof.

(3) No person shall use a container for transporting milk or cream for manufacture into a milk product except

(a) the owner of the container, and

(b) a producer to whom the container was supplied for transporting milk or cream to the plant of the owner of the container.

(4) Where the owner of a plant supplies a container to a producer for the purpose of transporting milk or cream to the plant, the producer shall

(a) not transport milk or cream in the container to any place except the plant, and

(b) when the container is no longer required to transport milk or cream, return promptly the container in good condition to the plant.

(5) Where milk or cream is transported in containers owned by the producer to a plant, the operator of the plant shall return promptly the containers in good condition to the producer.

TRANSPORTATION OF MILK AND MILK PRODUCTS FOR MANUFACTURE INTO MILK PRODUCTS

87.(1) No person shall transport milk or cream to a plant in a vehicle

(a) which is in an insanitary condition, or

(b) which has been used for a purpose that may cause contamination of milk or cream, or containers thereof, subsequently transported in the vehicle.

(2) No vehicle that has not been used to transport milk of producers to a plant when these regulations come into force, and no other vehicle after the 1st of January, 1960, shall be used to transport milk from producers to a plant except a vehicle with a covered van body having rigid walls, and insulated roof and a solid floor, so that wind, dust and moisture cannot seriously affect the milk or containers thereof or permit extreme heat or freezing conditions within the shipping

space of the vehicle, but this subregulation does not apply to a vehicle owned by a producer and used to transport his own milk to a plant when the milk and containers thereof are protected from extreme heat and freezing conditions, dust and contamination.

(3) No person shall deck containers of milk or cream in a vehicle used to transport it to a plant without decking boards which are supported from the body of the vehicle and so located that clearance is provided for the containers in each deck.

(4) Where a vehicle is used to transport milk to a cheese factory the driver of the vehicle shall deliver the milk to the plant not later than 10 a.m. on the day of delivery from the 1st of May to the 31st of October.

(5) The driver of a vehicle used to transport milk or cream to a plant shall deliver the milk or cream as promptly as possible.

(6) The operator of a plant shall accept or refuse to accept milk or cream delivered to the plant within 2 hours of its arrival at the plant.

RECORDS KEPT AT PLANTS

88.(1) The operator of every plant shall keep a record of

- (a) all milk and cream received at the plant showing the date received and the name of the producer and his number, if any, used for identification of the producer,
- (b) the rejection of any milk or cream and the cause for the rejection,
- (c) the weights and grades of all milk and cream accepted at the plant for processing into milk products, and
- (d) the results of all tests made at the plant under these regulations.

(2) The operator of a plant shall compile a summary of the results of all

- (a) sediment tests,
- (b) Methylene Blue reduction tests, and
- (c) Resazurin reduction tests,

of all milk received from producers and showing the number of producers supplying milk in each class of test.

(3) When a milk grader, milk tester, cream grader or cream tester, as the case may be, weighs, grades or tests milk or cream he shall immediately make an accurate record of the weight, grade or test, as the case may be.

(4) The operator of a plant shall keep a record of the full name and address of each producer who ships milk or cream to the plant.

(5) The operator of a plant shall keep all records of weights, grades and tests of milk and cream made at his plant for at least 1 year.

STATEMENTS TO PRODUCERS

89.(1) Where milk of a producer is delivered to a plant and accepted by the plant the operator thereof shall furnish to the producer a statement for each payment period showing

- (a) the name and address of the plant, and
- (b) the name of and the plant number, if any, to identify the producer, and

- (c) the weight of the milk of each delivery, and
- (d) the total weight of milk delivered in each period covered by a Babcock-test, and
- (e) the milk-fat content of the milk in each period covered by a Babcock-test, and
- (f) the price paid for each one hundred pounds of milk having a milk-fat content of 3.5 per cent, and the amount of the differential in price for each variation of one-tenth of 1 per cent in the milk-fat content of the milk from the milk-fat content mentioned in clause e, or
- (g) the total number of pounds of milk-fat in the milk delivered by the producer and the price paid for each pound of milk-fat, in the payment period, and
- (h) the total price of the milk, and
- (i) amounts deducted from the price of the milk for haulage charges, licence fees or other purpose, and the purpose for which each amount is deducted, and
- (j) the net price payable to the producer, and
- (k) the grades of the milk.

(2) In the statement under subregulation 1 the grades of the milk shall be shown by means of the following notations:

- (a) where the sediment test classification was grade A, B or C, by the capital letter A, B, or C, as the case may be, and
- (b) where the bacterial activity as determined by the Methylene Blue reduction test or the Resazurin reduction test was grade 1, 2, 3 or 4, by the figures 1, 2, 3 or 4, as the case may be.

90.(1) Where cream of a producer is delivered to a plant and accepted by the plant the operator shall furnish to the producer a statement for each payment period showing

- (a) the name and address of the plant,
- (b) the name of the producer,
- (c) the weight, grade and milk-fat content of the cream in each container of each delivery,
- (d) the date of each delivery,
- (e) the total number of pounds of milk-fat in each grade of the cream delivered by the producer,
- (f) the price paid for the cream of each grade,
- (g) the total price for the cream,
- (h) amounts deducted from the price of the cream for haulage charges, licence fees or other purpose, and the purpose for which each amount is deducted,
- (i) the net amount payable to the producer, and
- (j) in the case of Second Grade cream, the reason or reasons for the grade.

(2) In a statement under subregulation 1 the grades of the cream shall be shown by means of the following notations:

- (a) where the cream is Special Grade, by the letters SP,
- (b) where the cream is First Grade, by the figure 1, and
- (c) where the cream is Second Grade, by the figure 2.

91.(1) No person shall falsify any records or statements, or make any incorrect determination that may affect the price paid for milk or cream at a plant.

(2) Where any record or statement in respect of the price paid for milk or cream at a plant is changed, the person responsible for the change shall write in ink, or indelible lead, his initials at the place in the record or statement where the change was made.

PASTEURIZATION OF CREAM

92.(1) No person shall use cream in the manufacture of butter at a plant except cream pasteurized by heating the cream

- (a) to a temperature of at least 170 degrees Fahrenheit and maintaining that temperature for at least 10 minutes, or
- (b) in a continuous pasteurizer to a temperature of at least 185 degrees Fahrenheit,

and cooling the cream immediately thereafter to a temperature not higher than that suitable for churning of the cream.

(2) When an inspector tests butter to determine whether the cream used in its manufacture was pasteurized he shall make a storch test.

(3) Where a storch test is made of a sample of butter and the butter serum retains its colour for at least 30 seconds, the cream used in the manufacture of the butter is deemed to have been pasteurized.

PASTEURIZATION OF MILK AT A CHEESE FACTORY

93.(1) Where milk delivered to a cheese factory for the purpose of making cheese is pasteurized it shall be pasteurized by heating the milk

- (a) to a temperature of 143 degrees Fahrenheit and maintaining that temperature for 30 minutes, or
- (b) to a temperature of 161 degrees Fahrenheit and maintaining that temperature for 16 seconds,

and cooling the milk immediately thereafter to a temperature of not higher than 86 degrees Fahrenheit.

PASTEURIZATION OF SKIM-MILK AND WHEY

94.(1) No operator shall deliver skim-milk or whey to a producer of milk or cream except pasteurized skim-milk or whey.

(2) Skim-milk and whey shall be pasteurized by heating the skim-milk or whey to a temperature of 155 degrees Fahrenheit and maintaining that temperature for a period of 30 minutes.

PASTEURIZATION OF ICE CREAM MIX

95.(1) No person shall sell or offer for sale ice cream mix, or use ice cream mix in the processing of ice cream, except pasteurized ice cream mix.

(2) Ice cream mix shall be pasteurized by heating the ice cream mix

- (a) to a temperature of 155 degrees Fahrenheit and maintaining that temperature for 30 minutes, or
- (b) to a temperature of 175 degrees Fahrenheit and maintaining that temperature for 16 seconds,

and cooling the ice cream mix immediately thereafter to a temperature not higher than 50 degrees Fahrenheit.

MILK IN STORAGE

96.(1) Where milk is accepted at a plant and is not used immediately in the processing of a milk product, the milk shall be cooled to a temperature not higher than 50 degrees Fahrenheit and maintained in storage at that temperature until it is used in the manufacture of a milk product.

(2) Milk in storage under subregulation 1 shall not be used in the processing of a milk product where the milk on removal from storage does not comply with the standards required for milk to be accepted at the plant when delivered to it.

CREAM IN STORAGE

97.(1) Where cream of Special Grade or First Grade is accepted at a plant for the making of butter and is not used immediately, the cream shall be cooled to a temperature not higher than 50 degrees Fahrenheit and maintained in proper storage at that temperature until it is so used.

(2) Where cream has been in storage under subregulation 1 and is removed from storage, and fails to comply with the standards of at least First Grade cream, it shall not be churned for the making of butter with Special Grade or First Grade cream.

PROHIBITION

98. No stale or rancid cream, or melted ice cream shall be used in the preparation of ice cream mix or the processing of ice cream.

REPORTS TO THE BOARD

99.(1) The operator of each plant shall make a report to the Board of the operation of the plant during each month of the year, before the 15th of the following month.

Authorizing Sale of Debentures.

New.

Made—15th November, 1956.

Filed—16th November, 1956.

TO THE HONOURABLE
LOUIS ORVILLE BREITHAUP, LL.D.
Lieutenant-Governor of the Province of Ontario.

Report of a Committee of the Executive Council on Matters referred to their consideration.

Approved and Ordered
15th day of November, 1956.

L. O. Breithaupt

ON MATTERS OF STATE

May it please your Honour

The Committee of Council have had under consideration the report of the Honourable the Minister of Agriculture, dated the 15th day of November, 1956 wherein he states that:

WHEREAS The Ontario Junior Farmer Establishment Loan Corporation by Resolution passed the 15th day of November, 1956, has authorized, subject to the approval of your Honour in Council, the sale of Debentures of the Corporation in the principal amount of \$11,000,000.00 bearing interest at the rate of 4½% per annum payable on the 1st day of October, 1976, subject to prior redemption, at the price of \$94.70 and accrued interest per \$100.00 in principal amount of the Debentures;

The Honourable the Minister of Agriculture therefore recommends that:

1. Pursuant to the provisions of The Junior Farmer Establishment Act, 1952, being Statutes of Ontario, 1952, Chapter 45 and amendments thereof, the sale of the said Debentures of The Ontario Junior Farmer Establishment Loan Corporation in the principal amount of \$11,000,000.00 at the price of \$94.70 and accrued interest per \$100.00 in principal amount of the Debentures be approved.

2. The foregoing be made as a Regulation of your Honour in Council under the authority of the said Act.

The Committee of Council concur in the recommendation of the Honourable the Minister of Agriculture and advise that the same be acted on.

Respectfully submitted,

DANA PORTER,
Chairman.

THE JUNIOR FARMER ESTABLISHMENT ACT, 1952**O. Reg. 230/56.**

Temporary Loans and Guarantee.

New.

Approved—15th November, 1956.

Filed—16th November, 1956.

Copy of an Order-in-Council approved by His Honour the Lieutenant-Governor, dated the 15th day of November, A.D. 1956.

The Committee of Council have had under consideration the report of the Honourable the Minister of Agriculture dated November 14th 1956, wherein he states that,—

WHEREAS The Ontario Junior Farmer Establishment Loan Corporation (hereinafter called the "Corporation") by virtue of Order-in-Council numbered OC-1037/56 dated the 3rd day of May, 1956 was authorized to borrow by way of temporary loans from the Bank of Montreal during the twelve months beginning the 1st day of May, 1956, such sum or sums of money as it may require at a rate of interest not exceeding three and one-half per centum (3½%) per annum to the extent that the total indebtedness of the said Corporation to the said Bank shall not exceed in the aggregate the sum of Fourteen Million Dollars (\$14,000,000);

AND WHEREAS under the authority of said Order-in-Council the Treasurer of Ontario has guaranteed to the Bank of Montreal due payment of all moneys heretofore lent by the said Bank to the Corporation and that may be lent by the said Bank to the Corporation during the period of twelve months beginning on the 1st day of May, 1956, up to, but not exceeding the principal sum of Fourteen Million Dollars (\$14,000,000) at any one time, together with interest thereon or on so much thereof as shall from time to time remain unpaid at a rate not exceeding three and one-half per centum (3½%) per annum, provided, however, that the Guarantor may at any time terminate such guarantee upon notice directed to the office of the said Bank in Toronto, by telephone, telegraph, or registered post, except as to moneys lent thereunder prior to the giving of such notice;

AND WHEREAS under the authority aforesaid the Corporation has heretofore raised money by way of temporary loans from the said Bank amounting as of the 19th day of September, 1956 to the sum of Ten Million, Four Hundred and Thirteen Thousand, Eight Hundred and Fourteen Dollars and Sixty Cents (\$10,413,814.60);

AND WHEREAS the Corporation proposes to issue Debentures for the purpose of repaying in full the temporary loans of the Corporation from the said Bank and for the purpose of carrying out the object of the Corporation;

AND WHEREAS the Corporation by Resolution passed the 5th day of October, 1956 has provided that no further money shall be raised by way of temporary loan from the said Bank under the authority of any Resolution of the Corporation theretofore passed or under the authority of the above mentioned Order-in-Council numbered OC-1037/56 dated the 3rd day of May, 1956.

The Honourable the Minister of Agriculture therefore recommends:

1. THAT no further money be raised by the Corporation by way of temporary loan from the Bank of Montreal under the authority of any Resolution

of the Corporation heretofore passed or under the authority of said Order-in-Council numbered OC-1037/56 dated the 3rd day of May, 1956, and the authority for the raising of any further money thereunder be rescinded.

2. THAT, except as to moneys heretofore lent by the said Bank to the said Corporation by way of temporary loans under the authority aforesaid, the guarantee by the Province of Ontario of any further temporary loans authorized by said Order-in-Council numbered OC-1037/56 dated the 3rd day of May, 1956 be terminated, and that notice of such termination be given by the Treasurer of Ontario by registered post to the office of the Bank of Montreal in the City of Toronto.

The Committee of Council concur in the recommendation of the Honourable the Minister of Agriculture and advise that the same be acted on.

Certified,

H. A. STEWART,
Clerk, Executive Council.

THE MILK INDUSTRY ACT, 1954

O. Reg. 233/56.

Production, storage and transportation of milk—General Regulations.

New.

Made—13th November, 1956.

Approved—22nd November, 1956.

Filed—23rd November, 1956.

REGULATIONS MADE BY THE MILK INDUSTRY COMMISSION OF ONTARIO UNDER THE MILK INDUSTRY ACT, 1954

INTERPRETATION

1. In these regulations

- (a) "distributor" has the same meaning as in Part II of *The Milk Industry Act, 1954*;

- (b) "farm bulk tank" means a stationary storage tank used only for the holding and cooling of milk on the premises of a producer and includes fixtures thereto and equipment required for use of the tank;

- (c) "milking-equipment" includes those parts of a milking machine and its pipe-lines, connections and appurtenances with which milk comes into contact when the milking machine is used;

- (d) "plant" has the same meaning as in Part III of *The Milk Industry Act, 1954*;

- (e) "tank-truck" means a motor vehicle having a tank used only for the purpose of hauling milk from farm bulk tanks to distributors or plants, or from one distributor or plant to another distributor or plant;

- (f) "tank-truck operator" means the operator of a tank-truck; and

- (g) "utensils" means containers and equipment used in the producing, handling and storing of milk, other than farm bulk tanks and milking-equipment, with which milk comes into contact, or is likely to come into contact, on the premises of a producer.

2. No producer shall sell or offer for sale milk for purposes of human consumption or processing that is not produced in accordance with these regulations.

HEALTH OF COWS

3. (1) Every cow from which milk is obtained by a producer for sale for purposes of human consumption or processing shall be

- (a) in good physical condition, and

- (b) free from any condition or disease that adversely affects the quality or wholesomeness of the milk.

(2) No cow which is

- (a) suffering from a condition, or

- (b) infected with a disease,

that adversely affects the quality or wholesomeness of the milk shall be stabled so as to come into contact with cows from which milk is obtained for sale for purposes of human consumption or processing.

QUALITY OF MILK

4. (1) No producer shall sell or offer for sale milk for human consumption or processing that is obtained from a cow

- (a) in the period of 15 days before, or in the period of 5 days after, parturition, or
- (b) where medicine or an antibiotic has been injected into the udder, in the period of 3 full days from the time of the last injection.

(2) Where the milk obtained from a cow

- (a) is not sweet, or
- (b) has an objectionable flavour or odour, or
- (c) shows evidence of being watery, flaky, stringy, bloody, thick or adulterated or insanitary, or
- (d) shows evidence of coagulation of casein, or
- (e) contains melted fat, or
- (f) contains any foreign substance, including insects and vermin,

the producer shall not sell or offer for sale any of that milk for purposes of human consumption or processing.

5. (1) A producer shall not sell or offer for sale milk to a distributor or a plant which he has reason to believe the operator of a plant cannot accept under Ontario Regulations 214/56.

(2) A producer shall not sell or offer for sale to a distributor milk which he has reason to believe contains more than 200,000 bacteria in a millilitre of the milk.

(3) Where a producer has reason to believe that milk he produces fails to comply with the standards of at least grade 2 as determined by a Resazurin reduction test and so failed when tested in at least one test in 3 tests immediately before, he shall not sell or offer for sale any milk he produces to a distributor until the milk he produces complies with the standards for at least grade 1 as determined by a Resazurin reduction test.

(4) In this regulation "Resazurin reduction test" means the test mentioned in regulation 59 of Ontario Regulations 214/56.

6. (1) No person shall give to any milking cow any food other than clean, wholesome food.

(2) Where any food given to a cow at a time or in a manner that causes her milk

- (a) to give off an objectionable odour, or
- (b) to have a taste or appearance other than those of normal milk,

no person shall give that food at such time or in such manner to a cow from which milk is obtained by a producer for the purpose of human consumption or processing.

7. No person shall adulterate milk for sale for the purposes of human consumption or processing.

SANITARY CONDITIONS

8. (1) Cows shall be clean.

(2) When cows are in stables, the hair on

- (a) udders,
- (b) flanks, and
- (c) tails above the switch,

of the cows shall be kept short.

(3) No switch of a cow's tail shall be longer than will clear the floor by at least 4 inches when the cow is standing.

(4) Immediately before the time of each milking of a cow, the flanks and udder shall be wiped with a clean cloth moistened with a disinfecting solution.

9. (1) Every producer shall keep all buildings or premises where cows are stabled or milked

- (a) clean and in a sanitary condition,
- (b) free from flies and other insects,
- (c) free from dust, and
- (d) lighted and ventilated.

(2) Except in the case of glazed walls, all walls, ceilings, partitions and other parts of the stable shall be painted or whitewashed at least once each year.

10. No producer shall permit animals other than of the bovine genus in any part of a stable used for the stabling or milking of cows.

11. (1) Every producer shall keep all parts of the premises, except loafing-type stables, clean and free from accumulations of manure and refuse.

(2) Every producer keeping cows in loafing-type stables shall provide a plentiful supply of bedding in the stables, and keep the stables free from an accumulation of refuse.

12. (1) Every producer of milk for purposes of human consumption shall provide a milk house in a location which ensures good drainage and freedom from contamination.

(2) Every milk house shall be

- (a) kept clean at all times,
- (b) used only for
 - (i) cooling and storing of milk or cream,
 - (ii) storing of milking equipment and utensils, and
 - (iii) washing and disinfecting of milking equipment and utensils,
- (c) equipped with a screen to cover each opening, and
- (d) equipped with self-closing doors.

(3) No animals shall be permitted to enter a milk house.

13. (1) No person shall use milking-equipment or utensils that were not

- (a) immediately after each use
 - (i) rinsed with cold or lukewarm water, and
 - (ii) thoroughly cleaned to remove all dirt and milk deposits, and
- (b) immediately before each use

- (i) immersed in water having a temperature of at least 170 degrees Fahrenheit for at least 2 minutes, or

- (ii) rinsed with a disinfectant.

(2) Every producer shall provide and maintain in good condition and state of repair adequate milking-equipment and utensils for the producing, handling and storing of milk.

(3) A producer shall not use utensils which are not in good condition and state of repair.

(4) Every producer shall provide equipment and materials necessary to clean, rinse and disinfect milking-equipment and utensils.

(5) A producer shall not use milking-equipment or utensils for the production, handling, storage or transportation of milk that are made of materials which

- (a) adversely affect the flavour of milk which comes into contact with them, or
- (b) have rough surfaces, or surfaces not easily cleaned, or
- (c) have joints not flush with the surfaces, or
- (d) have open seams, cracks or exposed threads.

(6) No persons shall milk a cow unless he

- (a) has washed his hands clean immediately before the milking, and
- (b) keeps his hands clean and dry during the milking.

(7) No person shall milk a cow or handle utensils or milking-equipment that come into contact with milk except a person

- (a) in good health,
- (b) free from a communicable disease as defined in *The Public Health Act* and the regulations thereunder,
- (c) cleanly dressed, and
- (d) personally clean at each time of milking and of handling milk and utensils.

14. (1) All utensils shall at times they are not in use, be stored on clean racks in the milk house.

(2) Where a milking machine is used, all parts of the milking machine not permanently installed shall, at times they are not in use, be stored on clean racks in the milk house.

15. (1) Every producer shall provide in the milk house, facilities capable of cooling milk to a temperature below 40 degrees Fahrenheit.

(2) Every producer shall cool milk produced for purposes of human consumption or processing to a temperature below 50 degrees Fahrenheit as soon as possible after milking but within 2 hours of the time of milking.

(3) All milk cooled under subregulation 2 shall be kept at a temperature not lower than 33 degrees, or higher than 55 degrees, Fahrenheit until the milk is received at a plant or by a distributor.

16. (1) No person shall use a bulk farm tank for holding or cooling milk for sale for purposes of human consumption or processing except a bulk farm tank that complies with regulations 17 to 36, both inclusive.

(2) Regulations 21 to 36, both inclusive, apply to farm bulk tanks installed after these regulations come into force.

(3) Subregulation 2 expires with the 31st of December, 1966.

17. (1) Where a farm bulk tank is installed by a producer on his premises the farm bulk tank shall be located in a milk house.

(2) Every milk house in which a farm bulk tank is located shall

- (a) have a floor area of at least 168 square feet,
- (b) have at least 24 inches clear space between the tank and any wall of the milk house,
- (b) have at least 24 inches clear space between the tank and any wall of the milk house,
- (c) have clear space sufficient for washing, cleaning, rinsing and storing of utensils and milking-equipment,
- (d) have a floor with a smooth surface impermeable to liquids, having a slope of at least $\frac{1}{8}$ inch to 1 foot to a drain,
- (e) have a floor capable of supporting without sagging or heaving the farm bulk tank and milking-equipment and utensils,
- (f) have the drain located in the floor of the milk house, having a diameter of at least 4 inches, capable of draining from the floor any liquids to a location outside the milk house in such manner that the outlet for the drain can be maintained in a sanitary condition,
- (g) have walls with smooth surfaces impermeable to liquids extending for at least 3 feet from the floor,
- (h) be properly ventilated,
- (i) be lighted for the efficient carrying out of all operations therein,
- (j) be provided with one opening, equipped with a self-closing device, used only for the passing of hose in the transfer of milk from the tank to the tank-truck,
- (k) be provided with at least one door and each door equipped with a self-closing device,
- (l) be provided with screens for all windows and other openings sufficient to prevent entry of insects,
- (m) be provided with a 2-compartment sink,
- (n) be provided with a pressure system for supply of cold, potable water, and
- (o) where a supply of hot water is not available to the milk house, be provided with a means of heating water.

(3) No farm bulk tank shall be located in a milk house less than 6 inches above the floor of the milk house, but in the case of a tank with a rounded bottom the lowest part of the tank may be not less than 4 inches above the floor.

18. (1) Each farm bulk tank installed in a milk house shall be equipped with

- (a) a refrigeration unit capable of

- (i) cooling milk that reaches the tank to a temperature of 50 degrees or lower within 1 hour, and 40 degrees or lower within 2 hours,
 - (ii) except in a period of 2 hours after milking, maintaining a temperature of milk in the tank not lower than 33 degrees, and not higher than 40 degrees, Fahrenheit while milk remains in the tank, and
 - (iii) regulating the temperature by an automatic control mechanism, to within 2 degrees Fahrenheit of a designated temperature,
 - (b) an agitator capable of stirring milk in the tank, without splashing or churning, so that the milk is thoroughly mixed in 3 minutes' operation of the agitator,
 - (c) a measuring device by which the weights of milk in the tank may be accurately determined, and
 - (d) an indicating thermometer with scale divisions of at least $\frac{1}{16}$ inch for each change of 2 degrees Fahrenheit within a range of temperature from 32 degrees to 120 degrees that measures accurately to within 2 degrees Fahrenheit the temperature of the milk in the tank, and located so as to register temperatures of the milk when the tank contains 20 per cent of its capacity.
- (2) The compressor parts of a refrigeration unit shall be enclosed by screening.
- 19.** Each farm bulk tank shall be
- (a) installed and maintained in a level position,
 - (b) equipped with a means of
 - (i) adjusting the tank to a level position, and
 - (ii) determining whether the tank is in a level position, and
 - (c) anchored to the floor firmly enough to prevent such movement of the tank as is likely to affect the accuracy of the measuring device by which the quantity of milk in the tank is determined.

20. (1) Where a gauge rod is used as the measuring device to determine the weight of milk in a farm bulk tank, the gauge rod shall be plainly marked in inches and fractions thereof to at least $\frac{1}{16}$ of each inch, beginning at the bottom of the rod.

(2) Where a farm bulk tank is designed for use of a gauge rod, the tank shall be provided with a fixed point for the suspension of the gauge rod.

(3) Each gauge rod shall be supported in the vertical position at which the tank has been calibrated.

(4) No person shall use a measuring device in determining the weight of milk in a farm bulk tank except a measuring device that determines for milk of the weight in Column 1, a weight within a tolerance of weight set opposite thereto in column 2 of the Table as follows:

TABLE

Column 1	Column 2
under 1500 pounds	3 pounds
1500 pounds to 3000 pounds	4 pounds
3000 pounds to 4500 pounds	5 pounds
4500 pounds to 6000 pounds	6 pounds
6000 pounds to 7500 pounds	7 pounds
7500 pounds to 9000 pounds	8 pounds

(5) A producer shall maintain in good condition near the farm bulk tank in the milk house a chart showing the number of pounds of milk for each reading of the measuring device used to determine the weights of milk in the tank and showing the number of pounds for each graduation of the measuring device.

(6) No person shall use a measuring device or a chart other than those having the same manufacturer's serial number as that of the farm bulk tank.

SANITARY STANDARDS FOR CONSTRUCTION
AND INSTALLATION OF FARM BULK TANKS

21. (1) The inside lining, covers, bridges, doors, underside of insulated covers or bridges, agitators, tubing for compressed air agitation, inlet and outlet connections, measuring device and any other parts of a farm bulk tank coming into contact with milk or milk products shall be of 18-8 stainless steel with a carbon content of not more than .12 per cent and the surfaces of all such parts shall be at least as smooth as No. 4 mill finish, or 120 grit finish properly applied.

(2) In subsection 1, "inside lining" means all surfaces with which milk comes into contact or which extend above the breast of the tank as a cooling surface and includes those surfaces which enclose the ends, sides and top of the tank instead of bridges or fixed covers.

(3) Where welds are made to the inside lining, the metal used in the weld shall be as corrosion-resistant as stainless steel.

22. (1) A tank not provided with an integral cooling surface shall be so insulated as to prevent in 18 hours, a temperature rise greater than 3 degrees Fahrenheit in a tank full of water when the differential between the water and that of the atmosphere is 50 degrees Fahrenheit.

(2) A tank provided with an integral cooling surface for direct expansion or refrigerated water shall be provided with an outer shell and an automatic temperature control system which will prevent a rise of more than 5 degrees Fahrenheit of the cooled milk, except when additional milk is added.

23. The portion of the outer shell which covers the outside of the insulation or heat-exchange jacket shall be of a continuous metal covering which is smooth, sanitary and effectively sealed.

24. Surfaces of every farm bulk tank that come into contact with milk, including surfaces of covers, doors, fittings and accessories thereof, shall be clearly visible, easily accessible and readily cleanable.

25. (1) Where welds are made to the inside lining or the breast of a tank, the welds shall be ground smooth and polished so that the finish is flush with the adjoining surface.

(2) Inside corners of the bottom, sides and ends of the inside lining of a tank and any attachments within the tank shall be rounded with radii of not less than $\frac{1}{2}$ inch.

(3) The inside lining shall remain in a fixed position in relation to the outer shell or body of the tank, and shall be of such construction that it does not develop any sag, buckle or distortion under load or from any other condition of normal use as is likely to affect the accuracy of the measuring device by which the quantity of milk in the tank is determined.

(4) The inside lining shall be pitched to the outlet to effect complete drainage.

(5) All exterior seams of the outer shell shall be sealed against moisture and vermin.

(6) Unless of corrosion-resistant material, the entire outside surface shall be painted and shall be smooth.

(7) The breast, or that portion of the metal used to join the inside lining to the outer vertical wall, shall be integral with or welded to the inside lining, and shall be sloped or so arranged that all drainage will be toward the outer edge of the tank.

26. (1) Main covers and doors of a tank shall be of types which can be opened without removing, and shall be self-draining.

(2) Covers or doors shall have at least $\frac{3}{8}$ inch raised flange on all edges, and shall fit as tightly to the tank as practicable.

(3) When covers or doors are open any liquid from the inner or outer surfaces of main covers and doors shall not drain into the milk compartment.

27. (1) Fixed covers located at ends or sides of the tank shall not extend more than 12 inches over the surface of the milk and shall have at least $\frac{3}{8}$ inch raised flange.

(2) Fixed covers shall be so installed that the undersides thereof are visible from outside the tank.

(3) Bridges of a tank shall

(a) not exceed 24 inches in width,

(b) be pitched to the outside edge of the tank for complete drainage, and

(c) have at least $\frac{3}{8}$ inch raised flange where the edges meet main covers.

(4) Bridges shall be so installed that the undersides thereof are visible from outside the tank.

28. (1) The edges of all openings in the covers or bridges of a tank shall be flanged upwards at least $\frac{3}{8}$ inch.

(2) Openings not continuously in use shall be provided with removable covers.

(3) Main covers, when fitted for the use of strainers, shall have openings with a rim capable of supporting the strainer.

(4) Main covers for a tank with a capacity of not more than 150 gallons shall be provided with at least one strainer opening.

(5) Covers for a tank with a capacity of more than 150 gallons shall be provided with at least two strainer openings.

(6) A removeable cover shall be provided for each strainer opening, which shall be self-draining to the outside edge of the cover, and shall have a downward flange of not less than $\frac{1}{4}$ inch.

(7) Every cover shall be provided with a handle or knob, which shall be welded in place and weld-ground smooth.

(8) All openings into the tank shall be adequately protected against drip, dust, oil, insects or other things likely to contaminate the milk in the tank.

29. (1) Every tank shall have an outlet connection which is of sanitary construction and readily cleanable.

(2) The inside diameter of the outlet connection shall be at least that of $1\frac{1}{2}$ inch sanitary pipe and shall be one of the following types:

(a) in the case of a horizontal outlet connection, that portion of the metal used to convey milk from the inside lining shall be in a generally horizontal position, with the lower surface of the connection at or below the level of the surface of the bottom of the inside lining and pitched for drainage, but in no case shall the lower surface of the connection be below the level of the surface of the outside bottom of the tank, nor shall the fittings extend more than 2 inches beyond the outer shell of the tank;

(b) in the case of an outlet connection at the top of the tank, the sanitary pipe shall have an outside diameter of not less than $1\frac{1}{2}$ inches; and

(c) in the case of a vertical outlet connection, the vertical centre line of the outlet which extends through the bottom of the outer shell, shall be as close as practicable to an adjacent wall, and shall terminate with a 90° L that is integral with the outlet, and the horizontal centre line of the L shall be at least 4 inches above the floor of the milk house.

30. (1) Every valve provided in a tank shall be of sanitary construction and readily cleanable.

(2) Every outlet valve shall be of 18-8 gauge stainless steel or nickel alloy.

31. (1) Every tank shall be supported on adjustable legs of adequate size and spacing to support the weight of the tank when filled to capacity.

(2) The bases of the legs shall be sealed.

(3) The legs shall be capable of raising the tank high enough for attachment of fittings and draining of the tank.

(4) The outside of the leg sockets shall be of corrosion-resistant material or painted and be readily cleanable.

32. The agitator shall be so constructed that visual inspection of it can be made from outside the tank, and shall be readily cleanable.

33. (1) In the case of an agitator that is not removable from the tank the agitator shall be provided with at least 1-inch space between the bottom of the inside lining and the nearest point of the agitator blade, but this provision shall not apply when the agitator is hinged with the main cover.

(2) All interior angles of the agitator blades shall be rounded and have radii of at least $\frac{1}{4}$ inch.

(3) The opening through the bridge or the main cover shall be provided with at least 1-inch space for brush cleaning between the shaft and the inside surface opening.

(4) The inside surface of the opening shall be not more than $\frac{3}{4}$ inch in vertical depth.

34. (1) In the case of an agitator that is removable from the tank, the agitator shaft shall be provided with a coupling which is easily accessible and readily demountable.

(2) A coupling for use inside the tank shall be of sanitary type.

(3) The coupling when located outside the tank shall be installed above the protection provided for the shaft opening into the tank.

(4) All surfaces of the bottom support of an agitator shall be visible when the agitator shaft is removed.

(5) The bottom support shall not interfere with proper drainage of the tank.

(6) The opening through the bridge or the main cover shall be provided with at least 1-inch space for brush cleaning between the shaft and the inside surface of the opening.

35. In the case of a horizontal agitator, the shaft shall be provided with a sanitary type rotary seal and shall be demountable for cleaning.

36. (1) When the agitation of the milk is by compressed air, the air before being used for this purpose, shall be filtered to remove dust, insects, all extraneous material and any source of objectionable odours, and shall be conveyed to the milk by sanitary piping from a point above the surface of the milk in the tank.

(2) The piping used to convey the air shall be designed to prevent siphoning or back flow of milk into the air system.

TANK-TRUCKS

37. (1) No person shall transport milk from a farm bulk tank except in a tank-truck having a tank with an inside lining of stainless steel.

(2) No person shall operate a tank-truck for the transportation of milk from a farm bulk tank except a tank-truck equipped with

(a) an insulated, dust-tight cabinet constructed of stainless steel for the holding of milk hose, a pump and other equipment used in transferring milk from farm bulk tanks to the tank-truck, and

(b) an insulated dust-tight cabinet constructed of stainless steel for the holding of samples of milk and a means by which they are kept cool.

(3) No person shall transfer milk from a farm bulk tank to a tank-truck except by means of hose.

(4) No person shall use hose for the transfer of milk from a farm bulk tank to a tank-truck except hose which has smooth surfaces, is readily cleaned, is not toxic and does not affect the taste of milk that comes in contact with the hose.

38. No person shall be a tank-truck operator who transports milk from a farm bulk tank except the holder of a milk grader's certificate under Ontario Regulations 214/56.

39. (1) A tank-truck operator shall before transferring any milk from a farm bulk tank to his tank-truck, examine the milk in the tank and where he finds that the milk examined would be rejected at a plant under Ontario Regulations 214/56 he shall not transfer any of the milk from the tank to the tank-truck but shall

(a) take a sample of the milk,

(b) make a rejection tag showing the cause of the rejection, and

(c) deliver the rejection tag to the producer or attach it to the tank.

(2) Where a producer receives a rejection tag he may apply to the operator of the plant, or the distributor to which he supplies milk for acceptance of the milk in respect of which the rejection tag was issued.

(3) Where the operator of a tank-truck declines to transfer milk from a farm bulk tank under subregulation 1 the producer shall not sell or offer for sale the milk for human consumption or processing unless it is accepted by a plant or a distributor upon application under subregulation 2.

40. (1) No tank-truck operator shall transfer milk from a farm bulk tank without determining the weight of the milk in the tank.

(2) The operator of a tank-truck immediately after he determines the weight of the milk in the tank shall make a report to the producer showing

(a) the date,

(b) the weight of milk in the tank,

(c) the reading of the gauge rod or other measuring device, and

(d) the temperature of the milk.

(3) Where a measuring device used in determining the weight of the milk in the tank does not show the weight of the milk, the tank-truck operator shall compute the weight.

(4) In computing the weight of milk under subregulation 3, one gallon of milk is deemed to weigh 10.32 pounds.

(5) Immediately after determining the weight of milk in the tank the tank-truck operator shall start the agitator.

(6) After the agitator has been in operation for at least 5 minutes and so much longer as may be necessary for the milk to be thoroughly mixed, the tank-truck operator shall take a sample of at least 1 ounce of the milk.

(7) Each sample of milk taken under subregulation 6 shall be put into a glass bottle used only for holding samples of milk from the tank of one producer and the bottle shall be closed by a rubber stopper that fits over the top of the bottle.

(8) The tank-truck operator shall add to each composite sample of milk such amounts of mercuric chloride, or other preservative equivalent for the purpose, as may be necessary to preserve the composite sample.

(9) A tank-truck operator shall after transferring the milk from a tank to his tank-truck rinse the tank with cold or lukewarm water.

(10) Every producer shall clean his tank after each time it is empty and before it is used again by means of a cleaning compound capable of removing dirt and milk deposits and rinse the tank with a solution containing an effective disinfecting agent.

CONTAINERS

41. Where milk of a producer is transported other than by tank-truck, the containers of the milk shall be

- (a) metal,
- (b) in good condition,
- (c) free from rust, open seams and other defects, and
- (d) covered by a secure lid.

VEHICLES FOR TRANSPORTATION

42. (1) No person shall transport milk in a vehicle

- (a) which is in an insanitary condition, or
- (b) which has been used for a purpose that may cause contamination of milk, or containers thereof, subsequently transported in the vehicle.

(2) No person shall transport milk in a vehicle other than a tank-truck, except

- (a) a vehicle with a covered van body having rigid walls, an insulated roof and a solid floor, so that wind, dust and moisture cannot seriously affect the milk or containers thereof or permit extreme heat or freezing conditions within the shipping space of the vehicle, or
- (b) a vehicle owned by a producer and used to transport his own milk when the milk and containers thereof are protected from extreme heat and freezing conditions, dust and contamination, or
- (c) a vehicle used to transport milk before these regulations come into force but this clause expires with the 1st of January, 1960.

(3) No person shall deck containers of milk in a vehicle used to transport it without decking boards which are supported from the body of the vehicle and so located that clearance is provided for the containers in each deck.

(4) Milk shall be transported without delay.

PENALTY

43. Every person who violates any of the provisions of Part I of the Act or any regulations thereunder shall be guilty of an offence and on summary conviction shall be liable to a penalty of not less than \$10 and not more than \$100.

THE MENTAL HOSPITALS ACT

O. Reg. 237/56.

Records.

Amending O. Reg. 26/44 (C.R.O. 466).

Made—22nd November, 1956.

Filed—26th November, 1956.

REGULATIONS MADE UNDER THE MENTAL HOSPITALS ACT

1. Ontario Regulations 26/44 are amended by adding the following regulation:

12a.(1) No person shall remove or inspect medical records of a patient in or a former patient of an institution, or disclose information obtained from the records to any person, except

- (a) the patient's or former patient's attending physician;
- (b) members of the staff of the institution, or an inspector;
- (c) members of the medical staff of the institution for authorized teaching or academic purposes;
- (d) upon the direction of the Department of Veterans Affairs (Canada) with respect to a patient or former patient to whom the duties, powers and functions of the Minister of Veterans Affairs applies under the Department of Veterans Affairs Act (Canada);
- (e) upon the written direction of
 - (i) the committee of the estate of the patient;
 - (ii) a former patient while he has capacity; or
 - (iii) the personal representative of a former patient who is deceased;
- (f) upon the order of a court of competent jurisdiction;
- (g) upon the request of the superintendent of another mental institution, or a hospital or sanitarium, for use therein;
- (h) upon the direction of the Deputy Minister; or
- (i) the medical officer of health of the municipality where the patient or former patient resides.

(2) Notwithstanding subregulation 1, the superintendent, when so requested in writing, may supply information from medical records to

- (a) any charitable institution or governmental welfare agency, and officials thereof;
- (b) the Department of Immigration (Canada);
- (c) the Royal Canadian Mounted Police;
- (d) the next-of-kin of the patient as the superintendent deems in the best interests of the patient.
